Comparisons of Real Output in Manufacturing Angus Maddison,Bart van Ark,1988 A Rabble of Dead Money Charles R. Morris,2017-03-07 The Great Crash of 1929 profoundly disrupted the United States confident march toward becoming the world s superpower The breakneck growth of 1920s America with its boom in automobiles electricity credit lines radio and movies certainly presaged a serious recession by the decade s end but not a depression The totality of the collapse shocked the nation and its duration scarred generations to come In this lucid and fast paced account of the cataclysm award winning writer Charles R Morris pulls together the intricate threads of policy ideology international hatreds and sheer individual cantankerousness that finally pushed the world economy over the brink and into a depression While Morris anchors his narrative in the United States he also fully investigates the poisonous political atmosphere of postwar Europe to reveal how treacherous the environment of the global economy was It took heroic financial mismanagement a glut induced global collapse in agricultural prices and a self inflicted crash in world trade to cause the Great Depression Deeply researched and vividly told A Rabble of Dead Money anatomizes history s greatest economic catastrophe while noting the

uncanny echoes for the present *Bulletin* ,1922 **Indispensable Outcasts** Frank Tobias Higbie,2003 Often overlooked in the history of Progressive Era labor the hoboes who rode the rails in search of seasonal work have nevertheless secured a place in the American imagination The stories of the men who hunted work between city and countryside men alternately portrayed as either romantic adventurers or degenerate outsiders have not been easy to find Nor have these stories found a comfortable home in either rural or labor histories Indispensable Outcasts weaves together history anthropology gender studies and literary analysis to reposition these workers at the center of Progressive Era debates over class race manly responsibility community and citizenship Combining incisive cultural criticism with the empiricism of a more traditional labor history Frank Tobias Higbie illustrates how these so called marginal figures were in fact integral to the communities they briefly inhabited and to the cultural conflicts over class masculinity and sexuality they embodied He draws from life histories the investigations of social reformers and the organizing materials of the Industrial Workers of the World and presents a complex and compelling portrait of hobo life from its often violent and dangerous working conditions to its ethic of transient mutuality that enabled survival and resistance on the road More than a study of hobo life this interdisciplinary book is also a meditation on the possibilities for writing history from the bottom up as well as a frank discussion of the ways historians fascination with personal narrative has colored their construction and presentation of history **Books in Series** ,1985
