Shank,Penny Von Eschen,2009-03-09 American Studies is a vigorous bold account of the changes in the field of American  
Studies over the last thirty five years Through this set of carefully selected key essays by an editorial board of expert scholars  
the book demonstrates how changes in the field have produced new genealogies that tell different histories of both America  
and the study of America Charts the evolution of American Studies from the end of World War II to the present day by  
showcasing the best scholarship in this field An introductory essay by the distinguished editorial board highlights  
developments in the field and places each essay in its historical and theoretical context Explores topics such as American
