Medicine, Miracle and Magic in New Testament Times Howard Clark Kee,1988-11-17 This book illustrates in detail the range of understandings of the human condition in New Testament times and remedies for ills that prevailed when Jesus and the apostles were spreading the Christian message and launching Christian communities in the Graeco Roman world

The New Testament and Bioethics R. Dennis Macaleer,2014-01-01 Beauchamp and Childress s Principles of Biomedical Ethics is a well accepted approach to contemporary bioethics Those principles are based on what Beauchamp and Childress call the common morality This book

employs New Testament theological themes to enhance the meaning of those principles of bioethics The primary New Testament text for this study is the twin commands from Jesus to love God and love one's neighbor The three theological themes developed from this study the image of God the covenant and the pursuit of healing are deeply embedded in the New Testament and in the ministry of Jesus Three contemporary bioethics principles are used for this dissertation based on The Belmont Report They are the principles of respect for persons justice and beneficence In each case the theological themes are shown to enhance the meaning of these bioethics principles Each of the three principles as understood through the three theological themes is applied to a current bioethics issue to demonstrate the efficacy of this approach The three current issues addressed are the withdrawal or withholding of life sustaining treatment the distribution of health care in the United States and the use of palliative care

That Teach About the Old Testament Applied New Testament Bible Commentary Tom Hale, Steve Thorson, 2012-12-10
The wisdom found in God's Word is timeless as relevant today as when it was first written And the challenge for believers remains unchanged how do we apply these truths to our everyday world The Applied Commentary series is a fresh approach to Bible study connecting great wisdom with your life today Each Scripture passage is enhanced with insights on key themes and ideas Featured articles provide a deeper look at essential concepts while the contemporary language allows for easy reading And because some subjects are open to interpretation for discussion we've included perspectives from leading theologians from all backgrounds and denominations The result An interactive approach to Scripture that will challenge your ideas and build your faith which is what reading the Bible is all about Healing in the Bible Frederick J. Gaiser, 2010-10 A respected biblical scholar offers a close reading of fifteen key biblical texts on healing considering their significance for the church's ministry today Theological Dictionary of the New Testament Gerhard Kittel, Gerhard Friedrich, Geoffrey W. Bromiley, 1985-07-10 Geoffrey W Bromiley has abridged this monumental theological dictionary into a convenient one volume edition that is accessible to all readers **The Healing Tradition of the New Testament** Douglas Ellory Pett, 2015-10-29
Over the last twenty years there has been a great surge of interest in the healing ministry yet this ferment of activity seems not to have been matched by an equally fresh or energetic study of healing in the New Testament which ostensibly forms the basis and is still claimed as supplying the inspiration for the revival of this ministry This work is the first serious critical study of healing in the New Testament as a discrete subject Its purpose is to arrive at a clearer understanding of what Scripture actually tells us about healing not what we imagine it says or hope that it might say not what we may have been led to believe it says nor indeed what we have sometimes been taught that it says but what the sacred authors actually wrote and more to the point what they meant by what they wrote **Introducing the New Testament** John William Drane, 2001 Drane's newest edition retains the clarity accessibility and graphic interest that have made it a favorite introduction for a decade This revised edition also adds a full account of recent scholarly developments in areas such as the historical Jesus the theologies of the four Gospels and the role of Paul in the transformation of the church into a separate movement from Judaism This edition also includes a new chapter on the interpretation of the New Testament
