China's Market Economy Development Wei Liu, 2024-08-15 This book first analyzes the institutional changes and historical value orientations brought about by China's economic reforms and then explores the justice and progressiveness of changes in social production relations as well as the uniqueness of economic growth and macro control in China's institutional changes. It further delves into the effectiveness and qualitative improvement during the growth process, including the evolution of structural height, the formation of structural benefits, and the improvement of factor productivity and input-output efficiency. Finally, the book dissects the systemic motivation of China's economic growth and development and proposes the requirements for systemic changes to achieve sustainable development. The main innovation of this book lies in revealing the basic driving factors of the debate on the justice of institutional change from the perspective of value theory, deepening the understanding of China's reform and development experience, and emphasizing the importance of economic growth, structure efficiency, and total factor efficiency.

ECONOMIC GROWTH AND INDUSTRIAL STRUCTURE EVOLUTION LIU WEI, 2019-12-09 The book *Economic Growth and Industrial Structure Evolution: China's Experience since the Beginning of Reform and Opening up* discusses the connection and quantitative relationship between the economic aggregate and industrial structure, and is to explore the impact of the institutional reform and government's macro decision on China's economic growth and industrial structure evolution through the analysis of the industrial structure changes during the process of China's economic growth and reform over the past 30 years. This book is collected by the National Achievements Library of Philosophy and Social Sciences of China in 2015. This study is divided into seven chapters, respectively: the judgements for economic growth level and development stage, new changes, new imbalances, and new policies under the new normal; the overall imbalances and macro control of economic growth; the upgrading of industrial structure in economic growth; the upgrading of industrial structure and growth efficiency; the imbalances of industrial structure and distortions of primary income distribution; and the upgrading of industrial structure, adjustment of economic structure, and the supply side reform.

The International Monetary System, Energy and Sustainable Development Sung Jin Kang, Yung Chul Park, 2015-02-11 Korea was the first non-G7 member and Asian country to host the recent G20 Summit, acting as a bridge between advanced and developing nations. At the G20 Seoul Summit, green growth as well as development and a global financial safety net were on the agenda. Against this backdrop, the aim of this book is to comment on and suggest how to go about setting agendas and shaping further discussions of future summits. The book consists of three major parts: the first part discusses the role of G20 in reforming the international monetary system, the status of the IMF since the European sovereign debt crisis, the use of the yuan as the world's reserve currency, and the establishment of a more resilient global financial system. The second part examines trade measures in times of volatile energy prices, the impact of merchandise price volatility on the G20 economies, the EU's pricing policies, and the world's price volatility, high oil prices, and Russia and oil.

markets in South America The third part reviews G20 s financing for green growth green growth and sustainable development within the G20 framework and G20 s role in addressing climate change and green growth This book offers an in depth review of major issues discussed at the recent summits and will be of interest to policy makers Indian Economic Development since Independence Mr. Rohit Manglik,2022-09-22 Reviews India s economic progress post 1947 covering planning liberalization industrial policy poverty alleviation and infrastructure development **Staff Report on Employment, Growth, and Price Levels** United States.
