Hazards Of Being Male:

The Hazards of Being Male Herb Goldberg,2000 **Hazards of Being Male** Herb Goldberg,1977-05-01 **Hazards of Being a Man** Jeffrey E. Miller,2007-04-01 The problems men face today are not new they have been around since the time of the Bible Insensitivity lust individualism absence manipulation unresolved anger even a cursory study of Bible characters will expose all of these moral and emotional battles Jeffrey E Miller challenges men to acknowledge their common struggles and weaknesses to help them become better men Developed from his featured Bible teaching series on Bible org Occupational Hazards of Being a Man focuses on a different Old Testament personality with a unique problem in every chapter Miller tackles these tough and pervasive issues to help men realize that these hazards are not unique to them but that they are issues that all men face and can overcome This honest and freeing book is perfect for men s small groups pastors counselors and individuals **Does Your Man Have the Blues?** David Hawkins,2004-08-01 Depression in men even Christian men has reached epidemic proportions Though clouded by secrecy and denial depression can powerfully shape a man s personality He may talk and act in ways that baffle the woman in his life and leave her feeling unable to connect with him and powerless to help But help is available Licensed clinical psychologist Dr David Hawkins brings this problem out into the open with unusual compassion and clarity He describes the telltale signs of male depression pinpoints some of the causes and offers suggestions to those who would help Married women will readily connect with this frank discussion as they recognize familiar scenarios and learn how to determine if their man has the blues The (M)other Tongue Shirley N. Garner,Claire Kahane,Madelon S. Sprengnether,2019-06-30 This timely and provocative collection of sixteen essays combines feminist and psychoanalytic approaches to literary theory and to the reading of literary texts It demonstrates not only the ways in which psychoanalytic theory can illuminate traditional literary texts but also the ways in which feminist theory can modify enlarge and in some instances transform the body of psychoanalytic literature Treating psychoanalysis as a form of narrative as well as a method of interpretation the editors have divided their collection into three sections 1 interpretations of the relation between contemporary feminism and Freud 2 rereadings of classic patriarchal texts in the light of psychoanalytic feminism and 3 readings of texts by women writers that have subverted patriarchal structures and given authoritative new voice to the maternal figure Many of the essays make original contributions to the current debate about the conjunction of Freud and feminism others offer innovative readings of specific texts that illustrate the significance of that relation The Introduction provides an up to date survey of feminist psychoanalytic theory and enumerates the central issues Because of the diversity of critical perspectives it offers and the range of texts it considers this rich and important book will attract a broad spectrum of readers In Search of Manhood Don H. Corrigan,2024-08-15 American men began an earnest search for the meaning of manhood in the latter half of the 20th century and enlisted in such groups as Promise Keepers Million Man March National Congress of Men and fathers rights groups This study chronicles those

movements as well as the more visible male activism of today in such groups as Proud Boys Three Percenters and Oath Keepers The book explores the misogyny and militancy embodied in these new quests for manhood The first section covers pop culture influences on conceptions of masculinity and moves from celebrity iconography to the institutional and organizational influences that men have relied on in the effort to make themselves masculine The second section describes masculinity and men s movements in the 20th century and the third section covers the 21st The final chapters analyze the contrast between the more thoughtful men s movements before the turn of the century and the more militant and physical movements after 2000 posing and addressing critical questions about the relationship between prevailing ideals of masculinity and events like the January 6th insurrection

Gender, Fantasy, and Realism in American Literature

Alfred Habegger,1982 In this study of the 19th century American novel the author demonstrates the imaginative continuity between sentimental and realistic fiction and sets out to establish that realism is the central and preeminent literary type in America a mode grounded in the tradition of women s popular fiction which shaped the nation s reading habits in the mid 19th century He examines this feminine literature with its common technique of symbolizing deeper social conflicts through patterns of courtship marriage and gender roles Contends that Howells and James owe much of their fictional domain to the often disparaged household dramas of these female precursors

Marked Men

Sally Robinson,2000-08-31 White men still hold most of the political and economic cards in the United States yet stories about wounded and traumatized men dominate popular culture Why are white men jumping on the victim bandwagon Examining novels by Philip Roth John Updike James Dickey John Irving and Pat Conroy and such films as Deliverance Misery and Dead Poets Society as well as other writings including The Closing of the American Mind Sally Robinson argues that white men are tempted by the possibilities of pain and the surprisingly pleasurable tensions that come from living in crisis
