Superintendent of Documents,1987 **Australia and the Pacific Islands** ,1989 **Special Bibliography Series** ,1957 **Monthly Catalogue, United States Public Documents** ,1987 *National Defense and Security* United States. Superintendent of Documents,1990 **American-Japanese Security Agreements, Past and Present** Thomas A. Drohan,2015-01-28 What led two mortal enemies to become allies nine years after the end of World War II When the Allies began their occupation of defeated Axis countries many people favored a program of harsh reparation and demilitarization For the United States this was tempered with a desire not only to prevent such a war from happening again but to help the occupied countries rebuild their economic and political infrastructure This aspiration coupled with the rise of communist China and its perceived threat not only to Southeast Asia but the world formed the catalyst for a U S Japanese alliance The alliance between the United States and Japan persists in spite of changing political world views The changes which have affected world politics have often resulted in corresponding adjustments to the U S Japan security agreement From 1954 to the present day this volume takes an in depth look at the fundamental nature of the relationship The book addresses the historical origins of security relations in both countries and the ways in which these formed the basis for their postwar security cooperation and examines the negotiated set of shared military economic and political agreements and expectations which have shaped their relationship The work s main focus however is the way in which this alliance has evolved Four cases of significant policy change in 1960 1981 1987 and 1997 are analyzed along with a discussion of the relevant strategic and tactical realities of the time The reactions of the United States and Japan to recent events such as Iraq s Kuwait invasion and the 2001 terrorist attacks on America are also discussed Numerous tables are included Asia and Oceania United States. Superintendent of Documents,1990 The U.S., Japan, and Asia Frances Scott,1993 **Books from National Defense University Press** National Defense University Press, *The Economics of Offsets* Stephen Martin,1996 Ed University of York UK Collection of new essays on various countries offset policies **Economic Security and Sino-American Relations** Kenneth Boutin,2019 China and the United States have reached a crossroads where their economic relationship is concerned as the shared interest in economic prosperity and complementary economic strengths that provide the common ground of industrial collaboration are threatened by increasing attention to economic facets of national security This trend is encouraging policies which potentially undermine the basis of Sino American industrial integration This book explores the basis nature and impact of evolving economic security agendas in the United States and China Japan and Asia-Pacific Integration Pekka Korhonen,2008-01-28 Japan and Asia Pacific Integration is a study of regional integration in the greater Pacific area during 1968 1996 It examines the political rationale of such international organisations as the Asia Pacific Economic Co operation

APEC forum and the East Asian Economic Caucus EAEC There is a focus on Japanese conceptions of regionalism and integration but the attitudes of other countries such as the United States Australia Malaysia and China are also explored
