Economic Independence For Women The Foundation For Equal Rights:

Economic Independence for Women Jane Roberts Chapman,1976 **The Women Of Rural Asia** Robert Orr Whyte,Pauline Whyte,2020-01-23 This study looks at the social and economic status family and workforce roles and quality of life of women in the rural sectors of monsoonal and equatorial Asia from Pakistan to Japan where life often is characterized by unemployment underemployment and poverty **Mobilizing Human Resources in the Arab World (RLE Economy of Middle East)** R. Paul Shaw,2015-05-15 R Paul Shaw has travelled widely in the Arab world obtaining data and gathering impressions first hand from national and local planners In this book he identifies population and manpower problems that are likely to become more serious and more difficult to solve if they are neglected at this early stage of Arab development He focuses on five broad areas which are directly or indirectly related to mobilizing human resources and his book will be of special interest to all those who are concerned with such issues as population migration employment inequality the emancipation of women construction and agriculture Dr Shaw proposes policy directives which are sensitive to the problems as they are seen by the Arab governments themselves and sets out practical guidelines which can be used by Arab planners and policy makers An important feature of the book with respect to current literature on Arab development is that it moves away from a preoccupation with growth related investments to a concentration on development related population manpower and employment issues By bringing together such comprehensive empirical and bibliographic information it will also be invaluable as a reference source for some twenty Arab countries First published in 1983 **Resources in Women's Educational Equity** ,1980 Literature cited in AGRICOLA Dissertations abstracts international ERIC ABI INFORM MEDLARS NTIS Psychological abstracts and Sociological abstracts Selection focuses on education legal aspects career aspects sex differences lifestyle and health Common format bibliographical information descriptors and abstracts and ERIC subject terms used throughout Contains order information Subject author indexes [Women And Work In Africa](#) Edna G. Bay,2019-04-18 This collection of articles grows out of a symposium on the subject of women and work in Africa held on the Urbana Champaign campus of the University of Illinois in the spring of 1979 The organizing committee for that program sought first to update the field of economic studies of women in Africa and second to provide a forum for the exchange and stimulation of ideas among scholars and professionals concerned for women in Africa The publication here of the majority of the symposium papers represents a logical final step in the fulfillment of the objectives of the symposium program committee [Women and Gender Equity in Development Theory and Practice](#) Jane S. Children's Work, Schooling, And Welfare In Latin America David Post,2018-02-23 From the 1980s through the 1990s children in many areas of the world benefited from new opportunities to attend school but they also faced new demands to support their families because of continuing and for many worsening poverty Children s Work Schooling And Welfare In Latin America is a comparative study of children ages 12 17 in three different Latin American societies Using nationally representative household surveys from Chile Peru and Mexico and repeatedly over different survey years David Post documents tendencies for children to become economically active to remain in school or to do both The survey data analyzed illustrates the roles of family and regional poverty and parental resources in determining what children did with their time in each country However rather than to treat children s activities merely as demographic phenomena or in isolation of the policy environment Post also scrutinizes the international differences in education policies labor law welfare spending and mobilization for children s rights Children s Work shows that child labor will not vanish of its own accord nor follow a uniform path even within a common geographic region Accordingly there is a role for welfare policy and for popular mobilization Post indicates that even when children attend school as in Peru or Mexico many students will continue to work to support the family If the consequence of their work is to impede their educational success then schools will need to attend to a new dimension of inequality that between part time and full time students Monthly Labor Review ,1977 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews For Our Daughters Olivia Cox-Fill,1996-03-25 This unique social history spans the last half century when developments in birth

control and the education of women have increased opportunities for women to have successful careers This book investigates how the first generation of modern women faced the challenge of combining marriage and family with professional responsibilities Olivia Cox Fill an Irish journalist and professional filmmaker interviewed hundreds of prominent women from 10 different countries on three continents before presenting this group portrait of 30 interviews of women leaders diplomats award winning scientists government ministers doctors and industrialists to name a few of the professions represented The interviews are set against the backdrop of the social history of women in each country Their achievements especially in light of the tenor of their times and their desire and ability to have rewarding and fulfilling family lives make them inspiring models for later generations of women who may consider it necessary to choose between home and career The author s international connections with high ranking diplomats and politicians allow us valuable glimpses into the real world of outstanding women

Feminism's Forgotten Fight Kirsten Swinth,2018-11-05 A spirited defense of feminism arguing that the lack of support for working mothers is less a failure of second wave feminism than a rejection by reactionaries of the sweeping changes they campaigned for When people discuss feminism they often lament its failure to deliver on the promise that women can have it all But as Kirsten Swinth argues in this provocative book it is not feminism that has betrayed women but a society that balked at making the far reaching changes for which activists fought Feminism s Forgotten Fight resurrects the comprehensive vision of feminism s second wave at a time when its principles are under renewed attack Through compelling stories of local and national activism and crucial legislative and judicial battles Swinth s history spotlights concerns not commonly associated with the movement of the 1960s and 1970s We see liberals and radicals white women and women of color rethinking gender roles and redistributing housework They brought men into the fold and together demanded bold policy changes to ensure job protection for pregnant women and federal support for child care Many of the creative proposals they devised to reshape the workplace and rework government policy such as guaranteed incomes for mothers and flex time now seem prescient Swinth definitively dispels the notion that second wave feminists pushed women into the workplace without offering solutions to issues they faced at home Feminism s Forgotten Fight examines activists campaigns for work and family in depth and helps us see how feminism s opponents not feminists themselves blocked the movement s aspirations Her insights offer key lessons for women s ongoing struggle to achieve equality at home and work
