**The Administration Proposal for Head Start Reauthorization** United States. Congress. Senate. Committee on Labor and Human Resources. Subcommittee on Children, Family, Drugs and Alcoholism, 1994 **The Hidden History of Head Start** Edward Zigler, Sally J. Styfco, 2010-05-07 Currently enrolling approximately 900 000 poor children each year Head Start has served 25 million children and their families since it was established 44 years ago Presidents and policymakers have embraced and scorned it At times scientists have misguided it and the media has misunderstood it Despite its longevity and renown much of Head Start s story has never been disclosed to the general public The Hidden History of Head Start is a detailed account of this remarkable program Surveying projects that were forerunners of Head Start its birth during the Johnson administration its fate during the presidency of George W Bush and the many years between as well as what the future may hold in store for Head Start Edward Zigler and Sally Styfco offer an inside view of the program s decades of service detailing the ever changing waves of politics ideology science media interest and public mood that oftentimes threatened the program s very existence Providing a balanced assessment of Head Start s effectiveness which has been a matter of debate since its inception the authors also strive to answer questions that continue to pervade discussions about the program and its future For example why is Head Start a leader of early childhood services still struggling to prove itself Why does it serve such a narrow segment of the population And how can Head Start continue its mission as universal preschool becomes a reality The Hidden History of Head Start will be of great importance to those who shape Head Start s future and to those who wish to develop research and implement new early childhood programs Students historians and scholars in the fields of early intervention and developmental science as well as policymakers will find here an invaluable resource as well as a fascinating chronicle of one of the foremost social programs in US history **Reauthorizing Head Start** United States. Congress. Senate. Committee on Health, Education, Labor, and Pensions, 2004 *The Family in America* Joseph M. Hawes, Elizabeth F. Shores, 2002-05-22 An incisive multidisciplinary look at the American family over the

past 200 years written by respected scholars and researchers Family in America offers two powerful antidotes to popular misconceptions about American family life historical perspective and scientific objectivity When we look back at our early history we discover that the idealized 1950s family characterized by a rising birthrate a stable divorce rate and a declining age of marriage was a historical aberration out of line with long term historical trends Working mothers we learn are not a 20th century invention most families throughout American history have needed more than one breadwinner In the exciting new scholarship described here readers will learn precisely what is new in American family life and what is not and acquire the perspective they need to appreciate both the genuine improvements and the losses that come with change
