## **From Crisis To New Creation:**

From New Creation to Urban Crisis George D. Younger, 1987

**From Creation to New Creation** Bernhard W.

Anderson, 2005-01-26 Princeton theologian Bernhard Anderson explores the historical mythopoeic and theological dimensions of classic Old Testament reflections on the motif of creation. The result is an abundance of fresh insight and compelling exegesis that have implications for human life and thought today.

God of Holy Love Peter Taylor Forsyth, 2021-05-27

The God of Christian faith is, according to Peter Taylor Forsyth, a God of holy righteous love. As a result, God's intervention in human life is morally robust, being in search of the transformation of its recipients toward holy love. Its high point is in the cross of Jesus Christ. This book contains twenty of Forsyth's essays that clarify the nature and manifestation of God's holy love. Forsyth contends that God is an active personal agent who desires interpersonal fellowship with humans under the authority of divine holy love. He attends to the experience of God in moral conscience, where one can experience forgiveness and redemption by God. He challenges readers to consider whether their experience includes an encounter with a God who manifests holy love.

The Wonder of the Cross

Richard A. Shenk, 2013-05-08. When considering and confronting the problem of evil, we may be asking the wrong question: Why is there evil in the world if God is good and powerful? It may be wrong because it smuggles in an unbiblical premise: God can and should use his coercive power to relieve suffering since he is both good and able. But what if coercive power does not work to accomplish God's goals? This book is an investigation into the possibility that the noncoercive power of the Cross must be at the center of this issue and that the Cross could reform this question. We could ask instead: How is God destroying evil and suffering, and why is he taking so long? The answer to this reframed question might be: He is using evil and suffering to destroy evil and suffering for His People; this is how long it takes. While not a solution to the problem of evil, could this help us learn to delight in God in a world in which evil and suffering seem at times so relentless?

**New Creation in Paul's Letters and Thought** Moyer V.

Hubbard, 2002-07-11. As a biblical motif, new creation resonates throughout the pages of the Jewish and Christian scriptures and occupies a central place in the apostle Paul's vision of the Christian life. Yet the biblical and extra-biblical occurrences of this theme vary widely in meaning, referring to either a new cosmos, a new community, or a new individual. Beginning with the Old Testament and working through the important texts of Second Temple Judaism, Moyer V. Hubbard focuses on how the motif functions in the argument strategy and literary structure of these documents, highlighting its role as the solution to the perceived plight. He then explores in detail which senses of the term Paul intends in Galatians 6:15 and 2 Corinthians 5:17, concluding that new creation in Paul's letters describes the Spirit-wrought newness of the person in Christ and is

fundamentally anthropological in orientation.

Raymond Nelson, 1988 *For a New Generation* Lee D. Kricher, 2016-08-02 A New Generation Church is a church with attendees whose average age is at least as young as the average age of the community in which the church exists Any church can become a New Generation Church that reaches and continues to reach the next generation The Psalmist writes We will not hide these truths from our children we will tell the next generation about the glorious deeds of the Lord about his power and his mighty wonders Psalm 78 4 NLT No Christian would purposely hide the timeless truths of Christianity from the next generation But often we do not because of the substance of our church but because of the approach of our church For A New

Generation is not about changing your church's statement of faith or core beliefs. It is about evaluating and changing as needed your church's programs, ministries, and practices in order to more effectively connect with and stay connected with the next generation. Written for both church leaders and members, *For a New Generation* presents 5 practical strategies that will lay a foundation for a church to thrive for generations to come. It is based on the assumption that accepting the status quo is the greatest threat to your church's core mission and perhaps to the long-term survival of your church.

**Reaching a New Generation** Alan J. Roxburgh, 1992-12 Our world has changed dramatically in the past quarter century. People are losing faith in technology. Our society has lost consensus and is dividing into competing tribes. Rather than simply condemning these new values, Roxburgh calls the church to respond with Christian community, Christian ecology, and Christian spirituality. This fresh and powerful book shows what our new world is like and how the gospel is yet again relevant and redemptive.

**Sounds of a New Generation** Deborah Wallrabenstein, 2017-10-15 This book offers insight into the approaches of a new generation of Jewish American writers. Whether they reimagine their ancestors' life or invent their own kind of Jewishness, they have a common curiosity in what makes them Jewish. Is it because most of them are third-generation Americans who don't worry about assimilation as their parents' generation did? If so, how does the writing of recent Jewish immigrants from the former Soviet Union fit into the picture? Unlike Irving Howe predicted in 1977, Jewish American literature did not fade after immigration. It always finds new paths, drawing from the vast scope of Jewish life in America.
