Economist Year:

The Economist ,1861 The Economist's Tale Peter Griffiths,2015-11-15 What really happens when the World Bank imposes its policies on a country This is an insider s view of one aid made crisis Peter Griffiths was at the interface between government and the Bank In this ruthlessly honest day by day account of a mission he undertook in Sierra Leone he uses his diary to tell the story of how the World Bank obsessed with the free market imposed a secret agreement on the government banning all government food imports or subsidies The collapsing economy meant that the private sector would not import Famine loomed No ministry no state marketing organization no aid organization could reverse the agreement It had to be a top level government decision whether Sierra Leone could afford to annoy minor World Bank officials This is a rare and important portrait of the aid world which insiders will recognize but of which the general public seldom get a glimpse
