Chicagoans call home. **Going into Town** Roz Chast, 2017-10-03 The Washington Post 10 Best Graphic Novels of the Year, New York magazine The Year's Most Giftable Coffee Table Books, Newsday Best Fall Books, The Verge 10 Best Comics of the Year, Oklahoman Best Graphic Novels of the Year Winner of the New York City Book Award. From the #1 NYT bestselling author of *Can't We Talk About Something More Pleasant?* Roz Chast, an absolutely laugh-out-loud hysterical AP-illustrated ode to the city, this guide thanks you to Manhattan, New Yorker cartoonist and NYT bestselling author Roz Chast, a native Brooklynite turned suburban commuter. Deemed the quintessential New Yorker, Chast has always been intensely alive to the glorious spectacle that is Manhattan: the daily clash of sidewalk racers and dawdlers, the fascinating range of dress codes, and the priceless nutty outbursts of souls from all walks of life. For Chast, adjusting to life outside the city was surreal: you can own trees, you have to drive, but she recognized that the reverse was true for her kids. On trips into town, they would marvel at the strange visual world of Manhattan: its blackened sidewalk gum wads, those West Side Story things, fire escapes, its crazily honeycombed systems and grids. Told through Chast's singularly zany laugh-out-loud touching and true cartoons, *Going into Town* is part New York stories, the overheard and overseen of the island borough, part personal and practical guide to walking, talking, renting, and venting, an irresistible one-of-a-kind love letter to the city.

9/11, That Fateful Day Torin Reid, 2025-05-27 This is a book about the day that the New York World Trade Center was attacked and destroyed. On 9/11, That Fateful Day, also commonly known as September 11 or just 9/11, nearly 3,000 people were murdered, not just within the World Trade Center complex but also at the Pentagon in Washington, DC, and in a plane crashing into a field near Shanksville, PA. This book will focus upon the personal dramas that took place within the World Trade Center. The story is related without any politics, rancor, or geopolitical opinion whatsoever. Within this book, we will follow 24 hours within the fictional lives of three office workers: Roger Phillips, Meena Sukram, and Donna Davis, along with their families and co-workers as they begin their day just like any other. The focus of the book is upon the personal lives of each person as they make their way to the WTC complex only to see their lives upended. The book continues on with their personal lives on the day after the disaster, and then the book ends showing how life and love can overcome all on the 20th anniversary of 9/11, That Fateful Day. It's Not What You Think Sabeeha Rehman, 2022-10-11 From the author of *Threading My Prayer Rug*, an eye-opening view of life in Saudi Arabia. *It's Not What You Think* is a wry, incisive account of working in Saudi Arabia that offers insight into that insular patriarchal society: what is so attractive to expatriates living there and what was contradictory or confining about it for a naturalized American who is a woman and a Muslim. A hospital executive in New Jersey, Sabeeha relocated with her oncologist husband to Riyadh, the most conservative city in the country, intending to remain two years. They ended up staying for six. Her book takes the reader on a journey of discovery that mirrors her own. Offered an influential position at Riyadh's most prestigious hospital, she first has to obtain her husband's permission to work. In public spaces, she quickly encounters the morality police but also learns the freedom of the abaya. Salesmen staff the lingerie department. Women in Riyadh do not work in public places yet they hold positions of authority within corporate culture. And outside Riyadh, she discovers that women-owned and operated businesses flourish and Bedouin women could drive in the desert decades before Riyadh's ban was relaxed. Through Sabeeha's eyes, we see how Saudi and Western expat cultures coexist within the boundaries of "don't ask, don't tell" how traditions define the identity of the Saudi nation and how to discern what is culturally appropriate versus what is required legally. As she dons pilgrim's garb, we join her on the hajj to discover the intensity and spiritual high of the devout.

Rushing Waters Danielle Steel, 2016-08-30 NEW YORK TIMES BESTSELLER Danielle Steel fearlessly tackles a catastrophe and its aftermath with characters who are joined together by accident then share their vulnerabilities, regrets, losses and hopes. Hurricane Ophelia is bearing down on New York City. And in a matter of hours, six people along with their families, friends and millions of other New Yorkers living around them will be caught up in the horrific flooding. It unleashes Ellen Wharton, who has flown into New York from London regardless of the weather and her husband's worry. The successful interior designer is intent on seeing her lively architect mother and has an important personal appointment to keep. But despite Ellen's urging, when the storm hits, seventy-four-year-old Grace Madison refuses to leave her Tribeca apartment in the midst of the evacuation zone and they must eventually wade through chest-high water to the police boats outside. British investment banker Charles Williams is traveling on business but is also eager to see his young daughters who live with his beautiful estranged ex-wife in SoHo. Desperate to find them, he checks the shelters where thousands have taken refuge and runs into Ellen and her mother Juliette Dubois, a dedicated ER doctor fighting to save lives when the generators at her hospital fail. NYU students Peter Holbrook and Ben Weiss, living in a shabby downtown walkup,

are excited by the adventure of the approaching hurricane refuse to evacuate and settle in with junk food and beer until their building threatens to collapse Should they swim for it or not A day of chaos takes its toll Lives belongings and loved ones are swept away Heroes are revealed as the city and New Yorkers struggle to face a natural disaster of epic proportions And then the real challenge begins as the survivors face their futures with damage to repair and scars to heal Keenly observed and brilliantly told this is an unforgettable story that proves that while life can change in an instant even the darkest storm can bring forth courage resilience unexpected joy and new life And it reminds us all that nature at its fiercest is a powerful force nothing and no one can resist
