Neoliberalism, Civil Society and Security in Africa P. Carmody, 2007-10-17 Free market policies have been in operation across Africa for the past 25 years yet they have failed to reverse deepening poverty This book explores with case studies why such policies continue to be implemented and the ways in which they have been reinvented by socialization depoliticization regionalization and securitization

The African Social Development Report, 2009, 2010 **Développement, inégalités, pauvreté** Nicola Maria Boccella, Andrea Billi, 2005 Tant au niveau des revenus que du développement économique les inégalités n'ont pas diminué dans le monde en ce début du troisième millénaire et cela malgré les interventions des gouvernements des ONG et des bailleurs de fonds internationaux On commettrait galement une grave erreur de diagnostic si l'on considérait la pauvreté et l'exclusion sociale comme des caractéristiques réservées aux pays en développement Les inégalités dans la répartition du revenu et dans l'accès aux droits existent galement dans les pays les plus riches Les essais regroupés dans cet ouvrage entendent procéder une étude aussi exhaustive que possible des rapports entre développement économique, inégalité et pauvreté Cette analyse est conduite dans le cadre de trois grands domaines thématiques Le premier présente le cadre théorique de référence relatif aux interconnexions entre développement économique et inégalités Le deuxième est consacré à l'étude de la pauvreté et de l'exclusion sociale dans les régions et pays en développement Sahel Maroc Burkina Faso Nigeria Enfin le troisième thème porte sur l'analyse des inégalités et de la pauvreté dans les pays développés en particulier dans les zones urbaines de Rome Naples Munich Dublin aux fins d'une analyse comparative Dans l'essai introductif Growth and Inequality Theoretical Issues and Empirical Evidence sont examinées les interconnexions entre croissance économique et inégalités Les auteurs procèdent ainsi à une revue critique aussi vaste que minutieuse de la littérature en la matière Ils démontrent que l'examen des inégalités ne saurait être limité à la répartition du revenu mais qu'il faut également prendre en compte d'autres facteurs pour identifier les dimensions réelles du bien-être et des inégalités

Displacing Human Rights Adam Branch, 2011-06-01 Today Western intervention is a ubiquitous feature of violent conflict in Africa Humanitarian aid agencies community peacebuilders microcredit promoters children's rights activists the World

Bank the International Criminal Court the U S military and numerous others have involved themselves in African conflicts all claiming to bring peace and human rights to situations where they are desperately needed However according to Adam Branch Western intervention is not the solution to violence in Africa but instead can be a major part of the problem often undermining human rights and even prolonging war and intensifying anti civilian violence Based on an extended case study of Western intervention into northern Uganda s twenty year civil war and drawing on Branch s own extensive research and human rights activism there this book lays bare the reductive understandings motivating Western intervention in Africa the inadequate tools it insists on employing its refusal to be accountable to African citizenries and most important its counterproductive consequences for peace human rights and justice In short Branch demonstrates how Western interventions undermine the efforts Africans themselves are undertaking to end violence in their own communities The book does not end with critique however Motivated by a commitment to global justice it proposes concrete changes for Western humanitarian peacebuilding and justice interventions as well as a new normative framework for re orienting the Western approach to violent conflict in Africa around a practice of genuine solidarity A key strength of the book is its ability to analyse and reveal common patterns in seemingly disparate and complex empirical instances of counterproductive human rights interventions in Uganda T his book should be required reading for all those working on various themes in Africa today The Journal of Modern African Studies This book provides a pessimistic but much needed critique of the history of foreign intervention in Northern Uganda Responsible discussions of foreign policy must consider the ways in which great power politics can hurt people in the name of protection this book is an excellent place to start that discussion The Christian Science Monitor

Living on the Boundaries Carol Camp Yeakey, 2012-05-18 From the first chapter to the last this immensely insightful anthology richly details and informs us about the human condition from multidisciplinary perspectives about urban life in global contexts It examines the complex often controversial issues impacting those who live on the margins of society in our densely populated cities

Institutions and Investment in Sudan Denu G. Berhanu, 2011 This book provides insights into the development of institutions during war and peace times in Sudan and presents an analysis of the impact of institutional variables on investment and economic growth The study combines a new institutional economics framework and a socioeconomic analysis of investment behavior with an analysis of the process of post conflict reconstruction and development in Sudan South Sudan The book contains a wealth of information for policymakers for the development aid community and for researchers based on the results of a cross country analysis of panel data for Sudan and the results of survey data on investment determinants in South Sudan An agenda for institutional reform is suggested for Sudan and South Sudan on the basis of the findings of the study It presents valuable discussions on policy relevant issues for Sudan and South Sudan and it also contains an agenda for economic cooperation between Sudan and independent South Sudan Series Institut fur Weltwirtschaft und Internationales Management Vol 18

Second International Handbook on

Globalisation, Education and Policy Research Joseph Zajda, 2015-01-06 This handbook presents a global overview of developments in education and policy change during the last decade It provides an accessible practical and comparative source of current research that examines the intersecting and diverse discourses of this important issue Divided into two parts the handbook first examines globalisation and education policy reforms including coverage of main trends as well as specific policy issues such as gender equity minorities and human rights Next the handbook offers a comparative perspective that evaluates the ambivalent and problematic relationship between globalisation the state and education reforms globally It features coverage on curricula issues and education reforms in schools around the world as well as the curriculum in the global culture Now more than ever there is a need to understand and analyse both the intended and the unintended effects of globalisation on economic competitiveness educational systems the state and relevant policy changes all as they affect individuals the higher education sector schools policy makers and powerful corporate organisations across the globe By examining some of the major education policy issues particularly in the light of recent shifts in education and policy research this handbook offers readers a comprehensive picture of the impact of globalisation on education policy and reforms It will serve as a vital sourcebook of ideas for researchers practitioners and policy makers in education
