

The title is presented in a comic book style. The words 'HE' and 'SHE' are in white, bold, sans-serif capital letters, each set within a dark blue rectangular box. Below these, the words 'Meant' and 'Meant' are written in a large, red, stylized font with thick blue outlines and a slight 3D effect. The entire title is contained within a large, white, rounded rectangular shape that has a red border and a blue shadow. The background of the top half of the cover is a light blue with white cloud-like patterns.

**the Experience of Meaning** Raymond W. Gibbs, 1999-09-13 What do our assumptions about authorship matter for our experience of meaning This book examines the debates in the humanities and social sciences over whether authorial intentions can or should constrain our interpretation of language and art Scholars assume that understanding of linguistic and artistic meaning should not be constrained by beliefs about authors and their possible intentions in creating a human artifact It is argued here that people are strongly disposed to infer intentionality when understanding oral speech written texts artworks and many other human actions Although ordinary people and scholars may infer meanings that diverge from or extend beyond what authors intend our experience of human artifacts as meaningful is fundamentally tied to our assumptions of intentionality This challenges the traditional ideas of intentions as existing solely in the minds of individuals and formulates a new conceptual framework for examining if and when intentions influence the interpretation of meaning

**The Boys in the Brownstone** Kevin Scott, 2005 There doesn't seem to be anywhere these characters can just be themselves except at the Brownstone **BOOK JACKET** *Meaning in the Media* Alan Durant, 2010-03-04 Meaning in the Media addresses the issue of how we should respond to competing claims about meaning put forward in confrontations between people or organisations in highly charged circumstances such as bitter public controversies and expensive legal disputes Alan Durant draws attention to the pervasiveness and significance of such meaning related disputes in the media investigating how their meaning dimension is best described and explained Through his analysis of deception distortion bias false advertising offensiveness and other kinds of communicative behaviour that trigger interpretive disputes Durant shows

that we can understand both meaning and media better if we focus in new ways on moments in discourse when the apparently continuous flow of understanding and agreement breaks down This lively and contemporary volume will be invaluable to students and teachers of linguistics media studies journalism and law      **The Ultimate Western Collection**
