Healing Yourself Through Fruit - Pomegranates for Natural Health Dueep Jyot Singh, John Davidson, 2016-10-09

Table of Contents Introduction Pomegranates for Your Heart Heart Palpitations Heart Tonic Traditional Pomegranate Sherbet Seeding and Juicing a Pomegranate Pomegranates for Beauty Pomegranates for Tissue Massage Pomegranates for Your Skin and Hair Pomegranates for Your Teeth Some Traditional Appetite Enhancers Conclusion Cancer and TB Research Author Bio Publisher Introduction A little while ago I wrote a book called The Magic of Pomegranates in which I spoke a lot of this supposedly exotic fruit its native origin its place in history and the literature of the lands where it is very common and so on I also wrote a bit about how you could use it for beauty purposes as has been done since ancient times and also for health If you want to know more about the magic of pomegranates Punica granatum here is the link to the book <http://tinyurl.com/gvwn8w5> This book can be considered an extension of that particular book especially when I was just going through some old herbal remedies and found pages and pages of ancient recipes going back lots of ages in an old book called Heal Thyself Through Thy Food It was written by a physician in the 19th century who was advocating natural food to help in the curing of ailments as they had been done down the ages and with the use of food and nothing else And this book being an Eastern book had remedies about how fruit was used in ancient times to help in the curing of a number of problems and diseases of mankind And then I found one fruit the pomegranate which was said to be the cure all of all diseases where natural remedies were right at hand This book is going to tell you all about some of the common ailments suffered by man even today when we should consider that the state of the art medical technology should have cured many of these diseases and eliminated them from today's vocabulary of mankind But alas that is not necessarily so In the east they have a saying one pomegranate a 100 sick It could either be that one pomegranate is enough to cure 100 people or also in the case of the pomegranate's known curative property to heal everything supply is always going to be lesser than the demand So sit back relax and browse through this book which is going to tell you all about how 1 pomegranate can make all the difference between a healthy you and a sickly you In ancient times the wise healer priest of the tribe city temple especially in Babylon and Egypt would always tell any person who was sick get thee to thy abode and face the Sun God After that lift up a vessel full of pomegranate juice and taking his name and asking him to bless you and give you good health drink it down in one go
