Sloane's daughter Laura is the picture of popularity good grades and a cheerleader. She'd been tutoring JZ this school year and flirting with him not realizing how much he's fallen in love with her until it's too late. Laura uses her mother as a convenient excuse to end any potential romance when JZ tells her how he

The only thing she seems to remember is a kidnapping that never took place Just as abruptly as she d been discovered hiding Molly disappears again Amber and her new partner who suddenly has a lot to say begin to piece together the fifteen year old tragedy of a child who may never escape her trauma Lonely Hearts Lisa wife of FBPD investigator Pete Shasta is trying her hardest to avoid mystery in her very full busy life But when her sister in law confides her worries about her sister Shelley Wilson who s had nothing but bad luck with men and has all but abandoned her daughter Lisa also becomes worried and then downright concerned about Shelley s involvement in a lonely hearts support group where she falls in love with a man accused of fraud and murder Is Shelley again a victim or an accessory to organized crime Assassin FBPD investigators Pete Shasta and Danny Vincent have prayed mightily to have seen the last of FBI Special Agent in Charge Robert Lock But when he shows up in Falcon s Bend at Christmastime they find themselves involved whether they like it or not A pseudo Christian doomsday cult believes that the World Wide Web is evil They ve set up multiple cells around the world focused on bringing down the internet beast According to Robert their ringleader is the most unlikely terrorist in the world a mouse of a man who actually runs his own successful internet business in Falcon s Bend Robert is determined to destroy the cult from the inside out to protect his wife Azure the daughter of the FBI s Associate Deputy Director who s not only involved in the cult but has been sent to prove her loyalty to them by killing him
