Encyclopedia of American Popular Fiction Geoff Hamilton, Brian Jones, 2015-04-22 Provides information on American authors and their works who have been ignored by most literary guides *Memoirs of two young married women. A start in life. Vendetta. Study of a woman. The message* Honoré de Balzac, 1900 **Memoirs of Two Young Married Women** Honoré de Balzac, 1894 **Mothers and Daughters** Ann F. Caron, 2011-04-01 In this positive and illuminating book Ann Caron explores the spirit durability and complexity of the mother daughter bond during a time of mutual searching Daughters hitting their stride after college are setting new standards for themselves and questioning their goals and expectations Mothers themselves going through major life changes are also looking for new ways to express themselves Drawing from her many interviews with women from both groups Caron discusses their joys ambitions frustrations and hopes regarding sex marriage spirituality and careers What clearly emerges is that despite their different generational influences their dreams of finding themselves through connections to others and especially to each other are the same **American Book Publishing Record** ,2007 **Letter to My Mother: Words of love and perspectives on growing up from sons and daughters** Felix Cheong, 2021-05-15 Many songs and stories have been written about how important mothers are to their children But what story would you tell if you put pen to paper Perhaps things you had learned from her that made you who you are today Perhaps express your gratitude for the sacrifices she had made for you Or perhaps matters left unresolved that have since become a thorn in your relationship Insightful and heart wrenching packed with poignant anecdotes These letters testify to the nurturing love that mothers have for their children In this collection of mini essays edited by award winning author Felix Cheong sons and daughters write letters to their mother about their relationships and articulate what has often not been expressed **The Nine Phases of Marriage** Susan Shapiro Barash, 2012-09-18 From the author of Toxic Friends a groundbreaking look at how to understand your marriage and create a more satisfying relationship Every marriage goes through nine phases It is only by understanding the course our marriages run that we can truly begin to craft the perfect relationship In *The Nine Phases of Marriage* Susan Shapiro Barash breaks down and analyzes these phases which are Phase One Passion and Longing Phase Two Conforming The Perfect Wife Phase Three Real Life Child Centricity Phase Four Tension One Bed Two Dreams Phase Five Distance Two Beds Two Rooms Phase Six Fracturing Midlife Divorce Phase Seven Second Chances Remarriage and Renegotiating Phase Eight Balance Concessions Phase Nine Successful Coupling With this essential knowledge spouses can successfully navigate the natural pitfalls and perils of their marriages and embark on a true partnership **The Survey** ,1926 **Mothers in Public and Political Life** Simone Bohn, 2017-08-01 Even though in most nations women are at least almost half of the population in very few countries do they occupy a similar space in the formal institutions of political power They are said to lack a key element for a successful career in public life time From this perspective no one is worse off than women who are mothers From another perspective however motherhood is thought to

help politicize women as this life changing experience makes them aware of the limitations of some specific public policies such as child care parental leave gendered labor practices etc as well as more conscious of the centrality of more encompassing public policies such as education health care and social assistance This book explores the challenges obstacles opportunities and experiences of mothers who take part in political and or public life **New Books on Women and Feminism** ,1999 Letters Between Mothers and Daughters Barbara Caine,2018-02-02 There are now many studies of family letters in Europe but most of them focus on marital letters and letters between parents especially mothers and their sons Little attention has been paid to the letters to and from daughters This volume seeks to begin filling that gap by exploring the continuities and changes evident in the letters written between mothers and daughters over several centuries Some of these changes reflect the history of letters and the ways that they were written and delivered especially the move from the use of scribes and couriers in the medieval and early modern period which made both the writing and reading of letters a public affair to the use of pens and the situation in which letters were able to be written in private and read only by the person to whom they were addressed But the letters also reveal the changing nature of the mother and daughter relationship as the formal and more distant ties evident in the early period in which dynastic and other matters were often more important to a mother than her daughter s personal happiness were replaced by closer and more intimate ties and a concern with particular personalities and individual needs This book was originally published as a special issue of Women s History Review **The Commercialization of Intimate Life** Arlie Russell Hochschild,2003-04-24 Looking at a series of intimate moments that affect people the author of three New York Times Notable Books offers fresh essays on how everyday lives are shaped by modern capitalism 2 charts Mother's Assistant and Young Lady's Friend ,1841 The Way to Greatness Chi Sun Rhee,2013-05-09 Chi Sun Rhee s work of four volumes The Phantom of Greatness is a masterpiece of twentieth century epic fiction It consists of Book One The Phantom of Greatness Book Two The Way to Greatness Book Three The Devastation to Greatness and Book Four The Triumph to Greatness When the ravaging monster Tsunami of WWII ceases the Korean expatriate survivors of the anti Japanese guerilla fighters return to their motherland Among them to everybody s great surprise is Kwyunsoo and Mija with her son come home from Manchuria and the Philippines No one at home would have expected his or her return home alive Soon after WWII two Superpowers of the United States and the Soviet Union cut Korea into the South and the North Kwyunsoo dies a martyr to unify his country Mija for a full year has been waiting for her husband but there is no news about him Hence Mija to pursue her great dream and to make a living for her son registers at Chosun University Following ending of WWII Byunghong has become Chief of the Kwangju Police Station and waits for Mija to come home Noticing that Ichiro does not return to Mija Byunghong proposes her to marry him However she makes a resolution to keep her nuptial vow to Ichiro even though she loves Byunghong as much as Ichiro Since Prof Stewart recognizes Mija s gifted talent he tries to open her future by sending her to America For that reason she goes to the Seoul

American Embassy to obtain visas for her son and herself Next morning she wakes up from startling booming and screaming and finds out the Korean Civil War has just erupted In a flurry Mija with her son gets out of the hotel wedging her way through the flooding refugees in the streets She keeps on bound for Seoul Station Author Chi Sun Rhee is a retired gynecologist obstetrician She is the mother of two sons and a daughter and is the author of several acclaimed novels Her desire to write this unusual history of Korea in a four part series of books is a dream she has had for several years A resident of Toledo Ohio where she resides with her husband John she pursues gardening as her primary avocation keywords Korea History Culture Japanese Invasion Romance Fiction Documentary Struggle Education Family Youth War Korean War
