Healing Power Of Blake A Distillation:

The Healing Power of Blake John Diamond, 2007-02 I believe Dr John Diamond to be the foremost living advocate for enhancing the Life Force through the Arts In this bok he reveals the poet William Blake as a healer of extraordinary power The Healing Power of Blake is strong medicine for our troubled times Richard Lippin M D **Blake. Wordsworth. Religion.** Jonathan Roberts, 2011-01-13 A reassessment of Romantic religion and the structure of modern religious debate argued through the history of interpretation of Blake s and Wordsworth s religious visions Matrophilia and the Inner Temple John Diamond, 2012-05-06 Matrophilia the love of and for the mother is the ultimate basis of health and the bedrock of Dr Diamond s work In this revelatory essay he explores the concept with characteristic depth and reveals a simple yet powerful meditation using the Inner Temple his name for the fourth ventricle of the brain the place where the Holy of Holies within each of us exists This short profoundly insightful work is an offering for the ages by one of the great healers of our time Art for Healing John Diamond, 2011-02-16 In this major statement on art and healing Dr John Diamond reveals his unique approach At its root are the twin concepts of Guidance that everything we do including all creativity is guided from the Spirit World and Matrophilia the love of the mother the ultimate basis of all health These two aspects are exemplified in Paleolithic cave art created by painter shamans for the purpose of healing I can in my mind very clearly see the ancient sufferers twenty or thirty thousand years ago stumbling through the passageways in almost total darkness climbing up and down all sorts of makeshift ladders and suddenly emerging into a cave filled with the most incredible paintings They would be overwhelmed by what had been done through not by the shamans They would become aware of a completely different world the World of Spirit and would see would feel nothing but Matrophilia in the cave And that was its healing Brilliantly integrating an astonishing array of learning from the spiritual to the psychological from ancient oriental art to Jackson Pollock and punctuated throughout by original insights Art for Healing offers an entirely new appreciation of art and by extension all human creativity as a modality for holistic health **Blake**, 2001 An illustrated quarterly The Meridians and Beyond John Diamond, 2015-09-08 The Meridians and Beyond is the second volume of writings selected from the milestone series of Diamond Reports newsletters that Dr Diamond created over many years for health professionals and students of his work The series as a whole presented his groundbreaking research in holistic health psychiatry acupuncture philosophy spirituality the Arts all bound together by the core concept of Life Energy the Healing Power within The focus of this second volume is Dr Diamond s pioneering research into the relationship between the acupuncture meridians and the emotions The papers cover important topics including relationships and marriage parenting the Will to be Well learning difficulties and much more Illustrated by many remarkable cases histories Dr Diamond builds on his earlier work such as his influential best sellers Your Body Doesn t Lie and Life Energy revealing key psychological syndromes and showing their relationship to particular meridians The Diamond Reports teem with insights and original findings that will benefit not only

those already familiar with Dr Diamond's work but also those new to it. His vision of total health which he now calls The Diamond Path of Life and which fuses the physical, emotional and spiritual aspects of medicine into a coherent whole manifests in practically every page of the reports which were far ahead of their time when they were produced and remain so even today.

Beyond the Obvious John Diamond, 2014-10-13 There is a level in the appreciation of all art forms that transcends any of the physical qualities of the creation. In photography it also transcends the imagery, the program and what we may call the message of the photograph. I believe that my Special Gift has always been to be able to look deeply into my patients and students through what I would call a photographer's eye seeing beyond the obvious and into the spirit, the soul of the subject. John Diamond M.D. In this magnificent collection of writings one of the world's great healers offers his insights into using photography as a therapeutic medium. Ranging from essays of a deep spirituality to practical advice for photographers at all levels of experience, *Beyond the Obvious* reflects a totally original approach developed by Dr Diamond over more than half a century of research and experimentation. The result is an inspirational book that shows us how to look beyond the obvious.

Holism and Beyond John Diamond, 2007-02 Holistic healing is based on the belief that a patient should be helped by a single doctor who, according to author Dr Diamond, believes that a true understanding of a patient is an understanding of his or her total universe. The caregiver must recognize the patient's individuality as well as appreciate the myriad of interrelationships in that person's universe. In *Holism and Beyond* Dr Diamond presents a complete explanation of his healing process which epitomizes the very essence of holism. Singing and Surgery John Diamond, 2014-10-13 Inspired by a series of surgical operations undergone by Dr Diamond in the spring of 2010, this remarkable book was created to encourage others to view surgery as a spiritual, transcendental experience rather than one rooted in fear and anxiety. The result is a unique, deeply personal collection of reflections, poems and meditations. Its themes include using the power of music innate in us all to help transcend traumatic experience such as surgery; a belief in the Spirit World and that everything that we do and that happens to us in our lives is the result of Guidance from that world. While these themes are found elsewhere in Dr Diamond's writings, nowhere are they expressed with such compelling concision, depth and coherence. *Singing and Surgery* exudes a spirituality and wisdom that confirms the author's place at the forefront of today's holistic doctor-healers. It will be an inspiration for anyone undergoing surgery, to those interested in the use of music as a therapeutic modality, and more generally, anyone interested in the spiritual dimension of medicine. A rare blend of psychiatrist, traditional healer and spiritual guide, Diamond has combined an eclectic array of cultural and healing arts to address the intractable issues of the human soul. Tom Monte, *East West Journal*.

Freedom From Fear John Diamond, 2011-07-10 Essential reading by one of the world's leading holistic healers, this remarkable book shows us how to rise above the fear that is both the cause and the consequence of economic instability. Psychological and emotional factors such as greed, selfishness and materialism are explored with depth and great

original insight so helping us to overcome them The full solution to transcending these problems however is through the actuation of our Life Energy the Healing Power within At its heart lie three concepts First the practice of altruism to freely give to others so that their Life Energy their desire to embrace all of their life may be enhanced as Dr Diamond puts it Second Tariki the realization that there is no self power only Other Power acting through us And third Belovedness the feeling of feeling loved especially by the mother which is the basis of all healing Written in response to the global financial crisis that began in 2007 this book is at once a brilliant examination of the psycho pathology of such crises and an inspirational guide powerfully showing us how to transcend their effects at both a personal and societal level

Arborophilia John Diamond,2011-10-01 I look at trees around me and I understand I feel I Know tree worship John Diamond M D Inspired by his lifelong love of trees Arborophilia is a magnificent collection of therapeutic writings by one of the great healers of our age Intensely personal yet accessible in style and ranging from single poetically stated thoughts to brief essays the book is infused with a deep spirituality and teems with remarkable highly original insights into its subject that can only enhance our respect for and relationship with the natural world And perhaps most importantly as with all Dr Diamond s writings each item is specifically designed to raise the Life Energy the innate healing power of the reader A remarkable uniquely powerful work essential reading for anyone interested in nature and healing Medicine and Beyond John Diamond,2014-06-14 Medicine and Beyond is the first of a three volume milestone collection of writings that confirms Dr Diamond s status as a global pioneer in the field of holistic medicine Originally appearing as newsletters created for health professionals and students under the title The Diamond Reports the collection presents his groundbreaking research in holistic health psychiatry acupuncture philosophy spirituality the Arts all bound together by the core concept of Life Energy the Healing Power within This first volume Medicine and Beyond contains one hundred of the original articles selected and organized into three sections Life Stories Thoughts from the Clinic and Philosophy It is essential reading for health professionals students of Dr Diamond s work and anyone interested in holistic health The book teems with insights and original findings and will benefit not only those already familiar with Dr Diamond s work but also those new to it His vision of total health which he now calls The Diamond Path of Life and which fuses the physical emotional and spiritual aspects of medicine into a coherent whole manifests in practically every page of the reports which were far ahead of their time when they were produced and remain so even today Creativity and Beyond John Diamond,2015-11-06 Creativity and Beyond is the third volume of writings selected from the milestone series of Diamond Reports newsletters that Dr Diamond created for health professionals and students of his work The series as a whole presented his groundbreaking research in holistic health psychiatry acupuncture philosophy spirituality the Arts all bound together by the core concept of Life Energy the Healing Power within The focus of this final volume is one central to Dr Diamond s work the therapeutic potential of creativity in all its forms As he has long shown artistic endeavor has tremendous power to raise the Life Energy of the

individual Included in the volume are major statements on painting drawing sculpture photography architecture dance poetry music and more which collectively offer a unique holistic perspective on using the arts for healing The book will benefit anyone potentially interested in creativity and healing whether at a professional or amateur level The Diamond Reports teem with insights and original findings that will benefit not only those already familiar with Dr Diamond s work but also those new to it His vision of total health which he now calls The Diamond Path of Life and which fuses the physical emotional and spiritual aspects of medicine into a coherent whole manifests in practically every page of the reports which were far ahead of their time when they were produced and remain so even today **Nendo Tamashii** John Diamond,2016-04-17 A Nendo Tamashii from the Japanese nendo clay and tamashii soul is a hand molded sphere of clay specially created with the intention of raising the Life Energy the innate Healing Power of the person holding it In its center a clear quartz crystal is embedded as its Soul the Soul in the clay The ultimate function of the nendo is to help the person find his own Soul his own Tamashii thereby easing his deepest suffering Neither sculpture nor pottery the nendo is surely one of Dr Diamond s most original contributions to using the arts for healing This exquisite collection is a series of writings inspired by the nendo concept With the unique combination of depth insight and spirituality that characterizes his work Dr Diamond explores the themes that surround the nendo through a series of short papers and poems The result is an inspirational collection which like the nendo itself is intended to raise the Life Energy of the reader Essential profoundly rewarding reading for anyone interested in holistic healing meditation or a higher philosophy of life Dr Diamond always shows us what true Healing is and how we can help others and ourselves I am sure this book will be one of our guides to Healing Dr Shigeto Toyama D C chiropractor Tokyo

The Pulse of Music John Diamond,2011-07-01 Dr Diamond s writings in music are unique No one has shown more clearly or described more inspirationally the relationship between music and health Peter Muir Ph D Dip I M H Director The Institute for Music and Health This book reminds us what really matters not the music of our heads and our fingers but the music that streams from the heart of each one of us Susan West Ph D Dip Mus Ed Convener Music Education Program Australian National University At once informative and inspirational this book deepens our understanding of the power of music and its ability to enhance our lives It is essential reading for anyone interested in the topic whether performer educator health professional or music lover My Painting Guidance John Diamond,2011-03-05 I have for quite some time felt very strongly that my painting is guided It always seemed not that I was doing it but that it was being done through me Renowned healer Dr John Diamond explores the influence of some of the spirit guides who have inspired his painting Su Shih a Chinese literatus of the Sung Dynasty the great poet painter Wang Wei and the approach of the Japanese nanga school A jewel among his writings My Painting Guidance is not only compelling in its own right but also offers a profoundly original statement about the very nature of the creative process *The Publishers Weekly* ,1886 **Beowulf to Blake** Paul Robert Lieder,Robert Kilburn Root,Robert Morss Lovett,1928 Books in Print Supplement ,2002 **Access** ,2001
