George N. Forbes,2009-09 Dr Forbes is the preaching minister at the First Christian Church in Aberdeen Mississippi He was educated at the University of Georgia the University of Cincinnati the Cincinnati Bible Seminary Cincinnati Christian University and at the Christian Bible College and Seminary where he earned his doctorate in ministry Dr Forbes is married to Phyllis and has four granddaughters He may be reached at 401 South Franklin Street Aberdeen Mississippi 39730 *Let My Handmaid Speak* Jeraldine T. Posey D.Min.,2011-10-14 The debate over women preachers has raged for centuries but the argument has not beenand probably will not beresolved This book is not an addendum to that dispute It is however an attempt to show some of the difficulties lady ministers have overcome to answer Gods call to proclaim His Word The International Pentecostal Holiness Church from its inception has recognized women by admitting them to pulpits and allowing them to pastor churches Lady ministers have also served successfully as evangelists and missionaries However the leadership of the denomination at a Solemn Assembly in 1996 acknowledged that the church had withheld from women places of honor and desired to release them to serve in leadership roles Historically women have gained ground only to lose it again and even in our twenty first century society some still refuse to let Gods handmaids speak *The Bible Now* Richard Elliott Friedman,Shawna Dolansky,2011-10-01 For millennia people have used the Bible as a touchstone on important social and political questions and rightly so But many use the Bible simply as a weapon to wield against opponents in a variety of debates without knowing what the Bible actually says about the issue in question In *The Bible Now* two respected biblical scholars Richard Elliott Friedman and Shawna Dolansky tell us carefully what the Hebrew Bible says or does not say about a wide range of issues including homosexuality abortion women s status capital punishment and the environment In fascinating passages that shed new light on some of today s most passionate disputes the authors reveal how the Bible is frequently misunderstood misquoted mistranslated and misused For instance those who quote the Bible in condemning homosexuality often cite the story of Sodom and those who favor homosexuality point to David s lament over the death of Jonathan But as the authors show neither passage is clearly about homosexuality and these texts do not offer solid footing on which to make an argument Readers learn that female homosexuality is not prohibited only male homosexuality And on the subject of abortion the Bible is practically silent with one extraordinary exception The Bible has inspired people to do great good but has also been used by people to do great harm so it is vitally important for us to pay attention to it and to get it right *The Bible Now* shows us how we can and cannot use this ancient source of wisdom to address our most current and pressing issues **Herald and Presbyter** ,1922 *Books In Print 2004-2005* Ed Bowker Staff,Staff Bowker, Ed,2004 *Asian Feminist Biblical Studies : Perspectives and Methods* Maggie Low,2023-10-12 Groundbreaking and inspiring this book offers a comprehensive and up to date overview of Asian feminist biblical criticism It is a gift to the Asian churches and to the

theological community I highly recommend it to all who search for biblical insights to empower women and men to work for justice Kwok Pui lan Dean s Professor of Systematic Theology at Candler School of Theology Emory University This is a superb collection of the different approaches of feminist biblical scholars in Asia I found it invigorating and thought provoking to learn about the multiple ways in which Asian feminists made their exodus from Western biblical studies to interpret this foundational text in their own unique contexts Gale A Yee Nancy W King Professor of Biblical Studies Emerita Episcopal Divinity School This collection of essays by mostly younger Asian biblical scholars is a welcome addition to a small but growing body of Asian feminist studies The diversity of perspectives methodologies and creative interpretations makes it an ideal introductory text for anyone wishing to learn more about Asian feminism Simon Chan Editor Asia Journal of Theology
