Speak Your Healing from the Homosexual Deception Bonnie M. Egglehand, 2014-10-08 The lies of homosexuality dissipate because a life of purity in Christ Jesus decidedly removes the homosexual deception Each step toward Jesus brings us closer to His image and we are changed We emerge free to be exactly whom Father God created us to be Leaving all secrets with honesty and transparency before God and man forgiving ourselves and all abusers we emerge in our true identity with a heterosexual desire This desire for the opposite sex is as natural as apple pie Leaving the judgments the facades the sins and all idols the stark truth remains Our true identity is found in Jesus Christ alone Five Steps to Healing for the Homosexual Renée Branson, 1991 *Coming Out Straight* Richard A. Cohen, 2000 Psychoterapist Cohen presents his plan for transitioning from gay to straight *Setting Love in Order* Mario Bergner, 1993-01-01 Commitment and Healing Richard A. Isay, M.D., 2010-12-03 What s love got to do with it Everything according to Richard Isay s informed and illuminating look at the role of romance in modern gay life I highly recommend this book for people of any generation and partnership status Dean H Hamer Ph D author of *The Science of Desire* and *The God Gene* Richard Isay offers something far better than simple bromides and false hope In this book he challenges us with a provocative illuminating and ultimately hopeful look at ourselves and explains how those of us who yearn to love and be loved and who doesn t can best find happiness and healing in a committed relationship Eric Marcus author of *The Male Couple s Guide* and *Together Forever* Many gay men and others too are likely to find this book exceptionally interesting and helpful In a series of vividly illuminating case histories and with a psychoanalyst s depth and clarity of insight Richard Isay lucidly explains why gay men have particular difficulty in establishing and sustaining loving relationships and how they might sensibly improve their chances of doing so Harry G Frankfurt Ph D author of *On Bullshit* and *The Reasons of Love* Richard Isay s portrayals of gay men s lives are likely to be controversial Isay is not the stereotypical psychoanalyst who sits quietly while his patients ramble and we re all the better for that He has something to say and what he says is worth hearing This provocative book should be read by anyone who yearns for but hasn t yet found real love William Rubenstein Founding Director of the Williams Institute on Sexual Orientation Law and former Director of the ACLU Lesbian Gay Rights Project Based on Dr Isay s three decades of experience working with gay men in therapy this is a deeply thoughtful study of the difficulties gay men may experience with falling and staying in love Simon LeVay Ph D author of *Human Sexuality* and *Queer Science* **The Broken Image** Leanne Payne, 1995-09 Presents documented case studies of homosexuals and lesbians who have been reoriented to heterosexuality

normative and dominant lifestyle **Embracing the Exile** John E. Fortunato, 1982 Pastoral psychotherapy by president of Integrity International Misha Schutt *The Unchanging Heart of the Priesthood* Thomas Acklin, 2006 In *The Unchanging Heart of the Priesthood* Father Thomas Acklin presents an apologetic for that which is immutable that which cannot change since it is found in the unchanging heart of Christ Father Acklin refutes modern misconceptions and false understandings of the priesthood while uncovering the beauty strength and hope that is found in God's plan This book will encourage the heart of every priest and help the laity to understand and appreciate the reality and mystery of the priesthood in the Church In *The Unchanging Heart of the Priesthood* Father Thomas Acklin presents an apologetic for the immutability of the priesthood that which cannot change since it is found in the unchanging heart of Christ Father Acklin refutes modern misconceptions while uncovering the beauty strength and hope that is found in God's plan bringing the reader to an appreciation of the reality and mystery of the priesthood in the Church **Healing in Progress: How I Overcame a Homosexual Life Choice** Charlotte Miller, 2018-12-07 *Healing in Progress* tells my story of how I overcame a homosexual life choice In my story I tell of how the enemy never gives up he waits patiently for us to give him an open door so he can get us off God's path for our lives I named this book *Healing in Progress* because I am a witness that healing is a progress and is POSSIBLE Understand this you can receive healing and deliverance from all the enemy has placed in your path The enemy is a master of DECEPTION but GOD is THE MASTER DELIVERER HEALER My story is about how I chose to believe the devil's lies and the journey it took me on It reveals how the LORD removed the blinders from my eyes and showed me the TRUTH SET ME FREE However freedom is an ongoing choice **Agnes Sanford and Her Companions** William L. De Arteaga, 2015-08-17 Agnes Sanford was arguably the most original and spiritually fruitful theologians of the twentieth century Among her achievements were the discovery and development of the inner healing ministry the development of a theology of the light of God missing in Western theology and the first ever theology of nature prayers as in stilling storms She and her husband developed a school to teach ministers and lay leaders healing and deliverance prayer and the gifts of the Spirit a decade before the charismatic renewal made such things acceptable in mainline churches In spite of these achievements she is largely ignored and unrecognized today This work examines her career and shows why her theology though deeply biblical was unacceptable to orthodox critics Sanford was part of a group who worked from the 1900s through the 1960s to make healing and deliverance prayer as normal in church They had to confront the erroneous established theology of cessationism which affirmed that the healing ministry of the church was past **Religious Trauma, Queer Identities** Joel Hollier, 2023-04-06 In a polarised milieu that too often posits queer and Christian as competing realms this book explores the complexities of identity development religious traumatisation and the task of creating safe faith spaces in which LGBTQA people can find healing particularly in the Evangelical context First Joel Hollier examines the historical path of Evangelicalism providing context for the current terrain of the culture war we find ourselves in He then parses out experiences of gender sexuality and religious spiritual identity

development grounding them in an evolving theoretical base Finally Hollier offers a rounded critique of Evangelical church structures and mechanisms of trauma that hinder the healing process along with potential sources of healing Central to this work are the voices of LGBTQA people whose stories weave together a deeper understanding of the harms the Church has perpetrated and the path forward

Homosexuality and the Catholic Church Fr. John F.
