Revulsion Freed From A Headlock (after Desire Caught By The Tail) Anthony Padgett, 2019-11-27 A part of my artwork *A Year With Picasso* I wrote *Revulsion Freed From A Headlock* This is my response to Pablo Picasso s main surreal play published in 1945 *Desire Caught By The Tail* As my title suggests it is an inversion of his work My methodology in art is to look for what has not been done And one of the tools I use for this is inversion For instance in my paintings I looked at Picasso and Braque s Cubism with its straight lines and angles and created my own Curveism My inversion of script in this play also involves creative choices that are not always a precise inversion This is to make the text flow more successfully And I also change some aspects to give them a 21st century relevance I hope that you will find the result interesting and in places extraordinary
