He Died On Main Street:

The Death and Life of Main Street Miles Orvell, 2012-10-01 For more than a century the term Main Street has conjured up nostalgic images of American small town life. Representations exist all around us from fiction and film to the architecture of shopping malls and Disneyland. All the while the nation has become increasingly diverse exposing tensions within this ideal. In *The Death and Life of Main Street* Miles Orvell wrestles with the mythic allure of the small town in all its forms illustrating how Americans continue to reinscribe these images on real places in order to forge consensus about inclusion and civic identity especially in times of crisis. Orvell underscores the fact that Main Street was never what it seemed it has always been much more complex than it appears as he shows in his discussions of figures like Sinclair Lewis Willa Cather Frank Capra Thornton Wilder Margaret Bourke White and Walker Evans. He argues that translating the overly tidy cultural metaphor into real spaces as has been done in recent decades especially in the new urbanist planned communities of Elizabeth Plater Zykberk and Andres Duany actually diminishes the communitarian ideals at the center of this nostalgic construct. Orvell investigates the way these tensions play out in a variety of cultural realms and explores the rise of literary and artistic traditions that deliberately challenge the tropes and assumptions of small town ideology and life. *Main Street* Nicky Rossiter, 2018-04-16 Wexford is one of the few towns or cities in Ireland where Main Street is still the main retail and commercial street of the town. In Dublin this honour goes to O'Connell and Grafton Street in Cork it is Patrick Street but in Wexford Main Street is the hub and the site of Wexford's hidden historical gems. Main Street Heart of Wexford contains little known photographs interesting advertisements and intriguing information about the street such as the presence of a bag factory on South Main Street. Frank Hall of Radio Telefis Eireann being the official opener of the Book Centre in Wexford on 13 June 1975 and that Lamb House was a shop at the top of Anne Street on the south side and had a life size lamb as its shop sign. Both insightful and comprehensive this book is a wonderful history concentrating on the principal street of Wexford.

devastation of a hurricane Using case studies to illustrate her findings Fullilove turns our eyes to the cracks in city centers the parts of the city that tend to be avoided or ignored Providing a framework for those who wish to see their communities revitalized Fullilove's Main Street encourages us all to look both inward and outward to find the assets that already exist to create meaningful change

Death Valley and the Amargosa Richard E. Lingenfelter, 1988-01-11 This is the history of Death Valley where that bitter stream the Amargosa dies It embraces the whole basin of the Amargosa from the Panamints to the Spring Mountains from the Palmettos to the Avawatz And it spans a century from the earliest recollections and the oldest records to that day in 1933 when much of the valley was finally set aside as a National Monument This is the story of an illusory land of the people it attracted and of the dreams and delusions they pursued the story of the metals in its mountains and the salts in its sinks of its desiccating heat and its revitalizing springs and of all the riches of its scenery and lore the story of Indians and horse thieves lost argonauts and lost mine hunters prospectors and promoters miners and millionaires stockholders and stock sharps homesteaders and hermits writers and tourists But mostly this is the story of the illusions the illusions of a shortcut to the gold diggings that lured the forty niners of inescapable deadliness that hung in the name they left behind of lost bonanzas that grew out of the few nuggets they found of immeasurable riches spread by hopeful prospectors and calculating con men and of impenetrable mysteries concocted by the likes of Scotty These and many lesser illusions are the heart of its history
