Head Face Masks In Navaho Ceremonialis:

Navajo Ceremonial Baskets Georgiana Kennedy Simpson, 2003 This well documented work beautifully illustrated with over 100 full color photographs of baskets weavers and elated objects details the history origins and meanings of these creations Features in depth interviews with medicine men and a section honoring a enw generation of Navajo weavers A glossary of essential Navajo words is included

Head and Face Masks in Navaho Ceremonialism Berard Haile, 1996 Father Berard Haile d 1955 spent a lifetime studying and recording Navajo ceremonial practices His ethnographic work was held in wide regard by contemporary anthropologists and he is still commonly cited by present day students of Navajo ceremonialism Originally issued in a limited edition in 1947 Head and Face Masks in Navaho Ceremonialism presents information on masks and their uses most of it obtained in 1908 from one family of singers and supplemented over the following forty years It offers a detailed account of the necessary attributes of Navajo masks and their construction At the heart of the book is a day by day account of the nine day Nightway healing practice now the primary ceremony in which masks are used There is also a discussion of two masks Haile attributes to the Upward Reaching Way no longer practiced An addendum by Robert Young updates Haile s Navajo orthography In this work Haile reports what he was told with a minimum of interpretation assumption or opinion The result is a Navajo account of the origin of the ye ii or Holy People whom the masks and associated sand paintings personify

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Diné Peter Iverson, 2002-08-28 This comprehensive narrative traces the history of the Navajos from their origins to the beginning of the twenty first century Based on extensive archival research traditional accounts interviews historic and contemporary photographs and firsthand observation it provides a detailed up to date portrait of the Din past and present that will be essential for scholars students and interested general readers both Navajo and non Navajo As Iverson points out Navajo identity is rooted in the land bordered by the four sacred mountains At the same time the Navajos have always incorporated new elements new peoples and new ways of doing things The author explains how the Din remember past promises recall past sacrifices and continue to build upon past achievements to construct and sustain North America s largest native community Provided is a concise and provocative analysis of Navajo origins and their relations with the Spanish with other Indian communities and with the first Anglo Americans in the Southwest Following an insightful account of the traumatic Long Walk era and of key developments following the return from exile at Fort Sumner the author considers the major themes and events of the twentieth century including political leadership livestock reduction the Code Talkers schools health care government economic development the arts and athletics Monty Roessel Navajo an outstanding photographer is Executive Director of the Rough Rock Community School He has written and provided photographs for award winning books for young people

Head and Face Masks in Navaho Ceremonialism Berard Haile, 1978 A detailed account of the necessary attributes of Navajo masks and their construction At the heart of the book is a day by day

account of the nine day Nightway healing practice now the primary ceremony in which masks are used **Ceremonial of Hasjelti Dailjis and Mythical Sand Painting of the Navajo Indians** James Stevenson, 1891 **Masks and Masking** Gary Edson, 2015-07-11 For at least 20 000 years masking has been a mark of cultural evolution and an indication of magical religious sophistication in society This book provides a comprehensive understanding of the mask as a powerful cultural phenomenon a means by which human groupings attempted to communicate their dignity and sense of purpose as well as establish a continuum between the natural and supernatural worlds It addresses the distinctive environments within which masks flourished and analyzes the mask as a manifestation of art ethnology and anthropology **Astronomy Across Cultures** Helaine Selin, 2012-12-06 Astronomy Across Cultures A History of Non Western Astronomy consists of essays dealing with the astronomical knowledge and beliefs of cultures outside the United States and Europe In addition to articles surveying Islamic Chinese Native American Aboriginal Australian Polynesian Egyptian and Tibetan astronomy among others the book includes essays on Sky Tales and Why We Tell Them and Astronomy and Prehistory and Astronomy and Astrology The essays address the connections between science and culture and relate astronomical practices to the cultures which produced them Each essay is well illustrated and contains an extensive bibliography Because the geographic range is global the book fills a gap in both the history of science and in cultural studies It should find a place on the bookshelves of advanced undergraduate students graduate students and scholars as well as in libraries serving those groups *Archaeoastronomy* , 1983 **Ceremonial Costumes of the Pueblo Indians** Virginia More Roediger, 2023-12-22 When the University of California Press first published Roediger s Ceremonial Costumes of the Pueblo Indians in 1941 it was immediately hailed as both a beautiful book and the most comprehensive description ever of the making and meaning of the Pueblo costumes of New Mexico and Arizona It has been widely acknowledged as a classic and eagerly sought after in antiquarian bookstores Exactly fifty years after its original publication here is the book back in print with a new introduction by the renowned anthropologist Fred Eggan Roediger s vivid paintings are reproduced once more in full color capturing the beauty and drama of the Pueblo ceremonies the turquoise dance moccasins the tableted headdress of the Zuni corn maidens the bright blanketed Kachina maiden and the buffalo brilliant eagle and horned deer costumes It was Roediger who first viewed the ceremony and ritual of the Pueblo peoples as dramatic performance a view that has gained great currency since As a student of drama at Yale University she was fascinated by the intensely theatrical dimension to Pueblo worship and it is this original perspective that informs and illuminates her study After a brief survey of the history location and life of the Pueblo peoples Roediger embarks on a thorough analysis of the materials used in the Pueblo costumes She explains both their symbolic significance and their manufacture from the weaving of cloth and the tanning of leather to the preparation of birds feathers evergreens paints and dyes She then provides a meticulous description of the costumed dancer body paint garments ornaments accessories and dance properties such as rattles headdresses and masks In her final section Roediger explores the relation of the costumes to

the prayer dramas particularly to the reverential solemn ecstatic public dance with which these climax Vivid details emerge here about such rituals as the animal dances from the Rio Grande region and the Rain Dance of the Zuni Fifty years after its original publication Virginia Roediger s book remains the most comprehensive study of the ceremonial costumes of the Pueblo peoples A book of great visual appeal and unrivaled detail it will be welcomed back by scholars and general readers alike When the University of California Press first published Roediger s *Ceremonial Costumes of the Pueblo Indians* in 1941 it was immediately hailed as both a beautiful book and the most comprehensive description ever of the making and meaning of the Pueblo co

American Indian Persistence and Resurgence Karl Kroeber,1994 This collection celebrates the resurgence of Native Americans within the cultural landscape of the United States During the past quarter century the Native American population in the United States has seen an astonishing demographic growth reaching beyond all biological probability as increasing numbers of Americans desire to admit or to claim Native American ancestry This volume illustrates a unique moment in history as unprecedented numbers of Native Americans seek to create a powerful flexible sense of cultural identity Diverse commentators including literary critics anthropologists ethnohistorians poets and a novelist address persistent issues facing Native Americans and Native American studies today The future of White Indian relation the viability of Pan Indianism tensions between Native Americans and North American anthropologists and new developments in ethnohistory are among the topics discussed The survival of Native Americans as recorded in this collection an expanded edition of a special issue of *boundary 2* brings into focus the dynamically adaptive values of Native American culture Native Americans persistence in U S culture not disappearing under the pressure to assimilate or through genocidal warfare reminds us of the extent to which any living culture is defined by the process of transformation Contributors Linda Ainsworth Jonathan Boyarin Raymond J DeMallie Elaine Jahner Karl Kroeber William Overstreet Douglas R Parks Katharine Pearce Jarold Ramsey Wendy Rose Edward H Spicer Gerald Vizenor Priscilla Wald

Ceremonial Costumes of the Pueblo Indians ,
Handbook of Culture, Therapy, and Healing Uwe P. Gielen,Jefferson M. Fish,Juris G. Draguns,2012-10-12 Emotional as well as physical distress is a heritage from our hominid ancestors it has been experienced by every group of human beings since our emergence as a species And every known culture has developed systems of conceptualization and intervention for addressing it The editors have brought together leading psychologists psychiatrists anthropologists and others to consider the interaction of psychosocial biological and cultural variables as they influence the assessment of health and illness and the course of therapy The volume includes broadly conceived theoretical and survey chapters detailed descriptions of specific healing traditions in Asia the Americas Africa and the Arab world The *Handbook of Culture Therapy and Healing* is a unique resource containing information about Western therapies practiced in non Western cultures non Western therapies practiced both in their own context and in the West

Shamanism Gary Edson,2014-04-14 The ancient practice of shamanism touches many cultures and spiritual philosophies This book offers an in depth look at the beliefs and practices centered on

the shaman a person believed to have powers to heal and communicate with the spirit world It explores shamanism and its associated myths artifacts and legends as a communally endorsed acknowledgment of the supernatural or spirit world that evolved in the Neolithic Period and continues to appeal today The work is heavily illustrated featuring more than 90 of the author's drawings of masks fetishes carvings and ongon and 40 rare photographs of shamans medicine men and women and healers

The Taking and Displaying of Human Body Parts as Trophies by Amerindians Richard J. Chacon, David H. Dye, 2007-08-21 This edited volume mainly focuses on the practice of taking and displaying various body parts as trophies in both North and South America The editors and contributors which include Native Peoples from both continents examine the evidence and causes of Amerindian trophy taking Additionally they present objectively and discuss dispassionately the topic of human proclivity toward ritual violence This book fills the gap in literature on this subject

Masks, Heads, and Faces Ellen Russell Emerson, 1891 The Hopi Indian Collection in the United States National Museum Walter Hough, 1918

Indian Rock Art of the Southwest Polly Schaafsma, 1986-07 The comprehensive book on Indian petroglyphs in the Southwest

American Indian Medicine Ways Clifford E. Trafzer, 2017-10-17 Indigenous people of wisdom have offered prayers of power protection and healing since the dawn of time From Wovoka the Ghost Dance prophet to contemporary healer Kenneth Coosewoon medicine people have called on the spiritual world to help humans in their relationships with each other and the natural world Many American Indians past and present have had the ability to use power to access wisdom knowledge and spiritual understanding This groundbreaking collection provides fascinating stories of wisdom spiritual power and forces within tribal communities that have influenced the past and may influence the future Through discussions of omens prophecies war peace ceremony ritual and cultural items such as masks prayer sticks sweat lodges and peyote this volume offers examples of the ways in which Native American beliefs in spirits have been and remain a fundamental aspect of history and culture Drawing from written and oral sources the book offers readers a greater understanding of creation narratives oral histories and songs that speak of healers spirits and power from tribes across the North American continent American Indian medicine ways and spiritual power remain vital today With the help of spirits people can heal the sick protect communities from natural disasters and mediate power of many kinds between the spiritual and corporeal worlds As the contributors to this volume illustrate healers are the connective cloth between the ancient past and the present and their influence is significant for future generations
