Recollections of Past Days Sandra Ailey Petree,2006-03-15 For visitors to the Martin s Cove historic site in Wyoming Patience Loader has become an icon of the disastrous winter entrapment of the Martin and Willie handcart companies Her record of those events is important but there is much else of interest in her autobiography In fact it is a bit unusual that someone such as her would have left such an engaging record of her life The daughter of an English gardener Patience Loader became a boarding house servant domestic maid and seamstress Converted to Mormonism she shipped with her parents to America They joined the ill fated Martin company which because of poor planning and a late start west was caught poorly prepared by severe high plains snowstorms in October and November 1856 The combined fatalities of the Martin and Willie companies made this the worst disaster in the history of overland travel Patience s father was one of those who died After reaching Utah Patience took the unusual step for a Mormon of marrying a soldier John Rozsa stationed at Camp Floyd The troops there had made up the Utah Expedition sent to ensure federal authority over the Mormons Rozsa was a Hungarian immigrant and Mormon convert When the Utah troops were recalled for the Civil War Patience accompanied her husband as an army laundress to Washington D C running a boarding house while Rozsa fought After the war he died at Fort Leavenworth of consumption and Patience returned alone to Utah where she became a cook at a mining camp in American Fork Canyon Her autobiography ends there in 1872 though she lived till 1922

Myths and Tales of the Chiricahua Apache Indians Morris Edward Opler,David H. French,2017-06-28 We are dealing here with a living literature wrote Morris Edward Opler in his preface to *Myths and Tales of the Chiricahua Apache Indians* First published in 1942 this is another classic study by the author of *Myths and Tales of the Jicarilla Apache Indians* Opler conducted field work among the Chiricahuas in the American Southwest as he had earlier among the Jicarillas The result is a definitive collection of their myths They range from an account of the world destroyed by water to descriptions of puberty rites and wonderful contests The exploits of culture heroes involve the slaying of monsters and the assistance of Coyote A large part of the book is devoted to the irrepressible Coyote whose antics make cautionary tales for the young tales that also allow harmless expression of the

Maharajah Duleep Sing ,1847 *The Chronicle of Jeremiah Goldswain* Ralph Goldswain,2014-07-19 This is the story of the

1820 Settler Jeremiah Goldswain in his own words After thirty eight years on the eastern boundary of the Cape Colony he sat

down to write his memoirs It is a close up view of four decades during a period when the British Empire was expanding in

southern Africa with the borders being pushed ever farther into the hinterland by successive governors As a result there was

constant conflict between the African tribes and the colonists Jeremiah was directly involved in three of the nine Frontier

Wars that occurred between 1779 and 1879 It is the story of hardship and the struggle for survival of Jeremiah and his family

his wife Eliza and their ten children on one of the most volatile borders the world has ever seen Even in peacetime the

conflict and violent clash of cultures were constantly present and many settlers were murdered including members of

Jeremiah s family Through all this we see a man making his way in a world he could not have imagined while growing up in

rural Buckinghamshire He lived during an important historical time for South Africa not only observing and fighting the wars

but meeting and serving with some of the most famous names in South African history He saw in detail the effects of the

Cattle Killing of 1856 the Boer uprising in the Orange River Sovereignty as well as several other famous and notorious

historical events The text has been published once only by the van Riebeeck Society in 1949 and since then has been used by

scholars and historians as a primary source It has not been widely read because Jeremiah had no education and although he

had an extraordinary ability to describe experience and express his emotions he was a stranger to the conventions of written

language Now Ralph Goldswain has transcribed the original text into an accessible account of forty years of frontier history
