Headteacher Appraisal

Marilyn Nathan

Headteacher Appraisal:

Headteacher Appraisal C. Eric Spear, 1997 A practical guide to the principles and practices of headteacher appraisal this text recommends those aspects which are most successful in supporting professional development and in enhancing performance and effectiveness It is written by experts including head teachers and those who appraise them and is endorsed by the National Association of Head Teachers Headteacher appraisal helps assess the performance of head teachers direct their efforts and give them feedback and guidance Through this process it affects the direction of the whole school and its staff Managing Headteacher Appraisal Victor Gane, Alun Morgan, 1992-12-28 An excellent text for head advisers officers appraisal coordinators trainers governors and students about to enter or already in education Management in Education Set firmly within the context of the 1991 Regulations and providing detailed and perceptive coverage of every aspect of headteacher appraisal this book will be welcomed by heads officers and advisers as an authoritative statement on this crucially important subject If you are looking for the historical background to headteacher appraisal its philosophical justification how it works what it seeks to achieve the benefits it can bring how to prepare and train people to take full advantage of the opportunities it presents and how to manage appraisal *A Practical Guide to Staff Development and Appraisal in Schools* Helen Horne, Anthony Pierce, 2013-04-15 This guide contains an overview of existing successful appraisal practices and practical suggestions for both those managing and undertaking appraisal The book takes into account up to date policies and changes in appraisal **The Appraisal of Headteachers** Molly Hattersley, 1992 Appraisal continues to be a central issue for teachers This topical text covers every aspect of head teacher appraisal including self appraisal The contributors all have hands on experience of work on teacher appraisal and particularly the appraisal of heads **The Competent Head** Dilum Jirasinghe, Geoffrey Lyons, 2004-03 First published in 1996 Routledge is an imprint of Taylor Francis an information company Appraising Teachers in Schools Les Bell, 2021-06-23 Originally published in 1988 Appraising Teachers in Schools considers and provides advice on the introduction of staff appraisal in schools Following the publication of the 1987 Pay and Conditions of Employment and written by contributors with practical experience of introducing staff appraisal into schools the book provides guidance on the introduction of staff appraisal across a range of schools outlines a planning process for the establishment of staff appraisal and offers suggestions for how to prepare for the appraisal process It covers both primary and secondary education in a variety of larger and smaller schools Appraising Teachers in Schools will appeal to those with an interest in the history of education and the history of staff appraisal in schools in particular *Teacher Appraisal* Cyril Poster, 2003-08-27 This second edition of the Posters highly successful guide to teacher appraisal has been substantially updated to include the definitive Department For Education DFE regulations and guidelines which have appeared since the publication of the first edition The book includes two completely new chapters on the new regulations as they affect grant maintained schools and on developments in Northern Ireland and Scotland The authors have orientated

their work much more to schools providing updated versions of their valuable training materials for school based INSET group work and self study This second edition also includes research evidence from trials of headteachers appraisal *A Handbook for Headteachers* Marilyn Nathan, 2013-04-03 Revised and updated for the second edition this practical guide covers all aspects of the headteacher's management role It includes case studies throughout together with new material on the NPQH IT and ICT curriculum changes and school development Managing Teacher Appraisal and Performance Carol Cardno, David Middlewood, 2002-11 This edited collection brings together the latest thinking on appraisal in schools from both the UK and overseas and places it directly in the context of school management Appraising Primary Headteachers Eric Hewton, Neville West, 1992 All teachers in the UK will be appraised by 1995 Headteachers are included in the national scheme but are to be treated somewhat differently from other teachers This book looks at the problems of primary headteacher appraisal seeking to help schools and LEAs wishing to set up their own schemes **Observing Teaching and Learning** Christina Tilstone, 2013-11-26 First Published in 1999 In most practical books on teaching and learning curriculum planning and assessment you will find the word observation and the assumption will be made that you know what observation is and how best to approach it This book's starting point is that observation is a powerful way of improving individual and collective classroom practice but in order to be effective it must be carried out systematically and with rigour Throughout the book focuses on work with children with special educational needs and their teachers and reflects my experience and expertise in special education Educational Planning and Management in Small States Commonwealth Secretariat, 2002 This collection of papers presents the critical reflections on the management and planning of education of 18 senior officials working in 12 small island nations The papers are a result of their participation in the Postgraduate Diploma in Educational Planning and Management in Small States program at the University of Malta The book is divided into two sections After an introductory essay and two papers on generic management and administration issues in small states the papers in the first section deal with educational management addressing the education process from its internal organizational or operational perspective This section addresses such topics as resource allocation Total Quality Management staff recruitment job satisfaction and the role of principals The second section of the book discusses educational planning focusing on education as a tool for national development This section discusses such topics as school business linkages the general role of educational planning and specific developmental challenges facing primary secondary vocational and adult education in small countries Each chapter begins with a brief summary of the key arguments of the paper and ends with a discussion point based on the contents Contains a subject and author index WFA *National School Policy (1996)* Jim Docking, 2018-02-06 Published in 1996 this book presents a broad overview of the development of educational policy for schools in England and Wales since Margaret Thatcher's Conservative administration took office in 1979 It reviews the separate strands of education policy as it relates to curriculum equal educational opportunities diversity and choice and management policies and combines these with

an overall appraisal of the direction of the schools system in the two decades before it was written The book thereby provides a comprehensive text for undergraduate and postgraduate students which raises issues for debate and includes support material for discussion It will also be of interest to school governors educationalists and all those who care about the direction of educational change

Managing People in Education Tony Bush, David Middlewood, 1997-02-28 Aims to enhance management practice in education by presenting research findings and theory from a wide range of contributors Skills and Enterprise Update This is indeed a book which could be useful to a much larger readership than the normal closed circle of those working in education *Managing Schools Today* The book presents relevant research and theory in order to enhance management practice in education The editors intention is to articulate good practice on the basis of evidence in educational settings The ideas presented here are derived from international research and practice and apply to all phases of education with the emphasis on applying research findings to improve practice in schools and colleges

Teacher Evaluation Policy Daniel L. Duke, 1995-10-06 Since the beginning of the school reform movement in the early 1980 s various efforts have been made to improve teacher evaluation Most of the initial efforts were designed to promote greater accountability They were characterized by research based performance standards sophisticated classroom observation procedures and extensive training More recently the focus of teacher evaluation has been expanded to include provisions for professional development Supporters of this trend have argued that accountability based evaluation diminishes in value as teachers gain experience and expertise *Teacher Evaluation Policy* presents case studies describing how new teacher evaluation policies have been created The contributors go behind the scenes to examine the complex negotiations between politicians and special interest groups that accompany policy making They identify the public and the private agendas guiding decision makers What emerges is a vivid portrait of professionals and politicians grappling over the control of education Accounts include the formulation of teacher evaluation policy in North Carolina Louisiana Connecticut Washington State and Great Britain

Improving the Primary School Mrs Joan Dean, Joan Dean, 2005-06-23 This book is a practical and informative guide on how to improve your primary school It is aimed at those in leadership positions headteachers senior staff advisors inspectors and education officers Aimed specifically at the primary school this book links research to classroom practice for results appeals to those in leadership roles is concise readable and of great practical use provides the reader with information that can improve the individual school

Managing Professional Development in Schools Sonia Blandford, 2012-11-12 The importance of professional development for teachers cannot be overstated In recent years there has been much debate on how to raise standards in schools and it is now recognised by theorists policy makers and practitioners that the professional development of teachers is an important factor in this context For professional development co ordinators and senior management knowledge and understanding of the nature of professional development roles and human resource management theories will provide a framework for practice This book includes chapters on

managing professional development in a human resources context government policy initial teacher training the school development plan appraisal middle management leadership skills It will be of interest to co ordinators of professional development in schools and across local education authorities and to anyone who is part of a school s senior management team Creating an Anti-Racist Curriculum for Children with Special Educational Needs Priya Bhagrath,2025-05-30 This thought provoking and experience led book guides teachers and leaders to create anti racist practices and to develop a curriculum for children with SEND promoting cultural representation and giving all pupils a voice and a sense of belonging Informative and practical chapters challenge the reader to review their whole school system and policies taking them on a step by step journey through three main parts The book enables educators to understand how this work can be meaningfully applied when working with SEND pupils and families in all settings with topics covered including exploring what an anti racist curriculum is and why it s needed for pupils with SEND establishing buy in from school staff and meaningful support from key stakeholders creating an action plan and establishing accountability providing opportunities for high quality CPD for all stakeholders how to create a cultural calendar and curriculum offer of representation developing whole school practices to link to home and the community preparing pupils for life beyond school Pupils with SEND can access complicated topics if the subject matter is presented in a way that makes sense to them with purpose clarity and relevance to their lives This book provides essential content and guidance for professionals to follow and implement for the benefit of SEND pupils and will be key reading for educators working in mainstream education additional resource provisions SMEH provisions and special schools Register of Educational Research in the United Kingdom, 1992-1995 National Foundation For Educational Research,1995 This latest volume of the Register of Educational Research in the United Kingdom lists all the major research projects being undertaken in Britain during the latter months of 1992 the whole of 1993 and 1994 and the early months of 1995 Each entry provides names and addresses of the researchers a detailed abstract the source and amount of the grant where applicable the length of the project and details of published material about the research **Staff Training and Special Educational Needs** Graham Upton,2018-09-03 First published in 1991 This work is about training and special education needs in the international arena The book was commissioned as a result of the 1990 International Special Education Conference in Cardiff The contributors from the USA Canada Africa and the United Kingdom have focused on innovative approaches to staff training The identification of a contribution as innovatory has been done on the basis of either the description of an alternative method of planning or delivery a focus of a frequently ignored client group or in relation to the existence of specific problems which affect the provision of training
