Hole in My Life Jack Gantos, 2002-03-26 Becoming a writer the hard way In the summer of 1971 Jack Gantos was an aspiring writer looking for adventure cash for college tuition and a way out of a dead end job For ten thousand dollars he recklessly agreed to help sail a sixty foot yacht loaded with a ton of hashish from the Virgin Islands to New York City where he and his partners sold the drug until federal agents caught up with them For his part in the conspiracy Gantos was sentenced to serve up to six years in prison In Hole in My Life this prizewinning author of over thirty books for young people confronts the period of struggle and confinement that marked the end of his own youth On the surface the narrative tumbles from one crazed moment to the next as Gantos pieces together the story of his restless final year of high school his short lived career as a criminal and his time in prison But running just beneath the action is the story of how Gantos once he was locked up in a small yellow walled cell moved from wanting to be a writer to writing and how dedicating himself more fully to the thing he most wanted to do helped him endure and ultimately overcome the worst experience of his life This title has Common Core connections Hole in My Life is a 2003 Bank Street Best Children's Book of the Year

Mechanically Inclined Jeff Anderson, Lisa Thibodeaux, 2024-12-09 Some teachers love grammar and some hate it but nearly all struggle to find ways of making the mechanics of English meaningful to kids As a middle school teacher Jeff Anderson also discovered that his students were not grasping the basics and that it was preventing them from reaching their potential as writers Jeff readily admits I am not a grammarian nor am I punctilious about anything so he began researching and testing the ideas of scores of grammar experts in his classroom gradually finding successful ways of integrating grammar instruction into writer's workshop Just in time for its 20th anniversary this long awaited second edition of Mechanically Inclined continues to merge the best of writer's workshop elements with relevant theory about how and why skills should be taught It connects theory about using grammar in context with practical instructional strategies explains why kids often don't understand or apply grammar and mechanics correctly focuses on attending to the high payoff or most common errors in student writing and shows how to carefully construct a workshop environment that can best support grammar and mechanics concepts In this new edition longtime colleague Lisa Thibodeaux joins Jeff in emphasizing four key elements for grammar instruction short

daily instruction in grammar and mechanics within writer s workshop using high quality mentor texts to teach grammar and mechanics in context visual scaffolds including wall charts and visual cues that can be pasted into writer s notebooks regular short routines like express lane edits that help students spot and correct errors automatically Comprising an overview of the research based context for grammar instruction a series of over forty detailed lessons updated research compelling new mentor texts and an appendix of helpful forms and instructional tools Mechanically Inclined is a boon to teachers regardless of their level of grammar phobia It shifts the negative rule plagued emphasis of much grammar instruction into one which celebrates the power and beauty these tools have in shaping all forms of writing Independent Reading Activities That Keep Kids Learning ... While You Teach Small Groups Susan Finney,2003-04 50 engaging reproducible activity sheets management strategies and tips for differentiating instruction that help kids build key strategies independently Cover
