Economic Analysis Of Industrial Policy Economic Theory Econometrics And Mathematical Economics:

Economic Analysis of Industrial Policy Motoshige Itō,1991 Provides a theoretical analysis of Japanese industrial policies and their effect on economic welfare taking into account their distinctive features The book explores the problems facing developing countries particularly newly industrializing nations which adopt Japan s strategies Macroeconomic Policy as Implicit Industrial Policy: Its Industry and Enterprise Effects John Randolph Norsworthy,Diana H. Tsai,2012-12-06 Whether they should or not few economists do in fact refrain from making pronouncements on public policy although the state of the economy both here and elsewhere suggests that either the advice given is bad or if good that it is ignored I happen to think that we are appallingly ignorant about many aspects of the working of the economic system the economics of the firm and industry Ronald H Coase Economists and Public Policy In this volume we attempt to address an element of Coase s concern by linking the empirical economics of the firm and industry more closely to macroeconomic policies and to demonstrate how to assess some of the effects of those policies The scope of our study ranges from a structural macroeconomic model of the United States from which macroeconomic effects are propagated to detailed structural models of SIC four digit industries The rationale for our approach is very much in the spirit of various integrated macroeconomic industry models constructed by Dale Jorgenson working with various collaborators Our approach is also consistent with and motivated by Lawrence Klein s agenda of modeling explicitly and structurally the macro and sectoral elements in the national economy We also examine the effects of the macroeconomic policies of different countries on the enterprise In only one case our examination of crowding out of private investment by government deficit financing is the linkage among sectors implicit
