

A Prayer for Healing

Most Sacred Heart of Jesus, like a watchful shepherd, you care for us,
and provide us with all that we need.

You shower us with your love
and send people into our lives to help care for us,
especially in time of sickness or pain.

I pray for healing for myself
and for all who suffer because of illness
or advanced age.

I pray especially for --- (Mention your
intentions here.)

In the midst of our pain and weakness,
strengthen our faith that we may be
filled with hope in you.

In the midst of our frustrations and
discouragement, give us patience that
we may accept our own limitations.

In the midst of our loneliness and fears,
help us know we are not alone,
that you walk with us each moment of our lives.

Be with us, Lord, in our time of need.

Heal us in body, soul and spirit

that we may rejoice in your grace and blessings in this world
and come to enjoy the fullness of your presence in the life to come.

We make this prayer in your name,
for you are our Risen Lord, Jesus. Amen

Healing the Cause - A Path of Forgiveness - Inspired by a Course in Miracles Michael Dawson, 2011-04-19 Health is inner peace Healing involves an understanding of what the illusion of sickness is for Healing is impossible without this From *A Course in Miracles* Identification with the body as our home is the origin of all our physical and psychological suffering Whilst we desire to remain separate from our true spiritual identity we create sickness to reinforce our belief in the reality of the body To re-experience God's love joy and peace we need to begin the process of forgiving ourselves and others This will allow the presence of spirit to enter into our mind and heal it The cause of all disease lies in the mind and not the body Disease is a shadow on the body of the guilt in our mind As we practise forgiveness the truth of who we really are will dawn upon our minds and we will discover our true home which we never left Michael Dawson's inspiration for writing this book comes from his study and teaching of *A Course in*
