Health-Care Reform Ashraf A. Hilmy MD,2012-11 In this study Dr Ashraf A Hilmy with a surgeon s objective no nonsense precision and an unabashed lack of political correctness dissects the current state of health care delivery in America In practice since 1979 he is board certified in surgery anesthesiology critical care medicine and health care administration He received an MBA from the University of Texas Pan Am with an emphasis on health care administration He has served as both chief of surgery and staff at several institutions and has practiced in every scale of facility solo partnership and group practice Dr Hilmy is uniquely qualified to render an informed opinion about health care in the United States In his professional judgment there is no question that the current system is faltering and in need of radical reform No other country in the world spends so much on health care and has so little to show for it Written with the layperson in mind Health Care Reform offers insightful well researched supported arguments Though it does not set out to offend anyone people will be offended as a portion of the drivers of escalating health care costs are laid squarely on their shoulders Health Care Reform addresses how health care is delivered in America By comparing our delivery system to those used around the world Dr Hilmy breaks down different cost drivers with anonymous case examples and finally offers suggestions for realistic reform
