**Hawkwood in Paris** Hubert Cole,1969      **John Hawkwood** William Caferro,2006-04-24 Winner 2008 Otto Gr ndler Book Prize The Medieval Institute Winner 2008 Otto Gr ndler Book Prize The Medieval Institute Notorious for his cleverness and daring John Hawkwood was the most feared mercenary in early Renaissance Italy Born in England Hawkwood began his career in France during the Hundred Years War and crossed into Italy with the famed White Company in 1361 From that time until his death in 1394 Hawkwood fought throughout the peninsula as a captain of armies in times of war and as a commander of marauding bands during times of peace He achieved international fame and city states constantly tried to outbid each other for his services for which he received money land and in the case of Florence citizenship a most unusual honor for an Englishman When Hawkwood died the Florentines buried him with great ceremony in their cathedral an honor denied their greatest poet Dante William Caferro s ambitious account of Hawkwood is both a biography and a study of warfare and statecraft Caferro has mined more than twenty archives in Britain and Italy creating an authoritative portrait of Hawkwood as an extraordinary military leader if not always an admirable human being      Sir John Hawkwood Stephen Cooper,2008-10-30 In Florence cathedral hangs a remarkable portrait by Uccello of Sir John Hawkwood the English soldier of fortune who commanded the Florentine army at the age of 70 and earned a formidable reputation as one of the foremost mercenaries of the late middle ages His life is an amazing story He rose from modest beginnings in an Essex village fought through the French campaigns of Edward III went to Italy when he was 40 and played a leading role in ceaseless strife of the city states that dominated that country His success over so many years in such a brutal and uncertain age was founded on his exceptional skill as a soldier and commander and it is this side of his career that Stephen Cooper explores in this perceptive and highly readable study      **Voices of the Renaissance** John A. Wagner,2022-02-04 The documents in this collection trace the course of the Renaissance in Italy and northern Europe describing the emergence of a vibrant and varied intellectual and artistic culture in various states cities and kingdoms Voices of the Renaissance Contemporary Accounts of Daily Life contains excerpts from 52 different documents relating to the period of European history known as the Renaissance In the 14th century the rise of humanism a philosophy based on the study of the languages literature and material culture of ancient Greece and Rome led to a sense of revitalization and renewal among the city states of northern Italy The political development and economic expansion of those cities provided the ideal conditions for humanist scholarship to flourish This period of literary artistic architectural and cultural flowering is today known as the Renaissance a term taken from the French and meaning rebirth The Italian Renaissance reached its height in the 15th and early 16th centuries In the 1490s the ideals of the Italian Renaissance spread north of the Alps and gave rise to a series of national cultural rebirths in various states In many places this Northern Renaissance extended into the 17th century when war and religious discord put an end to the Renaissance era      **Transnationalism in Ancient and Medieval Societies** Michael C. Howard,2014-01-10 While

scholars have long documented the migration of people in ancient and medieval times they have paid less attention to those who traveled across borders with some regularity This study of early transnational relations explores the routine interaction of people across the boundaries of empires tribal confederacies kingdoms and city states paying particular attention to the role of long distance trade along the Silk Road and maritime trade routes It examines the obstacles voyagers faced including limited travel and communication capabilities relatively poor geographical knowledge and the dangers of a fragmented and shifting political landscape and offers profiles of better known transnational elites such as the Hellenic scholar Herodotus and the Venetian merchant Marco Polo as well lesser known servants merchants and sailors By revealing the important political economic and cultural role cross border trade and travel played in ancient society this work demonstrates that transnationalism is not unique to modern times Instructors considering this book for use in a course may request an examination copy here

**Hawkwood** David Donachie,2023-07-01 Fourteenth century Italy The Hundred Years War is over and the country is in upheaval as desperate cities struggle against both each other and venal Papal rule Unable to rely on their own citizens to fight their battles the cities and popes are forced to pay vast amounts of money to mercenary forces to fight on their behalf Newly knighted Sir John Hawkwood is headed for France to make his fortune A valiant Englishman shrewd and relentless on the battlefield he soon finds himself fighting for and against any state of Italy prepared to pay handsomely If none will pay he and the White Company brutally seize what they desire It is a world of massacre and pillage in which life is less than cheap and no one can be trusted To survive a man has to be quick thinking fleet of foot and strong in his sword arm and Hawkwood is such a man *Hawkwood's Sword* Christian Cameron,2021-07-08 One of the finest writers of historical fiction in the world BEN KANE THE BRAND NEW MEDIEVAL ADVENTURE FROM THE MASTER OF HISTORICAL FICTION 1368 France Spain and England prepare for war In Italy the Pope and the Visconti princes are battling for bloody supremacy The worst years of Sir William Gold s life are about to begin Leaving the side of his commander Sir John Hawkwood William embarks on a new journey that will bring him fame and favour until a heart breaking personal tragedy leads him to put down his sword But men of war can t stay out of battle for long Gold yearns to return to Italy and rejoin Hawkwood Only now the game of the Italian Princes is changing and as chaos descends Gold must finally decide who he stands for Praise for Christian Cameron The master of historical fiction SUNDAY TIMES A storyteller at the height of his powers HISTORICAL NOVEL SOCIETY Superb THE TIMES A sword slash above the rest IRISH EXAMINER
