Linda K. Fuller,2011-09-12 This text provides a unique examination of The Christian Science Monitor a highly respected venerable news publication that has survived over a century of changes and challenges The Christian Science Monitor is one of the world s leading journalistic publications having won multiple Pulitzer prizes for its reporting CSM is innovative and forward thinking as well it was one of the first newspapers to provide an online copy of its daily reporting in 1996 well before the popularization of the Internet But just like other publications The Christian Science Monitor will need to continue to reinvent itself in order to stay relevant and solvent in the face of plummeting readership numbers corporate takeovers and a

widespread assumption that all of today's news sources are biased and inaccurate This book provides a thorough discussion of CSM's treatment of sensitive topics like terrorism international crises gender issues and sexual orientation The paper's attitudes toward ethnicity ethics economics philosophy and racism are also profiled The conclusion provides readers with an opportunity to draw upon their new knowledge of The Christian Science Monitor's past to project its direction for the future

*Unlimited Liability of State-owned Banks under the EC-Rules of State Aids* Ulrich Immenga, Joachim Rudo, 2012-12-06 The applicability of EC law of state aids to the state's unlimited liability for Savings Banks and Landesbanken is controversial Legal and political discussions following the Maastricht II Treaty tend to assume that liabilities have to be qualified as state aids However as the liabilities in question derive from public ownership they have to be distinguished from securities for corporate debts which might be qualified as state aids under EC law In this context the book discusses state aids to public companies and the private investor test of the EC Court of Justice The authors question the EC Commission's concept to quantify refinancing advantages which are supposed to be achieved by virtue of public liability
