The Age of Liutprand Christopher Heath,2024-11-14 The Age of Liutprand provides a thematic analysis of Lombard Italy in the pivotal early part of the 8th century It surveys the crucial role and rule of Liutprand 712 44 the powerful and effective Lombard king By restoring this successful exemplar of Lombard kingship to the centre of events and developments in the Italian peninsula this book pulls together all the pertinent evidence for a new kingship in Lombard Italy that used a sophisticated set of strategies to enhance deepen and expand its effectiveness In presenting an evaluation of Italy on the cusp of dramatic change this book explains how not only the kingship of Liutprand but also his legal reforms and his relationships with the Church and neighbouring peoples all contributed to a model of kingship successfully and subsequently deployed by Charlemagne and his successors later in the 8th century

The Allegory of Love in the Early Renaissance James Calum O'Neill,2023-07-31 Described as the most beautiful book ever printed previous research has focused on the printing history of the Hypnerotomachia and its copious literary sources This

monograph critically engages with the narrative of the *Hypnerotomachia* and with Poliphilo as a character within this narrative placing it within its European literary context Using narratological analysis it examines the journey of Poliphilo and the series of symbolic allegorical and metaphorical experiences narrated by him that are indicative of his metamorphosing interiority It analyses the relationship between Poliphilo and his external surroundings in sequences of the narrative pertaining to thresholds the symbolic architectural topographical and garden forms and spaces and Poliphilo's transforming interior passions including his love of antiquarianism language and Polia the latter of which leads to his elegiac description of lovesickness besides examinations of numerosophical symbolism in number form and proportion of the architectural descriptions and how they relate to the narrative

Demonic Possession and Lived Religion in Later Medieval Europe

Sari Katajala-Peltomaa, 2020-02-19 Demonic possession was a spiritual state that often had physical symptoms however in *Demonic Possession and Lived Religion in Later Medieval Europe* Sari Katajala Peltomaa argues that demonic possession was a social phenomenon which should be understood with regard to the community and culture She focuses on significant case studies from canonization processes c 1240 1450 which show how each set of sources formed its own specific context in which demonic presence derived from different motivations reasonings and methods of categorization The chosen perspective is that of lived religion which is both a thematic approach and a methodology a focus on rituals symbols and gestures as well as sensitivity to nuances and careful contextualizing of the cases are constitutive elements of the argumentation The analysis contests the hierarchy between the learned and the popular within religion as well as the existence of a strict polarity between individual and collective religious participation Demonic presence disclosed negotiations over authority and agency it shows how the personal affected the communal and vice versa and how they were eventually transformed into discourses and institutions of the Church that is definitions of the miraculous and the diabolical Geographically the volume covers Western Europe comparing Northern and Southern material and customs The structure follows the logic of the phenomenon beginning with the background reasons offered as a cause of demonic possession continuing with communities responses and emotions including construction of sacred caregiving methods Finally the ways in which demonic presence contributed to wider societal debates in the fields of politics and spirituality are discussed Alterity and inversion of identity gender and various forms of corporeality and the interplay between the sacred and diabolical are themes that run all through the volume

Handbook of Medieval Studies

Albrecht Classen, 2010-11-29 This interdisciplinary handbook provides extensive information about research in medieval studies and its most important results over the last decades The handbook is a reference work which enables the readers to quickly and purposely gain insight into the important research discussions and to inform themselves about the current status of research in the field The handbook consists of four parts The first large section offers articles on all of the main disciplines and discussions of the field The second section presents articles on the key concepts of modern medieval studies and the debates therein The third section is

a lexicon of the most important text genres of the Middle Ages The fourth section provides an international bio bibliographical lexicon of the most prominent medievalists in all disciplines A comprehensive bibliography rounds off the compendium The result is a reference work which exhaustively documents the current status of research in medieval studies and brings the disciplines and experts of the field together **Carolingian Medical Knowledge and Practice, c.775-900**

Claire Burrige,2024-07-15 Carolingian Medical Knowledge and Practice explores the practicality and applicability of the medical recipes recorded in early medieval manuscripts It takes an original dual approach to these overlooked and understudied texts by not only analysing their practical usability but by also re evaluating these writings in the light of osteological evidence Could those individuals with access to the manuscripts have used them in the context of therapy And would they have wanted to do so In asking these questions this book unpacks longstanding assumptions about the intended purposes of medical texts offering a new perspective on the relationship between medical knowledge and practice The Body Legal in Barbarian Law Lisi Oliver,2011-01-01 The sixth to ninth centuries saw a flowering of written laws among the early Germanic tribes These laws include tables of fines for personal injury designed to offer a legal non violent alternative to blood feud Using these personal injury tariffs The Body Legal in Barbarian Law examines a variety of issues including the interrelationships between victims perpetrators and their families the causes and results of wounds inflicted in daily life the methods successes and failures of healing techniques the processes of individual redress or public litigation and the native and borrowed developments in the various barbarian territories as they separated from the Roman Empire By applying the techniques of linguistic anthropology to the pre history of medicine anatomical knowledge and law Lisi Oliver has produced a remarkable study that sheds new light on early Germanic conceptions of the body in terms of medical value physiological function psychological worth and social significance A Byzantine Book on Dream Interpretation Maria V.

Mavroudi,2021-10-25 This volume discusses the so called Oneirocriticon of Achmet the most important Byzantine work on dream interpretation which was written in Greek in the 10th century and has greatly influenced subsequent dreambooks in Byzantine Greek Medieval Latin and modern European languages By comparing the Oneirocriticon with the 2nd century A D dreambook of Artemidoros translated into Arabic in the 9th century and five medieval Arabic dreambooks this study demonstrates that the Oneirocriticon is a Christian Greek adaption of Islamic Arabic material and that the similarities between it and Artemidoros are due to the influence of Artemidoros on the Arabic sources of the Byzantine work The Oneirocriticon s textual tradition its language the identities of its author and patron and its position among other Byzantine translations from Arabic into Greek are also investigated Healers and Healing in Early Modern Italy David Gentilcore,1998 How did people of the past explain and deal with illness This pioneering new book explores the wide range of healers and forms of healing in the southern half of the Italian peninsula that was the kingdom of Naples between 1600 and 1800 Drawing on numerous sources the book uncovers religious and popular ideas about disease and its causation and

cures and uncovers new territory in the history of medicine *Trauma in Medieval Society*, 2018-06-12 Trauma in Medieval Society is an edited collection of articles from a variety of scholars on the history of trauma and the traumatised in medieval Europe Looking at trauma as a theoretical concept as part of the literary and historical lives of medieval individuals and communities this volume brings together scholars from the fields of archaeology anthropology history literature religion and languages The collection offers insights into the physical impairments from and psychological responses to injury shock war or other violence either corporeal or mental From biographical to socio cultural analyses these articles examine skeletal and archival evidence as well as literary substantiation of trauma as lived experience in the Middle Ages Contributors are Carla L Burrell Sara M Canavan Susan L Einbinder Michael M Emery Bianca Frohne Ronald J Ganze Helen Hickey Sonja Kerth Jenni Kuuliala Christina Lee Kate McGrath Charles Louis Morand M tivier James C Ohman Walton O Schalick III Sally Shockro Patricia Skinner Donna Trembinski Wendy J Turner Belle S Tuten Anne Van Arsdall and Marit van Cant **Mental (Dis)Order in Later Medieval Europe**, 2014-03-13 The boundaries between mental social and physical order and various states of disorder unexpected mood swings fury melancholy stress insomnia and demonic influence form the core of this compilation For medieval men and women religious rituals magic herbs dietary requirements as well as to scholastic medicine were a way to cope with the vagaries of mental wellbeing the focus of the articles is on the interaction and osmosis between lay and elite cultures as well as medical theological and political theories and practical experiences of daily life Time span of the volume is the later Middle Ages c 1300 1500 Geographically it covers Western Europe and the comparison between Mediterranean world and Northern Europe is an important constituent Contributors are Jussi Hanska Gerhard Jaritz Timo Joutsivuo Kirsi Kanerva Sari Katajala Peltomaa Marko Lamberg Iona McCleery Susanna Niiranen Sophie Oosterwijk and Catherine Rider **Greek Monasticism in Southern Italy** Barbara Crostini, Ines Angeli Murzaku, 2017-12-15 This volume was conceived with the double aim of providing a background and a further context for the new Dumbarton Oaks English translation of the Life of St Neilos from Rossano founder of the monastery of Grottaferrata near Rome in 1004 Reflecting this double aim the volume is divided into two parts Part I entitled Italo Greek Monasticism builds the background to the Life of Neilos by taking several multi disciplinary approaches to the geographical area history and literature of the region denoted as Southern Italy Part II entitled The Life of St Neilos offers close analyses of the text of Neilos s hagiography from socio historical textual and contextual perspectives Together the two parts provide a solid introduction and offer in depth studies with original outcomes and wide ranging bibliographies Using monasticism as a connecting thread between the various zones and St Neilos as the figure who walked over mountains and across many cultural divides the essays in this volume span all regions and localities and try to trace thematic arcs between individual testimonies They highlight the multicultural context in which Southern Italian Christians lived and their way of negotiating differences with Arab and Jewish neighbors through a variety of sources and especially in saints lives The Cambridge History of Medieval Monasticism in

the Latin West Alison I. Beach, Isabelle Cochelin, 2020-01-09 Monasticism in all of its variations was a feature of almost every landscape in the medieval West So ubiquitous were religious women and men throughout the Middle Ages that all medievalists encounter monasticism in their intellectual worlds While there is enormous interest in medieval monasticism among Anglophone scholars language is often a barrier to accessing some of the most important and groundbreaking research emerging from Europe The Cambridge History of Medieval Monasticism in the Latin West offers a comprehensive treatment of medieval monasticism from Late Antiquity to the end of the Middle Ages The essays specially commissioned for this volume and written by an international team of scholars with contributors from Australia Belgium Canada England France Germany Italy the Netherlands Spain Switzerland and the United States cover a range of topics and themes and represent the most up to date discoveries on this topic

The Age of Robert Guiscard Graham Loud, 2014-07-10 Founded upon an unrivalled knowledge of the original sources for the conquest this is a cogent and lucid analysis of a key medieval subject hitherto largely ignored by historians

Italy in the Central Middle Ages 1000-1300 David Abulafia, 2004-03-18 Incorporating the latest developments in the study of the period a team of leading international scholars provides a fresh and dynamic picture of a period of great transformation in the political cultural and economic life of the Italian peninsula which witnessed the rise of autonomous city states in the north the creation of a powerful kingdom in the south and the development of the Italian language as a vehicle for literary expression

Robert Curthose, Duke of Normandy William M. Aird, 2011 The acclaimed biography of the eldest son of William the Conqueror whose failure to secure the kingdom of England has overshadowed his role in capturing Jerusalem during the First Crusade This detailed biography offers a reappraisal of the career of Robert Curthose William the Conqueror's eldest son and duke of Normandy from 1087 to 1106 locating the duke's career in the social cultural and political context of the period Robert's relationship with members of his family shaped the political landscape of England and Normandy for much of the late eleventh and early twelfth centuries indeed even after his incarceration from 1106 to 1134 his son William Clito d 1128 continued the fight against Robert's brother Henry I Twice driven into exile Robert defeated his father in battle and eventually succeeded to the duchy of Normandy although the throne of England was seized by William Rufus and then Henry I For twenty years Robert successfully defended Normandy developing policies to counter the vastly superior English resources at the disposal of his brothers Robert's leading role in the success of the First Crusade 1095-99 also made him one of the most famous warriors of his age He returned to Western Europe in 1100 a chivalric hero with a reputation that stretched from Scotland to Palestine This book returns Robert Curthose to centre stage in the bloody drama of this period a drama so often dominated by accounts from a royal and English perspective Dr William M Aird is Lecturer in History School of History Classics and Archaeology University of Edinburgh

Hospitals and Healing from Antiquity to the Later Middle Ages Peregrine Horden, 2023-05-31 The first part of this collection brings together a selection of Peregrine Horden's papers on the history of

hospitals and related institutions of welfare provision from their origins in Late Antiquity to their medieval flourishing in Byzantium and the Islamic lands as well as in western Europe The hospital is seen in a variety of original contexts from demography and family history to the history of music and the liturgy The second part turns to the history of healing and medicine outside the hospital as well as within it These studies cover a period from Hippocratic times to the Renaissance but with a particular focus on the Mediterranean region Byzantine Middle Eastern and Western in the Middle Ages
