From Bomba To Hip Hop Puerto Rican Culture And Latino Identity:

From Bomba to Hip-hop Juan Flores, 2000 Flores investigates the historical experience of Puerto Ricans in New York reflecting their varied areas of cultural expression in the diaspora against the background of contemporary debates in Puerto Rico and recent developments in cultural theory Close studies of urban space and performance popular musical styles and Nuyorican literature highlight the complexities and contradictions of Latino identity Globalizing Cultural Studies Cameron McCarthy, 2007 The contributors to *Globalizing Cultural Studies* Ethnographic Interventions in Theory Method and Policy take as their central topic the problematic status of the global within cultural studies in the areas of theory method and policy and particularly in relation to the intersections of language power and identity in twenty first century post 9 11 culture s Writing against the Anglo centric ethnographic gaze that has saturated various cultural studies projects to date contributors offer new interdisciplinary autobiographical ethnographic textual postcolonial poststructural and political economic approaches to the practice of cultural studies This edited volume foregrounds twenty five groundbreaking essays plus a provocative foreword and an insightful afterword in which the authors show how globalization is articulated in the micro and macro dimensions of contemporary life pointing to the need for cultural studies to be more systematically engaged with the multiplicity and difference that globalization has proffered *Critical Dialogues in Latinx Studies* Ana Y. Ramos-Zayas, Mérida M. Rúa, 2021-08-10 WINNER D Scott Palmer Prize for Best Edited Collection given by the New England Council of Latin American Studies Introduces new approaches theoretical trends and understudied topics in Latinx Studies This groundbreaking work offers a multidisciplinary social science oriented perspective on Latinx studies including the social histories and contemporary lives of a diverse range of Latina and Latino populations Editors Ana Y Ramos Zayas and Mérida M R a have crafted an anthology that is unique in both form and content The book combines previously published canonical pieces with original cutting edge works created for this volume The sections of the text are arranged thematically as critical dialogues each with a brief preface that provides context and a conceptual direction for the scholarly conversation that ensues The editors frame the volume around the humanistic social sciences using the term to highlight the historical and social contexts under which expressive cultural forms and archival records are created *Critical Dialogues in Latinx Studies* masterfully sheds light on the diversity and complexity of the everyday lives of Latinx populations the political economic structures that shape enduring racialization and cultural stereotyping and the continuing efforts to carve out new lives as diasporic transnational global and colonial subjects Chicana/o and Latina/o Fiction Ylce Irizarry, 2016-02-15 In this new study Ylce Irizarry moves beyond literature that prioritizes assimilation to examine how contemporary fiction depicts being Cuban Dominican Mexican or Puerto Rican within Chicana o and Latina o America Irizarry establishes four dominant categories of narrative loss reclamation fracture and new memory that address immigration gender and sexuality cultural nationalisms and neocolonialism As she shows narrative concerns have moved away from the weathered notions of arrival

and assimilation Contemporary Chicana o and Latina o literatures instead tell stories that have little if anything to do with integration into the Anglo American world The result is the creation of new memory This reformulation of cultural membership unmask the neocolonial story and charts the conscious engagement of cultural memory It outlines the ways contemporary Chicana o and Latina o communities create belonging and memory of their ethnic origins An engaging contribution to an important literary tradition Chicana o and Latina o Fiction privileges the stories Chicanas os and Latinas os remember about themselves rather than the stories of those subjugating them NACCS Book Award National Association for Chicana and Chicano Studies 2018 MLA Prize in United States Latina and Latino and Chicana and Chicano Literary and Cultural Studies Modern Language Association 2017

Sonic Interventions Sylvia Mieszkowski, Joy Smith, Marijke de Valck, 2015-07-14 Sonic Interventions makes a compelling case for the importance of sound in theorizing literature subjectivity and culture Sound is usually understood as our second sense and as our belief in a visually dominated culture prevails remains of secondary interest Western cultures are considered to be predominantly visual while other societies are thought to place more importance on the acoustic dimension This volume questions these assumptions by examining how sound differs from and acts in relationship to the visual It moves beyond theoretical dichotomies between the visual and the sonic the oral and literature and instead investigates sonic interventions in their often multi faceted forms The case studies deal with political appropriations of music and sounds they explore the poetic use of the sonic in novels and plays they develop theoretical concepts out of sonic phenomena and pertain to identity formation and the practice of mixing in hip hop opera and dancehall sessions Ultimately the book brings to the fore what roles sound may play for the formation of gendered identity for the stabilization or questioning of race as a social category and the conception of place Their intricate interventions beckon critical attention and offer rich material for cultural analysis

Made in NuYoRico Marisol Negrón, 2024-09-06 In *Made in NuYoRico* Marisol Negrón tells the cultural history of salsa tracing the music's Nuyorican meanings over a fifty year period that begins with the establishment of Fania Records in 1964 and how it capitalized on salsa's Nuyorican imaginary to cultivate a global

audience Drawing on interviews with fans legendary musicians and music industry figures as well as analyses of songs albums films and archival documents *Negr n* shows how Nuyorican cultural and social histories became embedded in and impacted salsa music s flows during its foundational period in the mid 1960s and its boom in the 1970s Salsa s Nuyorican aesthetics challenged mainstream notions of Americanness and Puerto Ricanness and produced an alternative public sphere through which New York s poor and working class Puerto Ricans could contest racialization and colonial power By outlining salsa s complicated musical cultural commercial racial gendered legal and political entanglements *Negr n* demonstrates its centrality to Nuyorican identity and subjectivity

How the United States Racializes Latinos José A. Cobas, Jorge Duany, Joe R. Feagin, 2015-12-03 Mexican and Central American undocumented immigrants as well as U S citizens such as Puerto Ricans and Mexican Americans have become a significant portion of the U S population Yet the U S government mainstream society and radical activists characterize this rich diversity of peoples and cultures as one group alternatively called Hispanics Latinos or even the pejorative Illegals How has this racializing of populations engendered governmental policies police profiling economic exploitation and even violence that afflict these groups From a variety of settings New York New Jersey Los Angeles Central America Cuba this book explores this question in considering both the national and international implications of U S policy Its coverage ranges from legal definitions and practices to popular stereotyping by the public and the media covering such diverse topics as racial profiling workplace discrimination mob violence treatment at border crossings barriers to success in schools and many more It shows how government and social processes of racializing are too seldom understood by mainstream society and the implication of attendant policies are sorely neglected
