

## **Bush Hay**

**The stamp of Scotland is on his face,  
But he sailed to the South a lad,  
And he does not think of the black bleak hills  
And the bitter hard youth he had;  
He thinks of a nearer and dearer past  
In the bright land far away,  
When the teams went up and the teams came down,  
In the days when they made bush hay.**

**The fare was rough and the bush was grim  
In the “years of his pilgrimage”,  
But he gained the strength that is still with him  
In his hale, late middle age.  
He thinks of the girl at the halfway inn  
They use as a barn to-day—  
Oh, she was a dumpling and he was thin  
In the days when they made bush hay.**

**The ration teams to the Bathurst Plains  
Were often a fortnight full.  
And they branched all ways in the early days  
And back to the port with wool.  
They watched for the lights of old Cobb & Co.  
That flashed to the West away,  
When drivers drove six on a twelve-mile stage  
In the days when they made bush hay.**

**He has made enough, and he’s sold his claim,  
And he goes by the morning train,  
From the gold-field town in the sultry West  
To his home by the sea again,  
Where a bustling old body’s expecting him  
Whose hair is scarcely grey,  
And she was the girl of the halfway house  
In the days when they made bush hay.**

*Henry Lawson*
