Healing Identities Black Feminist Thought And The:

Healing Identities Cynthia Burack, 2004 Group identifications famously pose the problem of destructive rhetoric and action against others Cynthia Burack brings together the theory work of women of color and the tools of psychoanalysis to examine the effects of group collaborations for social justice and progressive politics This juxtaposition illuminates some assumptions about race and equality encoded in psychoanalysis Burack's discursive analysis suggests the positive identity affirming aspects of group relational life for African American women One analytic response to groups emphasizes the dangers of these identifications and exhorts people to abandon or transcend them for their own good and for the good of others who may be harmed by group based forms of cultural or material violence Another response understands that people feel a need for group identifications and asks how they may be made more resistant to malignant group based discourse and action What can black feminist thought teach scholars and democratic citizens about groups Burack shows how the rhetoric of black feminism models reparative rather than destructive forms of group dialogue and action Although it may be impossible to eliminate group identifications that provide much of the impetus for bias and violence she argues we can encourage more progressive forms of leadership solidarity and coalition politics

Feminism in Coalition Liza Taylor, 2022-11-11 In *Feminism in Coalition* Liza Taylor examines how US women of color feminists coalitional politics provides an indispensable resource to contemporary political theory feminist studies and intersectional social justice activism Taylor charts the theorization of coalition in the work of Bernice Johnson Reagon Audre Lorde Barbara Smith the Combahee River Collective Gloria Anzaldúa Cherríe Moraga and others For these activist scholars coalition is a dangerous struggle that emerges from a shared political commitment to undermining oppression and an emphasis on self transformation Taylor shows how their coalitional understandings of group politics identity consciousness and scholarship have transformed how activists and theorists build alliances across race class gender sexuality faith and ethnicity to tackle systems of domination Their coalitional politics enrich current discussions surrounding the impetus and longevity of effective activism present robust theoretical accounts of political subject formation and political consciousness and demonstrate the promise of collective modes of scholarship In this way women of color feminists have been formulating solutions to long standing problems in political theory By illustrating coalition's vitality to a variety of practical and philosophical interdisciplinary discussions Taylor encourages us to rethink feminist and political theory

Black Women's Yoga History Stephanie Y. Evans, 2021-03-01 How have Black women elders managed stress In *Black Women's Yoga History* Stephanie Y. Evans uses primary sources to answer that question and to show how meditation and yoga from eras of enslavement segregation and migration to the Civil Rights Black Power and New Age movements have been in existence all along Life writings by Harriet Jacobs Sadie and Bessie Delany Eartha Kitt Rosa Parks Jan Willis and Tina Turner are only a few examples of personal case studies that are included here illustrating how these women managed traumatic stress anxiety and depression In more than

fifty yoga memoirs Black women discuss practices of reflection exercise movement stretching visualization and chanting for self care By unveiling the depth of a struggle for wellness memoirs offer lessons for those who also struggle to heal from personal cultural and structural violence This intellectual history expands conceptions of yoga and defines inner peace as mental health healing and wellness that is both compassionate and political *Challenging the Legacies of Racial Resentment* Tiffany Willoughby-Herard, 2017-07-05 Domestic and international health activism and health policy are focal points in this volume a publication of the National Conference of Black Political Scientists This work demonstrates the continuing importance of the medical civil rights movement through examples of activism of women of colour in AIDS service organizations of their health issues and of the struggle for racial equity in health care in Brazil Spikes in police and vigilante violence as well as fear of a reversion to resegregated schools have brought a new urgency to black political activism The contributors explore the effect of race on American attitudes toward immigration policy and reform black state legislators and American morality politics the historically disproportionate influence of Southern whites in American politics and the undermining of school desegregation laws with nullification strategies The volume s Trends section features conversations on the BlackLivesMatter movement in Los Angeles the 2016 presidential election and examines the teaching of the Trayvon Martin story at the University of California Irvine The volume also includes a diverse selection of book reviews Tough Love Cynthia Burack, 2014-02-01 Exposes how ex gay and postabortion ministries operate on a shared system of thought and analyzes their social implications A staple of the culture wars the struggle between Christian conservatives and progressives over sexuality and reproductive rights continues Focusing on ex gay ministries geared to helping same sex attracted people resist their sexuality and postabortion ministries dedicated to leading women who have had an abortion to repent that decision Cynthia Burack argues that both are motivated and characterized by a strain of compassion that is particular to Christian conservatism rather than a bias and hatred toward sexual minorities and sexually active women This compassion reproduces the sexual ideology of the Christian right and absolves Christian conservatives from responsibility for stigma and other forms of harm to postabortive and same sex attracted people Using the democratic theory of Hannah Arendt the popular fiction of Ayn Rand and the psychoanalytic thought of Melanie Klein Burack studies the social and political effects of Christian conservative compassion *Who Should Be First?* Beverly Guy-Sheftall, Johnnetta Betsch Cole, 2010-08-01 Who should be first With Barack Obama and Hillary Clinton as frontrunners the 2008 Democratic primary campaign was a watershed moment in United States history Offering the choice of an African American man or a white woman as the next Democratic candidate for U S President the primary marked an unprecedented moment but one that painfully echoed previous struggles for progressive change that pitted race and gender against each other *Who Should Be First* collects key feminist voices that challenge the instances of racism and sexism during the presidential campaign season offer personal reflections on this historic moment and trace the historic legacy of opposing issues of race and gender that informed debates

and media representations of the 2008 Democratic primary In this collection of writings by leading feminists including Patricia J Williams Gloria Steinem Alice Walker Carol Moseley Braun Maureen Dowd Katha Pollitt Pearl Cleage Robin Morgan Erica Jong Mark Anthony Neal and M Jacqui Alexander about and during this unprecedented and to many unexpected moment editors Beverly Guy Sheftall and Johnnetta Cole deftly balance charged conversations in the first collection on this key moment in contemporary U S history Because We Are Human Cynthia Burack,2018-05-01 Finalist for the 2018 Foreword INDIES Book of the Year Award in the LGBT category Around the world lesbian gay bisexual transgender and queer people continue to be threatened attacked arrested tortured and sometimes executed just for being sexual or gender minorities Since the final months of the Clinton administration agencies and officials of the US government have been engaging in programs and projects whose stated purposes are to serve goals of justice and equity for LGBTQ people outside the United States Because We Are Human gives readers an inside look at US sexual orientation and gender identity SOGI human rights assistance programs Cynthia Burack explores settings where indigenous and transnational human rights advocates meet to fund and strategize SOGI human rights movements This book also examines key arguments against these programs policies and interventions that originate on both the conservative right and the progressive academic left Burack ultimately recommends support for a US commitment to SOGI human rights and programs that serve the needs of LGBTQ people

Forms of Fanonism Reiland Rabaka,2010-03-08 When Frantz Fanon s critiques of racism sexism colonialism capitalism and humanism are brought into the ever widening orbit of Africana critical theory something unprecedented in the annals of Africana intellectual history happens five distinct forms of Fanonism emerge Forms of Fanonism Frantz Fanon s Critical Theory and the Dialectics of Decolonization is discursively distinguished from other engagements of Fanon s thought and texts insofar as it is the first study to consciously examine his contributions to Africana Studies and critical theory or rather the Africana tradition of critical theory Forms of Fanonism identifies and intensely analyzes Fanon s contributions to the deconstruction and reconstruction of Africana Studies radical politics and critical social theory In highlighting his unique solutions to the problems of racism sexism colonialism capitalism and humanism five distinct forms of Fanonism materialize These five forms of Fanonism allow contemporary critical theorists to innovatively explore the ways in which his thought and texts can be dialectically put to use in relieving the wretched experience of this generation s wretched of the earth Critics can also apply these forms to deconstruct and reconstruct Africana Studies radical politics and critical social theory using their anti imperialist interests Throughout Forms of Fanonism Reiland Rabaka critically dialogues with Fanon incessantly asking his corpus critical questions and seeking from it crucial answers This book in short solemnly keeps with Fanon s own predilection for connecting critical theory to revolutionary praxis by utilizing his thought and texts as paradigms and points of departure to deepen and develop the Africana tradition of critical theory

Moffett-Bateau, 2024-09-06 Identifies socio political concepts and frameworks that can be used to recognize and understand the styles of political engagement political rebellion and political identity creation used by poor Black women living in the United States *Re-Imagining Black Women* Nikol G. Alexander-Floyd, 2021-04-13 WINNER OF THE W E B DUBOIS DISTINGUISHED BOOK AWARD GIVEN BY THE NATIONAL CONFERENCE OF BLACK POLITICAL SCIENTISTS A wide ranging Black feminist interrogation reaching from the MeToo movement to the legacy of gender based violence against Black women From Michelle Obama to Condoleezza Rice Black women are uniquely scrutinized in the public eye In *Re Imagining Black Women* Nikol G Alexander Floyd explores how Black women and Blackness more broadly are understood in our political imagination and often become the subjects of public controversy Drawing on politics popular culture psychoanalysis and more Alexander Floyd examines our conflicting ideas opinions and narratives about Black women showing how they are equally revered and reviled as an embodiment of good and evil cast either as victims or villains citizens or outsiders Ultimately Alexander Floyd showcases the complex experiences of Black women as political subjects At a time of extreme racial tension *Re Imagining Black Women* provides insight into the parts that Black women play and are expected to play in politics and popular culture **Teaching Religion and Healing** Linda L. Barnes, Inés Talamantez, 2006-10-26 Publisher description Leadership, Gender, and Organization Mollie Painter-Morland, 2011-04-23 This text provides perspectives on the way in which gender plays a role in leadership dynamics and ethics within organizations It seeks to offer new theoretical models for thinking about leadership and organizational influence Most studies of women s leadership draw on an ethics of care as characteristic of the way women lead but as such it tends towards essentialist gender stereotypes and does little to explain the complex systemic variables that influence the functioning of women within organizations This book moves beyond the canon in exploring alternative paradigms for thinking about leadership and gender in organizations The authors draw on the literature available in systems thinking systemic leadership and gender theory to offer alternative perspectives for thinking about the ways women lead The book offers invaluable theoretical perspectives and insightful narratives to graduate students and researchers who are interested in women s leadership gender and organization It will be of interest to all women in leadership positions but specifically to those interested in understanding the systemic nature of leadership and their role within it *Encyclopedia of Modern Political Thought (set)* Gregory Claeys, 2013-08-20 This groundbreaking new work explores modern and contemporary political thought since 1750 looking at the thinkers concepts debates issues and national traditions that have shaped political thought from the Enlightenment to post modernism and post structuralism *Encyclopedia of Modern Political Thought* is two volume A to Z reference that provides historical context to the philosophical issues and debates that have shaped attitudes toward democracy citizenship rights property duties justice equality community law power gender race and legitimacy over the last three centuries It profiles major and minor political thinkers and the national traditions both Western

and non Western which continue to shape and divide political thought More than 200 scholars from leading international research institutions and organizations have provided signed entries that offer comprehensive coverage of Thought of regions and countries including African political thought American political thought Australasian political thought Australian and New Zealand Chinese political thought Indian political thought Islamic political Thought Japanese political thought and more Thought regarding contemporary issues such as abortion affirmative action animal rights European integration feminism humanitarian intervention international law race and racism and more The ideological spectrum from Marxism to neoconservatism including anarchism conservatism Darwinism and Social Darwinism Engels fascism the Frankfurt School Lenin and Leninism socialism and more Connections of political thought to key areas of politics and other disciplines such as economics psychology law and religion Notable time periods of political thought since 1750 Concepts including class democratic theory liberalism nationalism natural and human rights and theories of the state Theorists and political intellectuals both Western and non Western including John Adams Edmund Burke Mohandas Gandhi Immanuel Kant Ayatollah Khomeini Ernst Friedrich Schumacher George Washington and Mary Wollstonecraft **Removing Barriers** Jill M. Bystydzienski, Sharon R. Bird, 2006-03-20 Movement into academic science technology engineering and mathematics STEM fields has been slow for women and minorities Not only are women and minorities underrepresented in STEM careers there is strong evidence that many academic departments are resistant to addressing the concerns that keep them from entering careers in these fields In light of recent controversies surrounding these issues this volume examining reasons for the persistence of barriers that block the full participation and advancement of underrepresented groups in the sciences and addressing how academic departments and universities can remedy the situation is particularly timely As a whole the volume shows positive examples of institutions and departments that have been transformed by the inclusion of women and recommends a set of best practices for continuing growth in positive directions **Rethinking Sexual Citizenship** Jyl J. Josephson, 2016-05-01 Public policy often assumes there is one correct way to be a family Rethinking Sexual Citizenship argues that policies that enforce this idea hurt all of us and harm our democracy Jyl J. Josephson uses the concept of sexual citizenship a criticism of the assumption that all families have a heterosexual at their center to show how government policies are made to punish or reward particular groups of people This analysis applies sexual citizenship not only to policies that impact LGBTQ families but also to other groups including young people affected by abstinence only public policies and single parent families affected by welfare policy The book also addresses the idea that the normal family in the United States is white It concludes with a discussion of how scholars and activists can help create a more inclusive democracy by challenging this narrow view of public life Gender and American Politics Sue Tolleson-Rinehart, Jyl J. Josephson, 2016-09-16 Studies of gender and American political life most often focus only on women This book fills the gap by examining and comparing the roles and behavior of both men and women in political decision making public policy and political institutions Now updated

and expanded the book presents a full complement of empirical studies of real and imagined gender gaps New to this edition are chapters on the media legislative behavior foreign policy and the future of the gender dimension in American politics The book is structured to parallel the typical course on the American political system Solidarity Politics for Millennials A. Hancock,2011-08-29 This book takes the political theory of intersectionality the most cutting edge approach to the politics of gender race sexual orientation and class and introduces it to the general public for the first time *African American Girls and the Construction of Identity* Sheila Walker,2020-07-07 In *African American Girls and the Construction of Identity* Sheila Walker closely examines socioeconomic class and explores the way it shapes how African American girls experience race and gender in the process of their identity formation While all the girls who participated in the two year study are African American their lives are racialized and gendered in significantly different ways in both public and private spaces Affluence is not a guaranteed protection against the identity damaging effects of racism and poverty is not necessarily a risk factor for an irresolute identity By examining identity through the lens of class Walker provides researchers educators and parents a more in depth appreciation of what is a very complex multi layered phenomenon **She Took Justice** Gloria J. Browne-Marshall,2021-01-01 *She Took Justice* The Black Woman Law and Power 1619 to 1969 proves that The Black Woman liberated herself Readers go on a journey from the invasion of Africa into the Colonial period and the Civil Rights Movement The Black Woman reveals power from Queen Nzingha to Shirley Chisholm In *She Took Justice* we see centuries of courage in the face of racial prejudice and gender oppression We gain insight into American history through The Black Woman s fight against race laws especially criminal injustice She became an organizer leader activist lawyer and judge a fighter in her own advancement These engaging true stories show that for most of American history the law was an enemy to The Black Woman Using perseverance tenacity intelligence and faith she turned the law into a weapon to combat discrimination a prestigious occupation and a platform from which she could lift others as she rose This is a book for every reader
