African International Relations Mark W. DeLancey,2019-03-13 African International Relations is a thoroughly revised and updated bibliography that contains annotated entries for international books and journal articles in the field of African international relations **The Southern African Development**

Community (SADC) and the European Union (EU) Johannes Muntschick,2017-10-09 This book explores regionalism in the Southern African Development Community SADC and highlights the influence of the European Union EU as an extra regional actor on the organization and integration process The analysis is guided by theory and explains the emergence institutional design and performance of SADC s major integration projects in the issue areas of the economy security and infrastructure It provides in this way a profound assessment of the organization as a whole The study shows that South Africa plays a regional key role as driver for integration while external influence of the EU is ambivalent in character because it unfolds a supportive or obstructive impact The author argues that the EU gains influence over regional integration processes in the SADC on the basis of patterns of asymmetric interdependence and becomes a game changer insofar as it facilitates or impedes solutions to regional cooperation problems **Regional Integration in the Global South** Sebastian

Krapohl,2016-11-23 This book presents a theory of economic integration in developing regions where the level of intraregional economic interdependence is low and the dependence on extra regional economic relations is high It argues that the success or failure of regional integration in the Global South is to a large degree dependent on the reaction of extra regional actors in Europe North America and Northeast Asia In doing so it demonstrates that longstanding European integration theories cannot be successfully applied to other world regions where economic conditions are fundamentally

different By providing detailed empirical analyses that are systematic in their use of a common theoretical and methodological framework the authors fill a significant lacuna in our understanding of these issues This edited volume will appeal to students and scholars of comparative regionalism area studies and global governance South Africa's Foreign Policy James Barber,John Barratt,1990-04-19 An exceptionally thorough study of South African foreign policy and the factors influencing its formation Opportunities and Dangers of Soviet-Cuban Expansion Richard J. Payne,1988-07-08 Combined with aggressive rhetoric and ideological hostility the conventional approach to crisis resolution generates only military options and diminishes our prospects for less dangerous solutions This book explains how a workable pragmatic and efficient foreign policy in relation to Soviet Cuban activities in the Third World can evolve through negotiation that de emphasizes ideology The focus is on problems within less developed countries problems that provide opportunities for Soviet Cuban involvement The book examines several Third World conflicts in which the Soviet Union and Cuba are involved The Horn of Africa Afghanistan Nicaragua Southern Africa and the Commonwealth Caribbean and suggests a pragmatic policy tailored to each regional conflict An objective assessment of Soviet Cuban activities discovers opportunities for cooperation and mutual restraint *Citizenship, Diversity, and Pluralism* Alan Cairns,1999 Annotation Citizenship is a linking mechanism that in its most perfect expression binds the citizenry to the state and to each other In *Citizenship Diversity and Pluralism* leading scholars assess the transformation of these two dimensions of citizenship in increasingly diverse and plural modern societies both in Canada and internationally Subjects addressed include the changing ethnic demography of states social citizenship multiculturalism feminist perspectives on citizenship aboriginal nationalism identity politics and the internationalization of human rights **African Foreign Policy and Diplomacy from Antiquity to the 21st Century** Daniel Don Nanjira,2010-10-21 This book offers a continent wide examination of Africa s foreign policy and diplomacy addressing the relevance of its many languages precolonial history traditional value systems and previous international relationships African statehood predates that of Europe as well as the rest of Western civilization and yet by imposing Western values on Africa and its peoples European colonialism destroyed Africa s paradigm of statehood along with its value systems that were ideally suited for this majestic continent This two volume book provides a comprehensive survey of the issues and events that have shaped Africa from remotest antiquity to the present and serves as the foundation of Africa s international relations diplomacy and foreign policy The first volume of *African Foreign Policy and Diplomacy from Antiquity to the 21st Century* discusses the determinants of Africa s diplomacy from antiquity to the 18th century the second volume addresses the further developments of its foreign policy from the 19th to the 21st century Foreign Assistance Act of 1972 United States. Congress. House Foreign Affairs,1972 **The Oxford Handbook of the South African Economy** Arkebe Oqubay,Fiona Tregenna,Imraan Valodia,2021-11-18 While sharing some characteristics with other middle income countries South Africa is a country with a unique economic history and distinctive economic features It is a regional economic powerhouse that plays a

significant role not only in southern Africa and in the continent but also as a member of BRICS However there has been a lack of structural transformation and weak economic growth and South Africa faces the profound triple challenges of poverty inequality and unemployment Any meaningful debate about economic policies to address these challenges needs to be informed by a deep understanding of historical developments robust empirical evidence and rigorous analysis of South Africa's complex economic landscape This volume seeks to provide a wide ranging set of original detailed and state of the art analytical perspectives that contribute to scientific knowledge as well as to well informed and productive discourse on the South African economy While concentrating on the more recent economic issues facing South Africa the handbook also provides historical and political context It offers an in depth examination of strategic issues in the country's key economic sectors and brings together diverse analytical perspectives

Security, Economics and Nuclear Non-Proliferation Morality Liang Tuang Nah, 2017-09-04 This book seeks to elucidate the decisions of states that have chosen to acquire nuclear arms or inherited nuclear arsenals and have either disarmed or elected to retain their warheads It examines nuclear arms policy via an interconnected framework involving the eclectic use of national security based realism economic interdependence liberalism and nuclear weapons norms or morality based constructivism Through the various chapters examining the nuclear munitions decisions of South Africa Ukraine and North Korea a case is built that a state's leadership decides whether to keep or give up the Bomb based on interlinked security economic and norms governed motivations Thereafter frameworks evaluating the likelihood of nuclear proliferation and accessing the feasibility of disarmament are then applied to North Korea and used to examine recent Iranian nuclear negotiability This book is an invaluable resource for international relations and security studies scholars WMD analysts and post graduate or undergraduate candidates focusing on nuclear arms politics related courses
