## From God Given To God Driven Reclaiming Your Dreams And Fulfilling Your Life:

From God-Given to God-Driven John M. Byrne, Carole D. Pyke, 2004-09-01 A step by step approach to aligning your dreams with your faith and using the power of God to become the person you were always meant to be Success doesn't bring happiness Being rich doesn t mean you ve achieved your goal Being stuck in a rut doesn t mean your life is forgotten God is here to help you tap your inner potential From God Given to God Driven takes a lively practical step by step approach to help readers remember reassess and realign their dreams with God's scriptural promises Using the techniques John Byrne uses in his personal ministry this book shows how to engage the Father's help in making dreams come true From God Given to God Driven will feature several of John s humorous cartoons scriptural references and fill ins for making concrete plans Inspirational case studies from John s own consultancy work the Bible and popular history make this a practical and inspiring guide And no matter what dreams they have for themselves readers will discover that one thing is certain God is dreaming bigger This book is an action plan for a better life American Book Publishing Record ,2003 Youngs, Susan M. Heim, Jennifer Leigh Youngs, 2006 So you ve bought the crib you re taking your vitamins and you ve got names all picked out Now where s that instruction manual Oh Baby won t teach you how to change a diaper but it will give you the real story about the many ways a new baby will turn your life upside down You may be surprised by the changes joys and challenges that a new baby brings to your marriage and sense of self your career friendships spiritual life extended family and to the opening of your heart like no other love can but you need not be overwhelmed Oh Baby offers experienced advice and know how for expectant and new parents action steps for developing new coping skills stories of how other new parents overcame the challenges and discussion questions and communication strategies to head off conflicts between you and your partner so you not only survive but even thrive during your baby s first year Take Back Your Power Yasmin Davidds, 2006-07-04 I dedicate this book to every woman who has ever felt sad frustrated alone scared unsatisfied compromised or depleted I know how it feels I ve been there too Yasmin Davidds Empowerment specialist and relationship expert Yasmin Davidds reaches into your mind and soul to take you down the path of self empowerment Davidds s message is clear Your power is your life force and you must learn about it and honor it if you want to be a whole woman Drawing from her own life experiences Davidds provides an easy and inspiring plan to overcome adversity and fulfill your dreams Let Davidds bring you on a journey of self discovery self love and unstoppable success Let her empower you **Letting Your Heart Sing** Deborah Tyler Blais, 2001 A daily guide to transforming your life and discovering what makes your heart sing **Reclaiming Love** Ajith Fernando, 2013-04-02 In 1 Corinthians 13 Paul places love at the very center of what it means to embrace life in Christ All other spiritual gifts are worth nothing in comparison But the love explained in those verses is nothing short of radical Fernando's pastoral work in the midst of the cultural and ethnic tensions of Sri Lanka often brought up a very real and honest question Can the biblical teaching about love actually be practiced. The answer he discovered is a

resounding yes The radical love of God is not only real but it is the key to experiencing joy in the pain and suffering of this world Believers must look to the Scriptures for God's teaching on the true nature of love its divine origins and its power for those who trust in Christ This book offers reflections on the Bible's consistent teaching on love and shares real life experiences of learning to love in difficult situations The Publishers Weekly ,2004 **After God** Mark C. Taylor, 2009-03 With fundamentalists dominating the headlines and scientists arguing about the biological and neurological basis of faith religion is the topic of the day But religion Mark C Taylor shows is more complicated than either its defenders or critics think and indeed is much more influential than any of us realize Our world Taylor maintains is shaped by religion even when it is least obvious Faith and value he insists are unavoidable and inextricably interrelated for believers and nonbelievers alike Using scientific theories of dynamical systems and complex adaptive networks for cultural and theological analysis After God redefines religion for our contemporary age Taylor begins by asking a critical question What is religion He then proceeds to explain how Protestant ideas in particular undergird the character and structure of our global information society the Reformation Taylor argues was an information and communications revolution that effectively prepared the way for the media revolution at the end of the twentieth century Taylor's breathtaking account of religious ideas allows us to understand for the first time that contemporary notions of atheism and the secular are already implicit in classical Christology and Trinitarian theology Weaving together theoretical analysis and historical interpretation Taylor demonstrates the codependence and coevolution of traditional religious beliefs and practices with modern literature art architecture information technologies media financial markets and theoretical biology After God concludes with prescriptions for new ways of thinking and acting If we are to negotiate the perils of the twenty first century Taylor contends we must refigure the symbolic networks that inform our policies and guide our actions A religion without God creates the possibility of an ethics without absolutes that leads to the promotion of creativity and life in an ever more fragile world Publisher description
