**The Mystery of Water Cure** Dr. D. K. Olukoya, 2014-10-14 One of the most abundant resources on earth is water and of all things God created water is one force that is capable of absorbing the power of God As God is interested in water so also is the enemy of our soul the devil This is so because he knows that little will be achieved on earth without water and that over seventy five percent of the human body is made up of water Hence the devil uses it to manipulate the life of man That is why everyone must be adequately informed about how to use the water of God to counter the attacks of the enemy The Book in your hand opens your eyes to the efficacy of water as a powerful tool of deliverance and healing in the hands of the Almighty God
