From Black To Biracial Transforming Racial Identity Among Americans:

From Black to Biracial Kathleen Korgen, 1998-02-24 Is a person with both a white and African American parent black Thirty years ago in American society the answer would have been yes Today the answer most likely depends on whom you ask According to the U S Census a person with both a black and a white parent is in fact black However most young persons who fit this description describe themselves as biracial both black and white Most young Americans whatever their racial background agree Since the Voting Rights Act of 1965 signaled the culmination of the Civil Rights Movement a transformation has occurred in the racial self definition of Americans with both an African American and a white parent This book describes the transformation and explains why it has occurred and how it has come about Through extensive research and dozens of interviews Korgen describes how the transformation has its roots in the historical and cultural transitions in U S society since the Civil Rights era A ground breaking book From Black to Biracial will help all Americans understand the societal implications of the increasingly multiracial nature of our population From affirmative action to the present controversy over the U S Census 2000 the repercussions of the transformation in racial identity related here affect all race based aspects of our society Students and faculty in sociology and multicultural studies business leaders and general readers alike will benefit from reading this work

Race Policy and Multiracial Americans Kathleen Odell Korgen, 2016-01-13 Race Policy and Multiracial Americans is the first book to look at the impact of multiracial people on race policies where they lag behind the growing numbers of multiracial people in the U S and how they can be used to promote racial justice for multiracial Americans Using a critical mixed race perspective it covers such questions as Which policies aimed at combating racial discrimination should cover multiracial Americans Should all or some multiracial Americans benefit from affirmative action programmes How can we better understand the education and health needs of multiracial Americans This much needed book is essential reading for sociology political science and public policy students policy makers and anyone interested in race relations and social justice

Shades of Gray Molly Littlewood McKibbin, 2018-12-01 2019 Choice Outstanding Academic Title In Shades of Gray Molly Littlewood McKibbin offers a social and literary history of multiracialism in the twentieth century United States She examines the African American and white racial binary in contemporary multiracial literature to reveal the tensions and struggles of multiracialism in American life through individual consciousness social perceptions societal expectations and subjective struggles with multiracial identity McKibbin weaves a rich sociohistorical tapestry around the critically acclaimed works of Danzy Senna *Caucasia* 1998 Rebecca Walker *Black White and Jewish Autobiography of a Shifting Self* 2001 Emily Raboteau *The Professor's Daughter* 2005 Rachel M Harper *Brass Ankle Blues* 2006 and Heidi Durrow *The Girl Who Fell from the Sky* 2010 Taking into account the social history of racial classification and the literary history of depicting mixed race she argues that these writers are producing new representations of multiracial identity Shades of Gray examines the current opportunity to define racial identity after the civil

rights black power and multiracial movements of the late twentieth century changed the sociopolitical climate of the United States and helped revolutionize the racial consciousness of the nation McKibbin makes the case that twenty first century literature is able to represent multiracial identities for the first time in ways that do not adhere to the dichotomous conceptions of race that have until now determined how racial identities could be expressed in the United States

Our Social World Jeanne H. Ballantine, Kathleen Odell Korgen, 2025-06-17 The Ninth Edition of *Our Social World* inspires students to develop their sociological imaginations see the world and personal events from a new perspective and confront sociological issues on a day to day basis The consistent application of the Social World Model across chapters helps emphasize the view of sociology as an integrated whole rather than a set of disparate subjects

Recognizing Race and Ethnicity, 2018-05-15 This book approaches the study of race ethnicity through a sociological lens It focuses on a few social policies that are perceived as race related such as affirmative action to an understanding of the historical racialization of the US welfare state overall

Black Mixed-Race Men Remi Joseph-Salisbury, 2018-08-06 This book offers a corrective to pathological and stereotypical representations of mixedness generally and Black mixed race men specifically By introducing the concept of post racial resilience the book shows that Black mixed race men are active and agentic as they resist the fragmentation and erasure of multiplicitous identities

Black Women, Academe, and the Tenure Process in the United States and the Caribbean Talia Esnard, Deirdre Cobb-Roberts, 2018-08-06 This book explores the meanings experiences and challenges faced by Black women faculty that are either on the tenure track or have earned tenure The authors advance the notion of comparative intersectionality to tease through the contextual peculiarities and commonalities that define their identities as Black women and their experiences with tenure and promotion across the two geographical spaces By so doing it works through a comparative treatment of existing social inequalities educational disparities and injustices in the promotion and retention of Black women academics Such interpretative examinations offer important insights into how Black women's subjugated knowledge and experiences continue to be suppressed within mainstream structures of power and how they are negotiated across contexts

Making a Non-White America Allison Varzally, 2008-04-02 What happens in a society so diverse that no ethnic group can call itself the majority Exploring a question that has profound relevance for the nation as a whole this study looks closely at eclectic neighborhoods in California where multiple minorities constituted the majority during formative years of the twentieth century In a lively account woven throughout with vivid voices and experiences drawn from interviews ethnic newspapers and memoirs Allison Varzally examines everyday interactions among the Asian Mexican African Native and Jewish Americans and others who lived side by side What she finds is that in shared city spaces across California these diverse groups mixed and mingled as students lovers worshippers workers and family members and along the way expanded and reconfigured ethnic and racial categories in new directions

Race, Ethnicity, and Gender Joseph F. Healey, Eileen O'Brien, 2007-05-08 The Second Edition of *Race Ethnicity and*

Gender Selected Readings offers comprehensive varied and highly readable views of the problems of racism and sexism in American society Editors Joseph F Healey and Eileen T O'Brien present a variety of perspectives on some of the most pressing problems facing American society racism and prejudice inequality and discrimination and assimilation and pluralism This new edition includes historical perspectives case studies of minority groups a strong emphasis on gender clashing perspectives on contemporary problems and a chapter on solutions Resources in Education ,2001-10 **Critical Perspectives on Racial and Ethnic Differences in Health in Late Life** National Research Council,Division of Behavioral and Social Sciences and Education,Committee on Population,Panel on Race, Ethnicity, and Health in Later Life,2004-10-16 In their later years Americans of different racial and ethnic backgrounds are not in equally good or equally poor health There is wide variation but on average older Whites are healthier than older Blacks and tend to outlive them But Whites tend to be in poorer health than Hispanics and Asian Americans This volume documents the differentials and considers possible explanations Selection processes play a role selective migration for instance or selective survival to advanced ages Health differentials originate early in life possibly even before birth and are affected by events and experiences throughout the life course Differences in socioeconomic status risk behavior social relations and health care all play a role Separate chapters consider the contribution of such factors and the biopsychosocial mechanisms that link them to health This volume provides the empirical evidence for the research agenda provided in the separate report of the Panel on Race Ethnicity and Health in Later Life Crossing Lines Marc Coronado,2003 Crossing Lines addresses the issues of race and mixed race at the turn of the 21st century Representing multiple academic disciplines the volume invites readers to consider the many ways that identity community and collectivity are formed while addressing the challenges that multiracial identity poses to our understanding of race and ethnicity The Engaged Sociologist Kathleen Odell Korgen,Jonathan M. White,2014-09-23 This fully updated edition of The Engaged Sociologist by Kathleen Odell Korgen carries the public sociology movement into the classroom while at the same time providing an engaging overview of the entire field It demonstrates how to think sociologically to develop a sociological eye and to use sociological tools to become effective participants in a democratic society Perfect as a supplement for an introductory course or as a main text for any course that has public sociology at its roots this inspiring book will serve as a guidebook to any student who is passionate about applying sociological concepts to the world around them Multiracialism and Its Discontents Hephzibah V. Strmic-Pawl,2016-07-26 This book addresses the contemporary complexities of race racial identity and the persistence of racism Multiracialism is often heralded as a breakthrough in racial reconciliation some even go so far as to posit that the U S will become so racially mixed that racism will diminish However this comparative analysis of multiracials who identify as part Asian and part White and those who identify as part Black and part White indicates vastly different experiences of what it means to be multiracial The book also attends to a nuanced understanding of how racism and inequality operate when an intersectional approach of race class

gender and sexual orientation is taken into account It takes a focused look at how multiracialism is shaped by racism but ultimately reveals a broader statement about race in the U S today that there is no post racial state and any identity or movement that attempts to address racial inequality must contend with that reality **White Out** Ashley W. Doane, Eduardo Bonilla-Silva, 2013-01-11 What does it mean to be white This remains the question at large in the continued effort to examine how white racial identity is constructed and how systems of white privilege operate in everyday life White Out brings together the original work of leading scholars across the disciplines of sociology philosophy history and anthropology to give readers an important and cutting edge study of whiteness *Race and Society: The Essentials* Kathleen J.

Fitzgerald, 2020-12-04 Race and Society The Essentials explains the basic theories and concepts related to the sociology of race and ethnicity covering topics such as prejudice and discrimination immigration and assimilation structural and institutional racism privilege intersectionality color blind racism interracial relationships multiracial families biracial multiracial identities and indigeneity It is designed to provide a foundation for students so they can have productive and necessary discussions about race racism and privilege and understand how to move towards a more racially just society Unlike many texts for this course it does not contain chapters on individual racial and ethnic minorities or on race within the context of social institutions Perfect for instructors who assign other kinds of materials for their race ethnicity courses research monographs journals articles published anthologies scholarly and trade books or for shorter courses this text will provide students with a solid theoretical and conceptual grounding in the field *Public Policy and Ethnicity* Roger Openshaw, 2006-10-10 Has ethnicity become institutionalized as a political category Drawing on international studies including New Zealand the book shows that this process of public policymaking creates artificial divisions that can become permanent and detrimental as well as being at odds with the social fluidity of modern societies Preface by Jonathan Friedman

Interracial Families George Alan Yancey, Richard Lewis, Jr., 2009-01-07 Are your undergraduate students interested in such topics as interracial dating marriage multiracial identity transracial adoption and related issues If so this is the perfect short text to assign in your course **Is that Your Child?** Marion Kilson, Florence Ladd, 2009-01-01 In their book Is That Your Child Mothers Talk about Rearing Biracial Children Kilson and Ladd explore the challenges that mothers of biracial children encounter Although the literature on biracial Americans has expanded in the last twenty years Kilson and Ladd s book is unique in focusing on the experiences of a heterogeneous set of black and white mothers of different generations and socioeconomic circumstances Multiracial Americans and Social Class Kathleen Odell Korgen, 2010-04-27 Multiracial Americans and Social Class fills a noticeable void in a growing market by examining the impact of social class on the rapidly growing multiracial population Noted scholars examine the impact of social class on the racial identity of multiracial Americans in highly readable essays from a range of sociological perspectives
