Headhunting In The Solomon Islands: Around The Coral Sea Caroline Mytinger, 2016-01-18 More than 80 years ago Caroline Mytinger a portrait artist and her childhood friend Margaret Warner set out by freighter from San Francisco with little more than 400 in their pocket and a tin of paints to their name Their objective was to paint portraits of the tribal people of Papua New Guinea and the Solomon Islands before the encroachment of modern European style culture changed their lives forever This gripping book tells of the two women s experiences whilst travelling through Melanesia between 1926 and 1930 *Headhunting in the Solomon Islands, Around the Coral Sea. [Wealth of the Solomons](#) Judith A. Bennett,1987-05-01 Du site de l d The history of the Solomon Islands is in itself an intriguing story and Dr Bennett tells it more than well The depth and breadth of the work is impressive in at least two respects First it covers events in the Solomons from initial European contact in the middle 1500s to the country s emergence as an independent and sovereign state in 1978 Second all facets of colonial history are covered to name only a few the early contact period the whaling trade the development of plantations the nature of British colonial rule and missionization Considering the scope of this volume it represents a definitive history of the Solomon Islands and it will remain so for many years to come *Melanesians and Missionaries* Darrell L. Whiteman,2002-05-10 In *Melanesians and Missionaries* one of the best of the younger generation of missionary anthropologists demonstrates that a commitment to the missionary enterprise on the part of a solid scholar facilitates rather than hinders the anthropological study of a missionary topic This is better anthropology because Dr Whiteman is able to probe more deeply into his topic and demonstrates that he understands and appreciates both Melanesians and missionaries Charles H Kraft Professor of Anthropology School of World Mission Fuller Theological Seminary Pasadena [The Ambassador's Son](#) Homer H. The White Headhunter Nigel Randell, 2013-08-22 Shanghai'd in San Francisco in 1868 teenage Scots sailor Jack Renton then found himself on a voyage into the heart of darkness Escaping from his floating prison in an open whaleboat Renton drifted for 2000 miles only to be washed up on the shores of a Pacific island shunned by 19th century mariners Malaita in the Solomon Islands There he was stripped of his clothes by headhunters and forced to go native to survive Initially a slave to their chief Kabou he eventually became the man's most trusted warrior and adviser Renton's own account of his eight year exile published after he was rescued remains the only authenticated account of a mental and physical ordeal that still haunts the imagination to this day It caused a sensation at the time though it is now clear that it airbrushed out most of the key events Researching the Renton legend Nigel Randell spent several years talking to the Malaitans and piecing together a very different account from Renton's sanitised version The ultimate irony is that a man so keen to conceal his crimes should have bequeathed their evidence a necklace of 60 human teeth to a collector who donated it to a national museum

Risky Shores George Behlmer, 2018-07-17 In sparkling seamless prose Risky Shores offers fresh insights into the cultural encounters between the British and the Melanesians Dane Kennedy author of Decolonization Why did the so called Cannibal Isles of the Western Pacific fascinate Europeans for so long Spanning three centuries from Captain James Cook's death on a Hawaiian beach in 1779 to the end of World War II in 1945 this book

considers the category of the savage in the context of British Empire in the Western Pacific reassessing the conduct of Islanders and the English speaking strangers who encountered them Sensationalized depictions of Melanesian savages as cannibals and headhunters created a unifying sense of Britishness during the nineteenth and early twentieth centuries These exotic people inhabited the edges of empire and precisely because they did Britons who never had and never would leave the home islands could imagine their nation s imperial reach George Behlmer argues that Britain s early visitors to the Pacific mainly cartographers and missionaries wielded the notion of savagery to justify their own interests But savage talk was not simply a way to objectify and marginalize native populations it would later serve also to emphasize the fragility of indigenous cultures Behlmer by turns considers cannibalism headhunting missionary activity the labor trade and Westerners preoccupation with the perceived primitiveness of indigenous cultures arguing that British representations of savagery were not merely straightforward expressions of colonial power but also belied home grown fears of social disorder A wonderful book beautifully researched compellingly written and vitally important to debates about race relations and agency in the Pacific world The result is an intellectual feast Jane Samson author of *Race and Redemption* *Bitter Bellies CBMU 572 & 573, 1944 - 1945* , *The Long Journey* Maria Pia Di Bella, Brian Yothers, 2020-11-01 Travel writing has for centuries composed an essential historical record and wide ranging literary form reflecting the rich diversity of travel as a social and cultural practice metaphorical process and driver of globalization This interdisciplinary volume brings together anthropologists literary scholars social historians and other scholars to illuminate travel writing in all its forms With studies ranging from colonial adventurism to the legacies of the Holocaust *The Long Journey* offers a unique dual focus on experience and genre as it applies to three key realms memory and trauma confrontations with the Other and the cultivation of cultural perspective *Dark Trophies* Simon Harrison, 2012 Many anthropological accounts of warfare in indigenous societies have described the taking of heads or other body parts as trophies But almost nothing is known of the prevalence of trophy taking of this sort in the armed forces of contemporary nation states This book is a history of this type of misconduct among military personnel over the past two centuries exploring its close connections with colonialism scientific collecting and concepts of race and how it is a model for violent power relationships between groups Pub desc **Race Contact** Earl Edward Muntz, 1927 *The Statesman's Year-Book* M.
