Healing Hands Healing Words Ray Cullis, 2020-01-16 You can help others heal It is the purpose of this book to explain how this is possible and to teach the reader the healing method based on what was once known as suggestive therapeutics A century ago thousands of people came to the Weltmer Institute in Nevada Missouri for healing The healing method discovered by Sidney A Weltmer was so successful that a railway was re routed to the town and its post office enlarged to keep up with the demand The author merged Weltmer s methods with the insights and recommendations of renowned psychic Edgar Cayce for a more spiritual approach to suggestive therapeutics Part One of this book offers rare and inspiring insights into the nature of spiritual healing while Part Two teaches the technique in clear and simple language I recommend this book to anyone attempting to help others improve their health and well being It is both inspirational and practical John Van Auken Director Edgar Cayce Foundation

Healing Hands of Jesus Rekha Vidyarthi, 2012-03-23 Archangel Michael taught interactive healing to author Rekha Vidyarthi through this technique she has assisted the healing process in people for sixteen years Michael said to her You need to heal yourself in order to heal others Written with Jesus guidance Healing Hands of Jesus illustrates how you can choose to change the karmic things and past lives that are happening right now Angels heal many lives at once by healing one personality and integrating one fragment at a time into the higher self shortening the incarnation of a troubled past and present Every experience in life is created by unconscious thoughts Your outer situation triggers your innermost emotions and feelings The mind requires answers in order to change ones perspective Because most answers lie either in childhood or in a past life it is necessary to look within The angels trigger our memories to identify the connection which is when healing begins Such things as parental imprinting family karma ego anger fear guilt sadness depression or learned behavior perpetuate from one life to the next These issues repeat themselves through many lives until we learn how to heal the issues Healing Hands of Jesus explains that we must ask forgiveness for the negative things that are happening to us now in order to heal ourselves
