

A photograph of a cable-stayed bridge, likely the San Francisco-Oakland Bay Bridge, during a sunset. The bridge's dark steel structure is silhouetted against a sky with soft, warm clouds in shades of orange, pink, and purple. The sun is a bright, glowing orb on the right side of the frame, its light reflecting on the calm water below. The bridge's cables and towers are visible on the left, and the bridge deck extends towards the horizon.
