The Gender Imperative Betty A. Reardon, Asha Hans, 2018-07-27 This collection of essays by feminist scholar activists addresses the crucial problem of human security in a world of heavily armed militarized states It describes the gendered aspects of human security excluded from the realist militarism that dominates current security policy in most nation states The book deepens and broadens current security discourses encouraging serious consideration of alternatives to the present global security system that functions to advantage state security over human security a system the contributors perceive to be rooted in the patriarchal nature of the nation state This second edition will be of interest to academics and students of gender studies women s studies international studies development studies human rights security studies peace studies and peace education

Human Rights in the World Community Richard Pierre Claude, Burns H. Weston, 2006-10-04 This unique textbook seeks to promote students critical and analytical skills and to provide a teacher friendly resource featuring in depth scholarly introductions to each chapter multiple questions for discussion and reflection and an extensive bibliography and annotated filmography

Routledge Handbook on Human Rights and the Middle East and North Africa Anthony Tirado Chase, 2016-11-10 Recent events such as Iran s Green Revolution and the Arab Uprisings have exploded notions that human rights are irrelevant to Middle Eastern and North African politics Increasingly seen as a global concern human rights are at the fulcrum of the region s on the ground politics transnational intellectual

debates and global political intersections The Routledge Handbook on Human Rights and the Middle East and North Africa emphasises the need to consider human rights in all their dimensions rather than solely focusing on the political dimension in order to understand the structural reasons behind the persistence of human rights violations explores the various frameworks in which to consider human rights conceptual political and transnational international discusses issue areas subject to particularly intense debate gender religion sexuality transitions and accountability contains contributions from perspectives that span from global theory to grassroots reflections emphasising the need for academic work on human rights to seriously engage with the thoughts and practices of those working on the ground A multidisciplinary approach from scholars with a wide range of expertise allows the book to capture the complex dynamics by which human rights have had or could have an impact on Middle Eastern and North African politics This book will therefore be a key resource for students and scholars of Middle Eastern and North African politics and society as well as anyone with a concern for Human Rights across the globe

Pathologies of Power Paul Farmer, 2005 Pathologies of Power uses harrowing stories of life and death to argue that the promotion of social and economic rights of the poor is the most important human rights struggle of our times

Reproductive Justice Joan C. Chrisler, 2012-02-13 Every woman in the world has the right to control her own body plan her family receive good quality medical care and give birth to a healthy baby This book takes a comprehensive look at the status of women's reproductive rights from a transnational human rights perspective Reproductive justice is a relatively new term that underscores the fact that the existence of reproductive rights does not mean that women are able to exercise those rights For women unable to exercise their rights for any number of reasons a lack of available services where they live lack of money or health insurance to pay for services being forbidden by family members to seek services the reality is they have no choices to make and possess little if any control over their own bodies regardless of what the government states their rights are Reproductive Justice A Global Concern provides a comprehensive and integrated examination of the status of reproductive rights for the world's women covering a wide range of reproductive rights issues Topics include women's rights to determine their own sexuality and choose their own partners rape sex trafficking fertility treatments and other assisted reproductive technologies contraception and abortion maternal and infant mortality postpartum support and breastfeeding
