much of her life in the northwestern mountains of North Carolina keenly watching the changes in her community of Grassy Creek and in the world Families homes weddings and funerals politics health world war race relations the telephone those are among the topics touched on in this firsthand look at rural Appalachia in the early decades of the present century Sometimes poignant often humorous and surely authentic these stories are yet another reminder of recent history that is all too quickly being lost **'The everlasting gospel' of the Old & New Testaments, sermons. Selected by sir R. Phayre** Charles Haddon Spurgeon,1897 *Sermons for Reviving, on the Table Talk of the Master* Louis Albert Banks,1928

**Forgive Me Father, for I Have Grinned** V. N. Phillips,2006-05 Religious gaffes are served up in a family friendly style in this riotous collection of bona fide stories and puns related to traditions of worship Amusing anecdotes of comical church incidents are featured as are examples of Christians who have been given the boot for poorly chosen words uttered in front of their congregations A section on cemeteries looks at bizarre witty and often brazenly frank tombstone inscriptions such as He was so cold natured Warm in life he was not Now it is believed he s very warm In a place where it s very hot and if possible the people and stories behind them *Giving Glory to God in Appalachia* Howard Dorgan,1990-11-08 In *Giving Glory to God in Appalachia* Howard Dorgan explores the worship practices of Primitive Regular Old Regular Union Missionary and Free Will Baptists The worship practices of the denominations under consideration are varied and often exuberant and Dorgan s writing is highly evocative conveying in rich detail the joy and pathos of worship in these mountain churches As Dorgan states in the introduction he is less concerned with academic theorizing and more concerned with presenting a vivid firsthand account of all that he has seen and heard And in the nearly fifteen years he spent researching his book Dorgan saw and heard quite a lot spirited vociferous sermons creek baptisms foot washings homecomings dinners on the ground and evangelistic radio broadcasts Dorgan s prose is at its most enchaining when he presents tableaux of these phenomena a foot washing precipitates the erasure of interpersonal turmoil between two women a preacher uses his lively mode of sermonic delivery to orchestrate the rapturous shouts and hollers of a group of women a radio evangelist exhorts a recent widower to accept salvation The wonderful pictures interspersed throughout the book and the transcription of sermons help to further reify the worship scenes that Dorgan describes At times Dorgan s prose is intensely personal Dorgan is always aware that he is writing about sets of shared values and worship practices that mean a great deal to the congregations he is studying and Dorgan treats his subjects and their beliefs with tremendous sensitivity and respect Ultimately Dorgan is writing about people and the ways in which they invest their lives with meaning and purpose This imbues *Giving Glory to God in Appalachia* with a universal appeal even readers who find the religious settings in the book completely alien will be able to sympathize with the congregations search for meaning **Preaching the Gospel of John** Lamar Williamson,2004-01-01 In this accessible treatment of the major themes of the Gospel of John renowned New Testament scholar Lamar Williamson blends the best of biblical scholarship and a close reading of the Fourth Gospel to meet

the practical needs of weekly preaching A more reflective Gospel in which the risen Jesus speaks in signs and discourses John does not simply tell stories but allows us to experience the Word and to see Jesus offering living water to the aridity of the institutional church and bread to the hungry hearts of individual disciples More than mere exposition Preaching the Gospel of John includes at the end of each passage three to five possibilities for preaching the text creative and pertinent suggestions that can help preachers apply the words of the Fourth Gospel to the lives of today's churchgoers Proclaiming the living Word is a major theme of the Gospel of John and this clear and insightful commentary captures that message in the preaching moment

**Barefoot Disciple** Stephen Cherry, 2010-12-02 The rediscovery of genuine passionate humility as a healthy life giving and community building virtue capable of transforming our BSE Blame Someone Else society

**Making Gospel Sense To A Troubled Church** James Wm. McClendon, 2004-12-17 Making Gospel Sense is theologian James Wm McClendon Jr's riveting story of his experiences as an interim pastor in a floundering congregation Through twenty six prophetic sermons each introduced by interpretive commentary McClendon describes his call to the church the struggle between disparate personalities the difficulties and rewards of moving from classroom to sanctuary and the evolution of his congregation from seemingly hopeless decline to spirited recovery Here is a microcosm of today's church a tale of anxiety dissension self discovery and renewal Essential reading for pastors seminarians and all those who care about the church Making Gospel Sense is at once a challenging and inspiring pilgrimage to the true meaning of ministry
