Ecstasys Torment:

Ecstasy Michael Eigen, 2001-11-15 Ecstasy is a force to be reckoned with sometimes creative sometimes destructive Eigen argues that there is an ecstasy that comes through the ever necessary confrontation of our psychic cores with suffering and degradation and he shows that when we can learn to be present with these feelings they add to the tone and texture of our lives and help us to feel real Page 4 of cover

Agony And Ecstasy Pasquale De Marco, 2025-08-09 Agony And Ecstasy is an introspective exploration of the nature of agony and ecstasy and their profound impact on our lives Through a series of interconnected essays Pasquale De Marco delves into the anatomy of suffering and the physiology of pleasure examining the psychological and emotional mechanisms that underlie these powerful emotions This book is not a self help guide or a collection of platitudes It is a deep dive into the human experience an exploration of the darkness and the light that reside within us all Pasquale De Marco writes with honesty and vulnerability sharing their own experiences of agony and ecstasy and inviting readers to reflect on their own In the chapters that follow Pasquale De Marco explores the interplay of agony and ecstasy in various aspects of our lives from relationships and work to the broader context of the human condition They examine the ways in which suffering can serve as a catalyst for growth and resilience and how ecstasy can reward us for our efforts and inspire us to reach even greater heights Agony And Ecstasy is a book for anyone who has ever experienced the depths of despair or the heights of joy It is a book for anyone who is curious about the human condition and the nature of existence It is a book that will challenge you inspire you and ultimately help you to better understand yourself and the world around you If you like this book write a review

Forbidden Ecstasy Janelle Taylor, 2011-10-24 A newlywed Englishwoman must find her missing Sioux husband in this historical romance by the New York Times bestselling author of Defiant Ecstasy Never before did the possession of a man fill Alisha with such excitement as when she held her handsome lover in her arms That she was a white woman living in the world of the Oglala now mattered They had promised each other their hearts forever nothing could keep them apart But when Alisha awoke to dawn's first light her warrior was gone Her lips were tender from his fiery kisses her body throbbed from his fierce passion and still she longed for him Lost between two worlds she was desperate and alone Betrayed by her savage lover she hungered for their forbidden love

On hallucinations ; a history and explanation of apparitions, visions, dreams, ecstasy, magnetism, and somnambulism Alexandre Jacques François Brierre de Boismont, 1860

Hungry for Ecstasy Sharon Klayman Farber, 2012-11-16 Hungry for Ecstasy Trauma The Brain and the Influence of the Sixties by Sharon Klayman Farber explores the hunger for ecstatic experience that can lead people down the road to self destruction In an attempt to help mental health professionals and concerned individuals understand and identify the phenomenon and ultimately intervene with patients friends and loved ones Farber speaks both personally and professionally to the reader She discusses the different paths taken on the road to ecstatic states There are religious ecstasies ecstasies of pain and near death experiences cult induced ecstasies creative ecstasies and ecstasies from

hell Hungry for Ecstasy explores not only the neuroscientific processes involved but also the influence of the sixties in driving people to seek these states Finally Farber draws from her own personal and professional experience to advise others how to intervene on behalf of the person whose behavior puts his or her life at risk *Hallucinations, or, The rational history of apparitions, visions, dreams, ecstasy, magnetism, and somnambulism* Alexandre Jacques François Brierre de Boismont,1853

Sensible Ecstasy Amy Hollywood,2010-01-15 Sensible Ecstasy investigates the attraction to excessive forms of mysticism among twentieth century French intellectuals and demonstrates the work that the figure of the mystic does for these thinkers With special attention to Georges Bataille Simone de Beauvoir Jacques Lacan and Luce Irigaray Amy Hollywood asks why resolutely secular even anti Christian intellectuals are drawn to affective bodily and widely denigrated forms of mysticism What is particular to these thinkers Hollywood reveals is their attention to forms of mysticism associated with women They regard mystics such as Angela of Foligno Hadewijch and Teresa of Avila not as emotionally excessive or escapist but as unique in their ability to think outside of the restrictive oppositions that continue to afflict our understanding of subjectivity the body and sexual difference Mystics such as these like their twentieth century descendants bridge the gaps between action and contemplation emotion and reason and body and soul offering new ways of thinking about language and the limits of representation *Defiant Ecstasy* Janelle Taylor,2011-10-24 An imprisoned Englishwoman awaits to be rescued by a sexy Sioux warrior in this romance novel by the New York Times bestselling author of *Savage Ecstasy* The longer Alisha Williams remained at Fort Pierre the more she hoped her lover would rescue her from the taunts and tirades of the white pioneers They would never let her forget she had been the mistress of the infamous fierce warrior Gray Eagle As if the auburn haired beauty could forget Each night Alisha sweetly remembered Gray Eagle s bold caresses burning kisses his blazing passion Each day she scanned the vast horizon in hopes her Oglala brave would recapture her Then one day Alisha saw hundreds of Indian warriors riding to the gates of Fort Pierre and at their head was the fierce Gray Eagle Though her most fervent prayers had been answered Alisha s heart skipped a beat Would Gray Eagle destroy her or make her destiny his own Praise for *Defiant Ecstasy* I thought Taylor s ability to keep the conflict action and mystery going into this second book was brilliant And very difficult to do An adventure you will not want to miss This is a compelling story I could not put down Regan Walker author of *The Donet Trilogy* *The Agony of Ecstasy* Olivia Gordon,2006-06-19 A story of a young person s experience of the drug ecstasy and how she emerged from her dark night into a new life After a description of the highs the author gives an account of her first euphoric trip a flashback to childhood a sensation of the whole of life flashing before her and the depression that followed *A History of Dreams, Visions, Apparitions, Ecstasy, Magnetism, and Somnambulism* Alexandre-Jacques-François Brierre de Boismont,1855 *Knowledge, Love, and Ecstasy in the Theology of Thomas Gallus* Boyd Taylor Coolman,2017-01-26 *Knowledge Love and Ecstasy in the Theology of Thomas Gallus* provides the first full study of Thomas Gallus d 1246 in English and represents a significant advance in his distinctive theology Boyd Taylor Coolman

argues that Gallus distinguishes but never separates and intimately relates two international modalities in human consciousness the intellective and the affective both of which are forms of cognition Coolman shows that Gallus conceives these two cognitive modalities as co existing in an interdependent manner and that this reciprocity is given a particular character by Gallus anthropological appropriation of the Dionysian concept of hierarchy Because Gallus conceives of the soul as hierarchized on the model of the angelic hierarchy the intellect affect relationship is fundamentally governed by the dynamism of a Dionysian hierarchy which has two simultaneous trajectories ascending and descending Two crucial features are noteworthy in this regard in ascending firstly the lower is subsumed by the higher in descending secondly the higher communicates with the lower according to the nature of the lower When Gallus posits a higher affective cognitio above an intellective cognitio at the highest point in the ascent accordingly this higher affective form both builds upon and sublimates the lower intellective form At the same time this affective cognitio descends back down into the soul both enriching its properly intellective capacity and also renewing the ascending movement in love For Gallus then in the hierarchized soul a dynamic mutuality between intellect and affect emerges which he construes as a spiralling motion by which the soul unceasingly stretches beyond itself ecstatically in knowing and loving God Brazen Ecstasy Janelle Taylor,2011-10-24 Fate cannot tear apart what love has bound in this breathtaking historical romance from the New York Times bestselling author of Defiant Ecstasy Janelle Taylor creates unforgettable and sweeping historical sagas filled with enthralling passion and exciting adventure but none so memorable as the enduring love of the Oglala chief Gray Eagle and his beloved white bride Alisha And their love story continues For four years green eyed Alisha Williams had been Princess Shalee the cherished wife of the Oglala chief Gray Eagle But fate envied their perfect love and swept the stunning Alisha down a raging river and out of Gray Eagle s life There was no way Gray Eagle could know that his love was alive but the daily torment of his lonely heart and the nightly agony of unfulfilled passion insisted that somehow she had survived destiny s decree He had rescued Alisha many times before and he would find her once more for their everlasting love could never keep them apart Savage Ecstasy Janelle Taylor,2011-10-24 A Native American warrior and a young settler woman find a passion as wild as the frontier in the New York Times bestselling author s romance series debut It was like lightning striking the first time they looked into each other s eyes Gray Eagle the captured Oglala warrior and Alisha the beautiful young settler To her fellow settlers Grey Eagle is nothing more than a savage But to her he is a proud strong handsome man who takes her breath away Meanwhile the fair vision of Alisha s beauty awakens Grey Eagle s darkest desires Despite the horrors of captivity the warrior is consumed with a longing to possess her But even as Alisha saves his life Grey Eagle knows that her home is among the enemy Soon enough however the tables turn And when Alisha is the captive a fierce passion is unleashed Love's Ecstasy May Christie,1928

Maurice Blanchot on Poetry and Narrative Kevin Hart,2023-05-18 Blanchot and his writings on three major poets Mallarm H lderlin and Char provide a decisive new point of departure for English language criticism of his philosophical

writings on narrative in this study by leading Blanchot scholar Kevin Hart Connecting his work to later leading figures of 20th century French philosophy including Emmanuel Levinas Simone Weil and Jacques Derrida Hart highlights the importance of Jewish philosophy and political thought to his overall conception of literature Chapters on community and negation reveal Blanchot's emphasis on the relationship between narrative and politics over the more commonly connected narrative and aesthetics By fully discussing Blanchot's elusive concept of the Outside for the first time this book progresses scholarly understandings of his entire oeuvre further This central concept engages Franz Rosenzweig's work on Abrahamic faiths enabling a reckoning on the role of suffering and literature in the wake of the Shoah with significant implications for Jewish studies more generally
