The Economic Development of the Pacific Basin Willy Kraus, Wilfried Lütkenhorst, 1986-01-01      Economic Development in East and Southeast Asia Seiji Naya, Akira Takayama, 1990 This volume reflects the wide range of development issues and problems of the economies of East and Southeast Asia whose dynamic performances have caught the attention of many around the world It also serves to honour Professor Shinichi Ichimura for his dedication and many contributions to creating a better understanding of the development issues faced by the countries in the region Both the editors and all of the contributors in this book have worked with Professor Ichimura at one time or another      **The Economic Development of the Pacific Basin** Willy Kraus, Wilfried Lütkenhorst, 1986      *Trends of Economic Development in East Asia* Wolfgang Klenner, 2012-12-06

The economic success achieved in the last decade in East Asia has brought about a fundamental reorientation in the Western view of the region In order to contribute to a better understanding of present events and future developments in the area leading East Asia economists and men of experience in Asian business from Asia America and East and West Europe have written papers on their research or business fields for this volume The individual articles deal with problems common to the East Asian region and the Pacific area as well as with specific economic problems of Japan China and South Korea The volume is divided into four parts East Asia and the Pacific Basin includes articles on supra national issues for example on the international economic relations of Japan China Taiwan and Korea Japan includes articles on Japanese industrial and business structure technological policy exports and other issues China includes articles on structural change economic reforms fiscal policy agriculture and other issues Korea includes articles on economic and industrial policy restructuring protectionism and other issues The occasion of the publication of this volume is the 70th birthday of Willy Kraus who for many years has been actively concerned with the questions of development in the East Asian region

Regionalism in the New Asia-Pacific Order Joseph A. Camilleri, 2003-01-01 Regionalism in the Asia Pacific is a complex and rapidly evolving phenomenon This volume explores the relationship between globalization and regionalization between states markets and civil society and between US hegemony and Asian aspirations      *Asia-Pacific Economic Cooperation (APEC)* Werner Draguhn, Eva Manske, Jürgen Rüland, 2013-04-03 The Asia Pacific Economic Cooperation APEC was founded in 1989 Since then the forum has developed into a major player in tri partite relations between North America East Asia and Europe The Seattle and Bogor Summits were landmark events suggesting to many observers a gravitational shift in the world economy and world politics Yet the Asian financial crisis had a sobering effect on high flying expectations as APEC contributed little to crisis management In the light of such contradictory performance distinguished scholars here examine APEC s achievements and failures its role and functions in international relations its linkages with regional organisations and the interplay between the forum and national interests of major factors in the region      *The U.S., Japan, and Asia* Frances Scott, 1993      **Crisis, Recovery, and the Role of Accounting Firms in the Pacific Basin** David L. McKee, Don E.

Garner, Yosra AbuAmara McKee, 2002-04-30 The authors bring the disciplines of accounting and economics to bear on an examination of the critical role played by the major accounting firms in the ongoing economic recovery of Pacific Rim nations from the Asian financial crisis of the late 1990s Accounting firms through their service offerings are having an impact not only on economic indicators but also on longer term growth prospects and development patterns in the newly industrialized nations of Southeast Asia Hong Kong Singapore South Korea and Taiwan emerging nations Malaysia Thailand the Philippines and Indonesia and selected Pacific island nations including Papua New Guinea Fiji and Vanuatu For practitioners in the private and public sectors and their academic colleagues Demonstrating the full extent of the influence of global accounting firms on Pacific economies the authors provide an overview of domestic accounting institutions for each grouping of nations in order to lend valuable context to the discussion of the role of international services firms in each individual jurisdiction For those whose work or academic accounting services in Southeast Asia or the role in the region of the World Bank the International Monetary Fund and various regional development banks and United Nations agencies
