Cataloging Policy and Support Office,2009 **Dr. and Master Sha: Miracle Soul Healer** William Gladstone,2014-09-02 What accounts for miraculous healings unexplainable by doctors Is there a reality to spiritual healings William Gladstone initially approached Dr Zhi Gang Sha with some skepticism and disbelief William believed that there was more to life than the material world but he knew that the world has many dishonest and self deceiving mystics So he decided to explore William having studied medical anthropology at Harvard University had met and

worked with some of the greatest spiritual leaders on the planet He was excited to explore Dr Sha and his healing practices William spent weeks with Dr Sha watching him at work talking to his students and observing his healings He interviewed him at length asking for specifics and addressing difficult questions He delved into the science behind Dr Sha s work and explored the underlying concepts beneath these miracle healings What William learned amazed him and opened his mind to possibilities he never expected Dr Zhi Gang Sha is a medical doctor trained in both Western medicine and traditional Chinese medicine as well as ancient Chinese sacred energy and spiritual healing Over the last decade he has healed hundreds of thousands of individuals with thousands documented and available for viewing on YouTube How does he do it Is it the placebo effect or something much more profound Dr and Master Sha Miracle Soul Healer documents the remarkable journey of a world renowned spiritual teacher and master healer who has not only demonstrated the ability to heal but also to teach people to heal themselves Written for skeptics as well as believers Dr and Master Sha Miracle Soul Healer explores the results and methodology of Dr Sha s unique life journey and his stated life mission to serve humanity and the Divine and create a healthier and happier world This book explores the ultimate mystery of how faith science and healing can change your life

**Faith in Jesus and Paul** Maureen W. Yeung,2002 For the hundred years since W Wrede Paulus 1904 made the provocative claim that Paul should rightly be regarded as the second founder of Christianity scholars have debated vigorously on the relationship between Jesus and Paul Past studies on the Jesus Paul debate have largely been confined to either the literary or the theological level This study looks at the issue afresh by combining the historical and the theological approaches The discussion focuses on the issue of faith paying special attention to two groups of Jesus sayings Faith that can remove mountains and Your Faith has healed saved you and Paul s use of Gen 15 6 and Hab 2 4 The distinctive methodology of this study is to compare Jesus and Paul against the backdrops of the Jewish biblical tradition and Hellenistic parallels The picture of the Jesus Paul relationship that emerges is a most complex one To a great extent the similarity between Jesus and Paul is due to their common Jewish heritage The early Church plays a part in influencing Paul s concept of faith and Paul himself reinterprets the Jewish Scriptures in an innovative manner At the same time Paul is found

to be greatly indebted to Jesus for his concept of faith The method of placing Jesus and Paul against the Jewish and Hellenistic backgrounds permits a fuller appreciation of the historical and theological continuities between Jesus and Paul than has hitherto been possible      **Library of Congress Subject Headings** Library of Congress. Office for Subject Cataloging Policy,1991      **The Miracles of Our Lord** John Laidlaw,1892      *My Own Miracle* Robert W. Littke Ph.D.,2016-08-23 Do instantaneous healings still take place Nowhere in the Bible is there any indication that Gods miraculous healings have ended But what if you have already asked God for a miracle and he has not responded My Own Miracle documents how God heals all believers and that his answer is never no This book illustrates how God always answers a believers request for a miracle but does so in a way that is unique to that individual My Own Miracle scripturally documents what God has done in the past and what he continues to do today It takes you on a journey of one mans search for a miracle and the lessons learned along the way Just as each of us is a unique creation so too are his wondrous ways of granting miracles and healings The very same God that spoke the worlds into existence is ready and waiting to grant you your own miracle too      *Leaves of Healing* ,1925      **F-O** Library of Congress.
