Economists in Parliament in the Liberal Age Marco E.L. Guidi, 2017-05-15 This detailed volume explores the role and actions of economists in US Japanese and various European parliaments in the critical period between 1848 and 1920 Featuring chapters written by an international array of contributors from both economics and history the book provides fascinating insights into the parliamentary life in the period It highlights the often pivotal role of economists within each administration examines their influence on policy making their relationships with other MPs civil servants external economic associations and looks at the influence of public opinion on economic policy The book also discusses the nature of the economic discourse practised in the parliamentary arena considering the complex relationships between science and practice and between politics and political economy in light of the evolution of economics during this period The book is the first of its kind to provide a comparative framework for analysis and will appeal to economists and historians alike **Routledge**

Handbook of the History of Global Economic Thought Vincent Barnett, 2014-08-27 The Routledge Handbook of the History of Global Economic Thought offers the first comprehensive overview of the long run history of economic thought from a truly international perspective Although globalization has facilitated the spread of ideas between nations the history of economics has tended to be studied either thematically by topic in terms of different currents of thought or individually by economist Work has been published in the past on the economic thought traditions of specific countries but this pioneering volume is unique in offering a wide ranging comparative account of the development of economic ideas and philosophies on the international stage The volume brings together leading experts on the development of economic ideas from across the world in order to offer a truly international comparison of the economics within nation states Each author presents a long term perspective on economics in their region allowing global patterns in the progress of economic ideas over time to be identified The specially commissioned chapters cover the vast sweep of the history of economics across five world regions including Europe England Scotland Ireland Italy Greece Spain Portugal Germany Sweden Russia and the Ukraine the Americas the USA Canada Mexico and Central America Spanish Speaking South America Brazil and the Caribbean the Middle East Turkey Israel Arab Islamic Economics Persia Iran North Africa Africa West Africa Southern Africa Mozambique and Angola and the Asia Pacific Region Australia and New Zealand China Southeast Asia the Asian Tigers India This rigorous ambitious and highly scholarly volume will be of key interest to students academics policy professionals and to interested general readers across the globe **An Institutional History of Italian Economics in the Interwar Period — Volume I**

Massimo M. Augello, Marco E.L. Guidi, Fabrizio Bientinesi, 2019-11-25 Italy is well known for its prominent economists as well as for the typical public profile they have constantly revealed But when facing an illiberal and totalitarian regime how closely did Italian economists collaborate with government in shaping its economic and political institutions or work independently This edited book completes a gap in the history of Italian economic thought by providing a complete work on the crucial link

between economics and the Fascist regime covering the history of political economy in Italy during the so called Ventennio 1922 1943 with an institutional perspective The approach is threefold analysis of the academic and extra academic scene where economic science was elaborated and taught the connection between economics society and politics and dissemination of scientific debate Special attention is given to the bias caused by the Fascist regime to economic debate and careers This Volume I deals with the economics profession under Fascism in particular in light of the political and institutional changes that the regime introduced the restructuring of higher education the restriction of freedom in teaching and of the press and with respect to promoting its own strategies of political and ideological propaganda Volume II available separately considers the public side of the economics profession the fascistisation of culture and institutions banishment and emigration of opponents and post WW2 purge of Fascist economists

Macroeconomics and the History of Economic Thought H.M. Krämer, Heinz Kurz, H.-M. Trautwein, 2012-03-29 The essays in this Festschrift have been chosen to honour Harald Hagemann and his scientific work They reflect his main contributions to economic research and his major fields of interest The essays in the first part deal with various aspects within the history of economic thought The second part is about the current state of macroeconomics The essays in the third part of the book cover topics on economic growth and structural dynamics

Augello,Marco E. L Guidi,2012-08-06 The book studies the origins and evolution of economic textbooks in the nineteenth and early twentieth century up to the turning point represented by Paul Samuelson s Economics 1948 which became the template for all the textbooks of the postwar period The case studies included in the book cover a large part of Europe the British Commonwealth the United States and Japan Each chapter examines various types of textbooks from those aimed at self education to those addressed to university students secondary school students to the short manuals aimed at the popularisation of political economy among workers and the middle classes An introductory chapter examines this phenomenon in a comparative and transnational perspective **The Dissemination of Economic Ideas** Heinz-Dieter Kurz,Tamotsu Nishizawa,Keith Tribe,2011 This highly illuminating book marks a significant stage in our growing understanding of how the development of national traditions of economic thought has been affected by both internal and external factors The expert contributors set an explicit agenda for the study of the dissemination of economic ideas across four centuries acknowledging that the history of dissemination is also a history of the flux of economic beliefs rendering any generalisation difficult if not impossible Topics explored include systems of political economy European and American interactions the diffusion of economic ideas in South Eastern Europe and beyond and the exchange of ideas between Japan and the rest of the world This book will prove a fascinating and stimulating read for scholars and researchers in the field of economics generally and more specifically in heterodox economics the history of economic thought and economic theory **The German Historical School and European Economic Thought** José Luís Cardoso,Michalis Psalidopoulos,2015-10-30 The financial crisis of 2008 has revived interest in economic scholarship from a historical perspective The most in depth studies of the relationship between economics and history can be found in the work of the so called German Historical School GHS The influence of the GHS in the USA and Britain has been well documented but far less has been written on the rest of Europe This volume studies the interconnection between economic thought and economic policy from the mid nineteenth century to the interwar period It examines how the School s ideas spread and was interpreted in different European countries between 1850 and 1930 analysing its legacies in these countries In doing so the book is able to trace the interconnection between economic thought and economic policy adding new voices to the debate on the diffusion

of ideas and flow of knowledge This book identifies issues related to topics such as nationalism and cosmopolitanism in the history of ideas and clarifies themes in policy making that are still currently debated These include monetary policy and benefits of free trade for all parties involved in international exchanges This book will be of a great interest to those who study history of economic thought economic theory and political economy *L'économie politique et la sphère publique dans le débat des Lumières* Jesús Astigarraga, Javier Usoz, 2013 Tout au long du XVIIIe siècle les Lumières européennes connaissent un essor social politique et culturel de première importance où se mergea la sphère publique Avec de plus en plus de liberté et d'autonomie par rapport au pouvoir politique des notions telles que public ou opinion publique contribuent de manière décisive la transformation des structures socio économiques et politiques de l'Ancien Régime Cet ouvrage propose ainsi d'analyser le rôle que joua cette nouvelle science qu'est l'économie politique dans la création et le développement de la sphère publique C'est en effet l'économie politique qui fut le domaine privilégié et la voie de diffusion des idées politiques et sociales les plus novatrices d'une période qui aujourd'hui encore est considérée comme ayant modelé les fondements de la société moderne

This article will explore the advantages of Economists In Parliament In The Liberal Age 1848 19 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Economists In Parliament In The Liberal Age 1848 19 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Economists In Parliament In The Liberal Age 1848 19 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Economists In Parliament In The Liberal Age 1848 19 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Economists In Parliament In The Liberal Age 1848 19 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Economists In Parliament In The Liberal Age 1848 19 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural

artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Economists In Parliament In The Liberal Age 1848 19 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals.
