**God in Action: Seen if Your Eyes Are Open and Your Heart Is Humble** Rev. Curtis Shipman DD, 2025-01-27. This book contains some of the experiences and lessons I have had over the last twenty-five years I have found as a Christian. I am always learning, and the more I learn, the more there is to learn. God gave me a gift of not just believing in him but making sure I know him. There is neither man nor government that can change my mind about the Lord, my God. I hope this book will inspire its readers to find their place in God's house, the house not made with man's hands but the house in heaven, the place prepared for us by Jesus Christ. I also hope that this book will inspire the readers to stand for what is right in God's eyes. Teach others about God's kingdom before it is too late. Find love and forgiveness for all our neighbors, friends, and persons that have trespassed against us, for if we do not forgive others, there will not be forgiveness for us.

*Participation* John Morgan Hamilton, 2010-08-11. *Participation* is a journey with a man trying to change the way Americans feel about September 11, 2001, and the military who died in Iraq and Afghanistan. Based on true events, a former soldier connects honor in serving his country with future economic growth to help communities and neighborhoods by designing the park of all parks after serving one year in Iraq. The stories found in this book can help a person unlock the doors to personal success from life experiences. With no training, a soldier creates a model park in a project like no other park in American history to honor a family he has known for half his life. In the midst of working on the project and helping his brother with his inventions, he uncovers a few skeletons on this journey. Fighting PTSD from serving in Iraq, dishonest individuals in the military, and homelessness, he discovers a plot over twenty years old with his brother as a target with possible murder coverups, missing persons, broken state and federal laws to take a product that could gain control over a twelve-billion-dollar market. Mr. Hamilton's military training comes in very handy with the help from unknown places and old friends; their motto: "We serve to honor, we honor to serve." First-time author John Morgan Hamilton opens a world most people don't talk about. In a four-book series, *Participation* introduces a man, a father, a soldier, and the battles he had to face for honor, fellow-falling Americans.

*The End, as It Happens to Quade* Randy Dolph, 2015-12-09. The whole world has followed the example of America's new civil war, which is fought in the streets now of every nation. The unrest the planet then feels turns into something else as

nation begins to take on nation When China feels itself truly in harms ways it releases a virus that it has long been working on and smiles as it gives its citizens the antidote When it all backfires the population is reduced from billions to a few hundred thousand spread thinly around the globe The end The apocalypse No zombies No undead terror Now just survival Quade an ex Navy SEAL having long ago been thrown into prison for a crime committed in his youth finds his new found freedom all that he thought it would be minus the people of course which suits him just fine He quickly finds however that he has a chance at redeeming the things that went wrong in his youth Getting involved means he could lose his longed for unshackled life but he knows he cannot turn away Soon the loner becomes a part of a small group of survivors one of which hates civilization and all of its scary possibilities Agreeing however their need for supplies outweighs such chance of encounters they enter the outskirts of a large city in the rainy parts of lower Oregon They find a train terminal to use as a base and start their search More decisions must be made as Quade and his new team find a small group of survivors fighting for their place in the twisted world as a large new age cult headed by a man calling himself The Crown bares down on them Quade tries to ignore the groups psychic as they make plans Whatever they are going to do they need to make it fast The train terminal seems to all like a good place to start

having fought for a single grain of rice and witnessed unbelievable cruelties such as mothers crushing their babies young children willing to kill for a morsel of food and the entire decimation of normal urban life Bamboo Promise is author Vicheara Houns story of her survival This is the remarkable and intensely personal autobiography of a woman raised as the sheltered and privileged only child of a prominent Cambodian family As a young bride she and her entire family were swept up in the Cambodian genocide of the 1970s Houn recounts how she adapted and survived in the harsh killing fields of the Khmer Rouge terrorists in this compelling narrative Although the author survived many horrors Bamboo Promise is not a horror story It is the story of the evolution of a human spirit as she endured a tumultuous upbringing and an unspeakable tragedy The insights into life after Pol Pots defeat and Cambodias subjection by the Communist Vietnamese are particularly unique Bamboo Promise is also a story of hope as Houn found lasting happiness in the United States
