Health Care Consumerism

David I. Lewin

Health Care Consumerism:

Health Care Consumerism Patricia A. Hamilton, 1982

Patient-centered Healthcare Consumerism Ronald E.

Bachman, 2017-02-07 The thrust of this book is how to benefit from the rise of Patient Centered Healthcare Consumerism and the consumerism megatrends underway From a pure financing perspective there are three ways to pay for healthcare 1 premiums 2 savings or 3 taxes Traditional insurance relies on premiums Government programs like Medicare Medicaid and the Affordable Care Act ACA rely on tax subsidies PCHC combines the best of all three It can minimize premiums maximize savings and provide consumers with valued tax advantages Patient Centered Healthcare Consumerism brings together two key dimensions of healthcare regulatory and market reforms Healthcare Consumerism by itself could be interpreted with a focus on the purchasing of health and healthcare products Patient centered by itself could be interpreted to focus on the use of the care delivery system If you are an Individual this book is for you the healthcare consumer You will find answers to what you can do to optimize the value of your purchases Whether you are seeking to understand your options under your employer's group plan or selecting individual coverage This book will help you move beyond immediate health concerns to understanding how to live a long productive life If you are a Consultant Agent or Broker this book will show you how to market discuss and sell flexible PCHC designs that will lower premiums and future premium increases increase coverage choices add care convenience and improve access to doctors hospitals and other medical providers If you are a Human Resources executive this book will illustrate how to develop a health and healthcare strategic plan unique to your organization This book will assist you in learning whether or not your organization is ready for change and what other organizational changes will improve the health and healthcare costs of your employees If you are a Benefit Manager Wellness or Communications Director we will define and explain the pros and cons of PCHC We will show how benefits interact with the development of human capital We will explain how work affects health and how health affects work If you are a Solution Provider you will see where your product fits into the rapidly evolving market of new technologies and services You will better understand how to discuss your product service in the language of your prospects and customers You will see the spectrum of developing generations of PCHC and where you fit into the present and future of health and healthcare If you are a Care Provider you will understand how your services interact with savings options and insurance plan design and patient care You will better grasp the possibilities and importance of patient involvement and engagement in wellness well being treatment plans and compliance You will see how you can strengthen the patient provider relationship to improve patient compliance with treatment plans If you are an Attorney Legal Advisor or Compliance Officer We will provide examples and an understanding of the need for your services at each of the four points of any reform legislation regulation compliance and litigation If you are an elected official this book will provide simplified insights into real market based solutions You will better understand how legislation can encourage or discourage free market developments You may be in a

position to offer new legislation that will impact the evolution of consumerism and prevent the old saying Legislation tends to crowd out the future

The Impact of Autonomy and Consumerism in Healthcare Simbiso Ranga, MD, MBA, Chris Oti, MD, FACP, MBA, 2016-03-16 From the origins of consumerism to the evolution or revolution associated with consumerism in healthcare this book is a reflective depiction of the past present and future of healthcare as it empowers the consumer patient The Impact of Autonomy and Consumerism in Healthcare navigates the changing healthcare landscape navigating some of these changes and what they mean not only for healthcare delivery but for providers suppliers and consumers It comments on new healthcare developments including the mushrooming urgent care centers and walk in clinics as well as such technological developments as patient portals in electronic medical records The book reflects on the challenges of opening up the healthcare infrastructure to the consumer while raising issues about cyber security privacy and litigation The authors attempt to predict the future just as many physicians reluctantly do for their patients in a chapter aptly titled Prognosis The book would not be complete without anecdotes and war stories from the authors experiences in the field presenting surprises and contradictions in their practice of medicine across the USA as immigrant physicians Hopefully these powerful stories will help untangle the healthcare juggernaut and move toward a more empowered consumer

Consumer-Driven Health Care Regina E. Herzlinger, 2004-03-22 Professor Herzlinger documents how the consumer driven health care movement is being implemented and its impact on insurers providers new intermediaries and governments With additional contributions by health care's leading strategists innovators regulators and scholars Consumer Driven HealthCare presents a compelling vision of a health care system built to satisfy the people it serves This comprehensive resource includes the most important thinking on the topic and compelling case studies of consumer driven healthcare CDHC in action here and abroad including new consumer driven intermediaries for information and support types of insurance plans focused factories for delivering health care personalized drugs and devices and government roles

Transforming Healthcare Jennifer L. Hefner, Mona Al-Amin, Timothy R. Huerta, 2020-10-26 Shedding light on current transformations in payment mechanisms and transparency of hospital performance data and prices this volume of *Advances in Health Care Management* presents findings on hospital profitability cost and organizational structures

SERVICE QUALITY AND CONSUMERISM: A WAY TOWARDS HEALTHCARE EXCELLENCE Dr. Naitik Kantilal Patel, Dr. Bhupinder Chaudhary & Dr. Kinjal G. Jani, 2022-09-20 Measuring the quality of intangible service products has become a great challenge for managers administrators and policy makers in the health services industry Patient satisfaction or dissatisfaction is a complicated phenomenon that is linked to patient expectations patient rights health status personal characteristics as well as health system characteristics However patient satisfaction as an indicator of quality of healthcare has evolved as an outcome measure and patient satisfaction surveys are being increasingly identified to be established yardsticks to measure success of the service delivery system functional at hospitals

The Health Care Consumer's Manifesto Deborah Dove

Gordon,2020-02-24 A health care executive at Harvard explains how to become a savvy consumer and get the value we all deserve for our health care spending This book navigates and demystifies the confusing world of health care shopping Readers go on a guided tour inside American health care to learn why it is so messy and who is invested in keeping it that way The text offers a new vision of how health care could work if it were truly designed to meet consumer needs creating a call to action on how to demand and help create such a system A wake up call to an industry tenuously holding on to the status quo and ripe for true disruption this book outlines what consumers can do themselves and demand from doctors hospitals health plans and policy makers to get more for their health care spending and in so doing reshape the health care system into one we all deserve Using real and compelling consumer stories intertwined with expert analysis this book illustrates why it is so difficult to act as an engaged health care consumer in the United States and pulls back the curtain to expose the forces that hold the system in place

Making the Healthcare Shift Scott M. Davis,Jeff Gourdji,2019 A practical guide for healthcare leaders across the globe who have the fortitude to transform their organizations to both compete and win in the age of healthcare consumerism

Employee Benefits and the New Health Care Landscape Alan Cohen,2017-09-15 2018 International Book Awards Finalist in Business and Management Category We shop for everything else online why not benefits Using private benefit exchanges a k a online benefits marketplaces employers can bring a consumer centric online shopping experience to benefits Alan Cohen a benefits technology pioneer details how these platforms can offer unprecedented flexibility and choice to employees revolutionize the way employers attract and retain talent strengthen cost control in an era of skyrocketing premiums and promote much needed innovation in the U S health care system Discover How To Make sense of today s challenging benefits landscape and plan breakthrough changes that have succeeded for thousands of employers of all sizes Leverage the lessons of the online shopping revolution to drive radical innovation Incorporate the 7 key pillars of a true private benefits exchange into your benefits mindset Gain indispensable practical insights from early adopters experiences Clarify the new roles of employers HR insurers brokers employees and other stakeholders Accelerate your transition away from inefficient employer managed plans Assess the ongoing impact of health care reform public exchanges health care consumerism and other trends Alan Cohen created one of the first private exchange platforms and has pioneered this approach for more than a decade Now in a candid discussion of how the economic principles of choice consumerism and defined contribution are at work in an exchange environment he breaks down the concept for HR professionals entrepreneurs brokers insurers health care reformers policy makers and employees Cohen looks to social and economic implications to forge a future in which all eyes are on a new model of the consumer for the benefits age With insights from industry veterans Employee Benefits and the New Health Care Landscape brings a fresh perspective to the debate on health care and health insurance in America

Essentials of Managed Health Care Peter Reid Kongstvedt,2007 Managed Care

Slee's Health Care Terms Debora Slee,Vergil Slee,Joachim Schmidt,2008 This

healthcare dictionary contains more than 8 000 nonmedical words phrases and acronyms related to the healthcare industry

The Managed Health Care Handbook Peter Reid Kongstvedt,2001 This thoroughly revised and updated book provides a strategic and operational resource for use in planning and decision making The Handbook enables readers to fine tune operation strategies by providing updates on critical managed care issues insights to the complex managed care environment and methods to gain and maintain cost efficient high quality health services With 30 new chapters it includes advice from managers in the field on how to succeed in every aspect of managed care including quality management claims and benefits administration and managing patient demand The Handbook is considered to be the standard resource for the managed care industry

The Medical Library Association Guide to Providing Consumer and Patient Health Information Michele Spatz,2014-05-01 Comprised of fifteen chapters written by experienced consumer health librarians The Medical Library Association Guide to Providing Consumer and Patient Health Information is designed for library and information science graduate students as well as librarians new to health and medical librarianship regardless of library setting It is comprehensive in scope covering all aspects of consumer and patient health and medical information from their humble grassroots beginnings to the ever evolving applications of new technology and social media In between the mundane aspects of health and medical librarianship such as needs assessment costs budgeting and funding and staffing are discussed Adding richness to this discussion are the coverage of more sensitive topics such as patient friendly technology ethical issues in providing consumer and patient health information meeting the needs of diverse populations and responding to individuals from various cultural backgrounds No comprehensive picture of consumer and patient health librarianship would be complete without addressing the critical importance of marketing and strategic partnerships such discussions round out this invaluable guide Patients today must be knowledgeable enough to participate in their health and well being Shorter hospital stays changing reimbursement patterns and the gradual shift towards focusing on proactively maintaining health and managing disease require patients to be informed and actively engaged Education information and understanding are important components of actively engaged patients Correspondingly in today s e world there is a glut of information resources available through the Internet from YouTube videos to Googling to blogs and Twitter feeds What is lacking in these information rich times is the relevance of meaning and context for those who ask Does this health and medical information apply to me and my unique clinical picture or How do I use this information As knowledge navigators information technology wizards and content experts librarians offer focused responses to individuals specific and highly personal health and medical information queries In a new healthcare world order of optimizing health and minimizing hospitalizations such a service is invaluable Sadly there still exists in our highly networked and technological age an information gap for those who struggle in obtaining meaningful health or medical information These individuals may be foreign born non English speaking poor rural aged or semi literate Whatever their status librarians must have the wherewith all to find germane resources and also help

create responsive mechanisms to bridge that health information gap for vulnerable citizens The Medical Library Association Guide to Providing Consumer and Patient Health Information will guide you on the road to providing that response

Introduction to Health Care Management Buchbinder, Nancy H. Shanks, 2016-03-28 This concise reader friendly introductory healthcare management text covers a wide variety of healthcare settings from hospitals to nursing homes and clinics Filled with examples to engage the reader's imagination the important issues in healthcare management such as ethics cost management strategic planning and marketing information technology and human resources are all thoroughly covered

Modern Health Care Marketing Gamini Gunawardane, 2020-06-05 This book aims to comprehensively address several modern concepts and practices in health care marketing not sufficiently addressed by existing literature This includes the integrated nature of health care marketing operations management IT and human resource management increased use of digital technology and social media emphasis on enhancing customer patient experience when strategizing and implementing health care marketing application of modern services marketing concepts to health care marketing mix among others It also addresses recent changes in the U S health care industry Some key issues covered are the increase in federal and state government involvement and oversight of health care delivery increase in laws and regulations affecting health care management and marketing growth of specialized health care markets such as Medicare Medicaid and Affordable Care Act globalization of health care and greater focus on legal and ethical health care marketing practices Modern Health Care Marketing is an essential read to understand the integrated nature of health care marketing in the technologically driven customer patient focused and globalized environment It is also a useful reference for professionals to pick up best practices on addressing challenges faced in the modern health care industry

Globalisation, Markets and Healthcare Policy Jonathan Tritter, Meri Koivusalo, Eeva Ollila, Paul Dorfman, 2009-09-10 This book explores the extent to which globalisation and commercialisation relate to current and emerging health policies It also looks at the implications for citizens patients and social rights as well as how policy making interacts with the interests of global and European trade and economic policies

Informing Consumers about Health Care Quality David I. Lewin, 2002 *Technology, health, and the patient consumer in the twentieth century* Rachel Elder, Thomas Schlich, 2025-02-18 Technology and consumerism are two characteristic phenomena in the history of medicine and healthcare yet the connections between them are rarely explored by scholars In this edited volume the authors address this disconnect noting the ways in which a variety of technologies have shaped patients' roles as consumers since the early twentieth century Chapters examine key issues such as the changing nature of patient information and choice patients' assessment of risk and reward and matters of patient role and of patient demand as they relate to new and changing technologies They simultaneously investigate how differences in access to care and in outcomes across various patient groups have been influenced by the advent of new technologies and consumer based approaches to health The volume spans the twentieth and twenty first centuries spotlights an array of medical technologies and health products and draws on examples from across the United States and United Kingdom

Health Care Consumerism Introduction

In the digital age, access to information has become easier than ever before. The ability to download Health Care Consumerism has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Health Care Consumerism has opened up a world of possibilities. Downloading Health Care Consumerism provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Health Care Consumerism has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Health Care Consumerism. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Health Care Consumerism. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Health Care Consumerism, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Health Care Consumerism has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Health Care Consumerism Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Health Care Consumerism is one of the best book in our library for free trial. We provide copy of Health Care Consumerism in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Health Care Consumerism. Where to download Health Care Consumerism online for free? Are you looking for Health Care Consumerism PDF? This is definitely going to save you time and cash in something you should think about.
