From Image To Likeness The Christian Journey Into God:

From Image to Likeness William Simpson, 1997-04-01 Under the influence of Augustine many Christian spiritualities dwell on human weakness and recommend a passive response to grace According to such spiritualities the most important fact about human beings is that we are sinners in need of salvation In From Image to Likeness William Simpson suggests that our human natures are unfinished and that the Christian spiritual journey finds its fullest expression when one's life reflects God's creative and sustaining activity We are already bearers of the divine image because we are God's creatures and we resemble that from which we came We grow into the divine likeness as we cooperate with grace and begin to manifest God's presence in the world By emphasizing the incarnational aspects of the Christian message Simpson offers a traditionally rooted alternative to these Augustinian spiritualities Here the spiritual journey emerges not as a flight from one's wounded and corrupt nature but as the ongoing discovery of one's true nature as a child of God

Spirituality Kees Waaijman, 2002 This textbook is a systematic guide to the extensive field of spirituality Kees Waaijman charts the multiform phenomenon of spirituality the spirituality of ordinary people the great spiritual traditions and the force of counter movements From the foundation of this survey he answers questions like What exactly is spirituality What forms can a scholarly approach take Finally the book provides methodic access to the study of spirituality focusing on the following questions Which are the different forms of spirituality and how can we describe them How can spiritual texts be given a reliable reading Which themes can be distinguished in the field of spirituality and what would be a meaningful way to address them What do we mean by spiritual guidance and what can we learn from it This textbook has no equal It is indispensable to scholars wishing to study the subject but also to others who want to learn about spirituality

Transformation in Theosis Yohanes Bambang Mulyono, 2025-02-18 Transformation in Theosis invites readers on a spiritual odyssey exploring the ancient Christian concept of theosis the audacious idea that humans can participate in the divine nature In a world obsessed with material gain and fleeting achievements what if our truest calling is to become godlike The author weaves a tapestry of wisdom drawing from early church fathers to modern theologians venturing into social justice and environmental stewardship The journey begins with the restoration of the imago Dei and goes through biblical foundations Christ's transfiguration and diverse denominational perspectives But this isn't just a scholarly tome It's a radical call to action challenging readers to transcend religious boundaries and embrace a transformative path Theosis is not some lofty unreachable ideal but a tangible reality with far reaching implications for personal growth and societal change As it explores theosis in the context of our digital age readers are left with a provocative question In a world of artificial intelligence and virtual realities what does it mean to embody the divine Transformation in Theosis offers no easy answers instead extending an invitation to scholars seekers and believers alike to step into a journey of self discovery and inner transformation and ultimately to dare to embrace their own divine nature

The Oxford Handbook of Mystical Theology Edward Howells, Mark Allen McIntosh, 2020 This collection

provides a guide to the mystical element of Christianity as a theological phenomenon Part I offers a historical overview Part II considers sources and practices of mystical theology Part III examines conceptualities of mystical thought Part IV explores contributions of mystical teaching to theology and metaphysics

Jesus of the East Phuc Luu, 2020-06-16 Why does our theology of salvation focus on forgiving sinners but not on healing those wounded by sin Much of Western Christianity has subdued the narrative of Jesus as a Palestinian Jewish healer and liberator who served the sick and oppressed But the Jesus of the Gospels is a revolutionary who stands with the sinned against the wounded and the marginalized In Jesus of the East author Phuc Luu re narrates the life of Jesus to show how he made it his work to topple systems that privileged the few and disregarded the many especially the poor and lowest In this provocative book Luu offers a counter narrative to Western Christianity which for centuries has legitimized colonization and violence to prop up the powerful at the expense of the masses Pulling from the tradition of the early Eastern church the present work of theologians of the oppressed and Luu s own experiences as a Vietnamese immigrant Jesus of the East offers a transformative vision of healing for the world For those living in the land between pain and hope Luu s prophetic words will renew our imaginations and draw us closer to the heart of God

The Political Dialogue of Nature and Grace Caitlin Smith Gilson, 2017-03-23 The discourse between nature and grace finds its linguistic and existential podium in the political condition of human beings As Caitlin Smith Gilson shows it is in this arena that the perennial territorial struggle of faith and reason God and man man and state take place and it is here that the understanding of the personal as political as well as the political as personal finds its meaning And it is here too that the divine finds or is refused a home Any discussion of post secular society has its origins in this political dialogue between nature and grace the resolution of which might determine not only a future post secular society but one in which awe is re united to affection solidarity and fraternity Smith Gilson questions whether the idea of pure nature antecedently disregards the fact that grace enters existence and that this accomplishes a conversion in the metaphysical existential region of man s action and being This conversion alters how man acts as an affective moral intellectual social political and spiritual being State of nature theories transformed yet retained in the broader metaphysical and existential implications of the Hegelian Weltgeist are shown to be indebted to the ideological restrictedness of pure nature natura pura as providing the foremost adversary to any meaningful type of divine presence within the polis as well as inhibiting the phenomenological facticity of man as an open nature

Readings in the Philosophy of Religion - Second Edition Kelly James Clark, 2008-02-14 Like the first edition the second edition of Readings in the Philosophy of Religion covers topics in a point counterpoint manner specifically designed to foster deep reflection Unique to this collection is the section on the divine attributes The book s focus is on issues of fundamental human concern God s suffering hell prayer feminist theology and religious pluralism All of these are shown in a lengthy introduction to relate to the standard issues in philosophical theology omnipotence omniscience immutability goodness and eternity For this second edition each major section ends with an extended reflection

by a philosopher who shows how to think through the issues raised in the preceding essays Also included are a new section on the ontological argument with classical discussions by Anselm and Gaunilo along with a new essay by Laura Garcia a new section on religious language new essays on the free will defense theodicies and feminist theology and a new version of the cosmological argument that does not rely on the principle of sufficient reason Living in the Best of Times and the Worst of Times Roosevelt McPherson EdD,2020-02-10 Living in the Best of Times and the Worst of Times Let not Your Heart be Troubled is a volume of sermons which proclaims God's love for a dying sin sick world Second Timothy 3:1-4 In this volume you will hear how God loved the world so much that he gave His only begotten Son Jesus Christ so that anyone who believes in Him may not die but have everlasting life John 3:16 Spirit of Truth Student Workbook Grade 8 Sophia Institute for Teachers, **The Works of Saint Augustine** Saint Augustine (of Hippo),1990 In this work traditionally translated as On Christian Doctrine Augustine combines the pedagogical methods he learned from Greek and Roman writings with the content of the Christian faith to help preachers present biblical teachings in an effective manner This new translation is lively and accessible Library Journal The Christian Science Journal ,1928 *Christian Mysticism East and West* Maria Jaoudi,1998 Explores themes of transformation wholeness and healing as presented by both Eastern and Western mystics and how their ideas parallel the global insights found in Hinduism Taoism Islam and Buddhism **Christian Education** Freddy Cardoza,2019-11-05 This introductory textbook solidly situates Christian education in the church and ministry context of the 21st century With over 20 years of ministry teaching and leadership experience Freddy Cardoza is uniquely qualified to bring together a wide range of Christian educators This volume features the expertise of 25 evangelical scholars of Christian education including diverse next generation voices in the field It provides balanced biblical theological and practical perspectives for church and parachurch leaders equipping them to meet the ever changing needs of our world Additional resources for professors and students are available through Textbook eSources **Saved, Sanctified and Serving** Denis Metruster,2016-06-01 This comprehensive significant work on Salvation Army theology and practice is designed to help reinforce Salvationists appreciation of their movement's rationale and mission helping to maintain and increase the Army's unique position within the Church and as part of global faith based responses to humanitarian need The writers in this volume hold and proclaim a clear vision for the Army's future fully seizing contemporary opportunities while retaining the fire and zeal of the primitive Movement Persia by a Persian Isaac Adams,1906 **Christian Science Sentinel** ,1903 **Orthodox Tradition and Human Sexuality** Thomas Arentzen,Ashley M. Purpura,Aristotle Papanikolaou,2022-11-15 Sex is a difficult issue for contemporary Christians but the past decade has witnessed a newfound openness regarding the topic among Eastern Orthodox Christians Both the theological trajectory and the historical circumstances of the Orthodox Church differ radically from those of other Christian denominations that have already developed robust and creative reflections on sexuality and sexual diversity Within its unique history theology and tradition Orthodox Christianity holds rich

resources for engaging challenging questions of sexuality in new and responsive ways What is at stake in questions of sexuality in the Orthodox tradition What sources and theological convictions can uniquely shape Orthodox understandings of sexuality This volume aims to create an agora for discussing sex and not least the sexualities that are often thought of as untraditional in Orthodox contexts Through fifteen distinct chapters written by leading scholars and theologians this book offers a developed treatment of sexuality in the Orthodox Christian world by approaching the subject from scriptural patristic theological historical and sociological perspectives Chapters devoted to practical and pastoral insights as well as reflections on specific cultural contexts engage the human realities of sexual diversity and Christian life From re thinking scripture to developing theologies of sex from eschatological views of eros to re evaluations of the Orthodox responses to science this book offers new thinking on pressing present day issues and initiates conversations about homosexuality and sexual diversity within Orthodox Christianity

Catechesis in a Multimedia World 9781587682186, **Flame of Love** Clark H. Pinnock, 2022-04-05 In what may be regarded as his magnum opus Clark Pinnock explores the vital Christian doctrine of the Holy Spirit restoring the Spirit to centrality in the life and witness of the church For this second edition theologian Daniel Castelo draws from his experience using this book in the classroom to add helpful commentary and brief reflections on each chapter

From Resurrection to New Creation Michael W. Pahl, 2010-02-01 What is Christianity really all about Is it in its essence about proper religious rituals or correct religious beliefs or acceptable moral behavior What is at the heart of an authentic Christian faith and life In *From Resurrection to New Creation* Michael Pahl provides an introduction to Christian theology which attempts to answer these questions proposing that the heart of Christianity is not a set of rituals or beliefs or behaviors but an event the resurrection of the crucified Jesus from the dead that prompts a story the gospel or good news of salvation through Jesus Jesus resurrection Pahl claims is the starting place and the compass in the journey of Christian theology our journey to understand God God s work in the world and how we should live out God s purposes for humanity Thus beginning with Jesus resurrection and using this event as a guide Pahl surveys the terrain of classic Christian belief and practice The Trinity the identity of Jesus the work of the Holy Spirit the nature of humanity Christ s atonement for sin salvation and the gospel baptism and the Eucharist the church and the future state all these landscapes and more are explored in this concise introductory survey of essential Christian theology
